STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and submits its *Staff Recommendation* as follows:

1. On July 31, 2026, pursuant to Commission Rule 20 CSR 4240-28.013(2)(B) and under the Telecommunications Act of 1996, Southwestern Bell Telephone Company, LLC d/b/a AT&T Missouri (“AT&T”) filed with the Missouri Public Service Commission (“Commission”) a letter requesting the Commission adopt an amendment (“Amendment”) to AT&T’s Interconnection Agreement with Big River Telephone Company, LLC (“Big River”).¹ In the filed letter, AT&T notes that the Amendment is substantially the same in its terms and conditions as the amendment the Commission approved in Commission File No. IK-2026-0252.

2. On August 14, 2026, the Commission issued an order (“Order”) adding Big River as a party to this case; directing parties wishing to intervene to do so by August 29, 2026; directing the Commission’s Data Center to send a copy of the Order to all interexchange and local exchange telecommunications companies; and directing Staff to file a *Staff Recommendation* or status report no later than September 14, 2026.

¹ The Telecommunications Act of 1996 is codified in relevant part as 47 U.S.C. § 252.

3. A copy of the Amendment was filed with AT&T's letter. AT&T is certified with the Commission as an Incumbent Local Exchange Carrier ("ILEC") and is a registered Interconnected Voice over Internet Protocol ("IVoIP") service provider. Big River is a Competitive Local Exchange Carrier ("CLEC"), Interexchange Carrier (IXC), and is a registered Interconnected Voice over Internet Protocol ("IVoIP") service provider. No entities have intervened or requested a hearing. In the filed letter, AT&T asserts it has complied with Commission Rule 20 CSR 4240-4.017(1).

4. 47 U.S.C. § 252(e)(2)(A) (1996) provides that a state commission may reject a negotiated interconnection agreement (or any portion thereof) only if: 1). it discriminates against a telecommunications carrier that is not a party to the agreement; or 2). the agreement's (or a portion of the agreement's) implementation is inconsistent with the public interest, convenience, and necessity. In lieu of a Memorandum, Staff hereby states that the Amendment does not discriminate against telecommunications carriers not a party to it, nor is its implementation inconsistent with the public interest, convenience, or necessity. Therefore, Staff recommends that the Commission approve the Amendment.

WHEREFORE, Staff recommends the Commission approve AT&T's request. and grant such other and further relief as the Commission finds appropriate under the circumstances.

Respectfully submitted,

/s/ Mark Johnson
