ORDER DIRECTING RESPONSES TO COMPLIANCE TARIFF

Issue Date: August 14, 2026

Effective Date: August 14, 2026

On August 12, 2026, the Commission issued its *Order Approving Disposition Agreement and Compliance Tariff Sheets Implementing a Small Company Rate Increase* (Order) in the matter of a small utility rate case for Timber Creek Sewer Company (Timber Creek). The Order approved all submitted tariff sheets, which were ordered to go into effect on August 30, 2026.

Timber Creek submitted a new tariff sheet, assigned Tracking No. JS-2027-0026, with an effective date of September 13, 2026. Timber Creek explains that the tariff sheet is being filed to correct two commercial rates that were transposed in the original sheet which was approved by the Order. Timber Creek filed a request for expedited treatment and requested that the tariff sheet be allowed to take effect for service rendered on and after August 31, 2026, or as soon thereafter as reasonable.

The Commission will direct the Staff of the Commission (Staff) to review the tariff sheet and provide its response. The Commission will also set a time for other responses. Due to the request for expedited treatment, the Commission will shorten the time for those

responses.

THE COMMISSION ORDERS THAT:

1. No later than August 21, 2026, Staff shall file its response regarding the tariff sheet.
2. Any other party that wishes to respond to the tariff sheet shall do so no later than August 21, 2026.
3. This order shall be effective when issued.
