RE: Weather Normalization Adjustment Rider

Dear Judge Dippell:

The accompanying tariff sheet issued by Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "Company") is being transmitted for filing as 5th Revised Sheet No. 32.2, which is part of Schedule No. 2, Schedule of Rates for Gas, replacing the 4th Revised Sheet No. 32.2.

The revised sheet includes changes to the Company's Weather Normalization Adjustment Rider (WNAR) as approved by the Commission in Case No. GR-2021-0241, which provides for the annual reconciliation of the over- or under-billing of the annual WNA for inclusion in the November 1st annual WNAR filing. The Company's WNAR was further changed and approved by the Commission in Case No. GR-2024-0369.

This tariff sheet bears an issue date of August 31, 2026, and a proposed effective date of November 1, 2026. The revisions reflect an adjustment to the Weather Adjustment Rate ("WR") for residential customers. The change in the WR applicable to the Company's service areas will increase from 4.46¢/Ccf to 6.63¢/Ccf. The Company's workpaper supporting this change is being provided to the parties.

Please contact me with any questions.

Sincerely,

/s/ Diana Carter
