Dear Ms. Hahn:

Our office has received the Proposed Amendment rulemakings for the following regulations:

- **20 CSR 4240-23.010** Electric Utility System Reliability Monitoring and Reporting Submission Requirements
- **20 CSR 4240-23.020** Electrical Corporation Infrastructure Standards
- **20 CSR 4240-23.030** Electrical Corporation Vegetation Management Standards and Reporting Requirements

Executive Order 25-13 requires this office's approval before state agencies release proposed regulations for notice and comment, amend existing regulations, or adopt new regulations. After our review, we approve submission of the rule and the regulatory impact report (if required) to JCAR and the Secretary of State.

Sincerely,

Re: 20 CSR 4240-23.010 Electric Utility System Reliability Monitoring and Reporting Submission Requirements

Dear Secretary Hoskins,

CERTIFICATION OF ADMINISTRATIVE RULE

I do hereby certify that the attached is an accurate and complete copy of the proposed amendment lawfully submitted by the Missouri Public Service Commission.

The Public Service Commission further certifies it has conducted an analysis of whether or not there has been a taking of real property pursuant to section 536.017, RSMo, that the proposed amendment does not constitute a taking of real property under relevant state and federal law.

The Public Service Commission has determined and hereby also certifies that if the proposed amendment does affect small business pursuant to sections 536.300 to 536.310, RSMo, a small business impact statement has been filed as required by those sections. If no small business impact statement has been filed the proposed amendment either does not affect small business or the small business requirements do not apply pursuant to section 536.300.4, RSMo.

Statutory Authority: *sections 386.040, 386.250, 386.310 and 393.140, RSMo.*

PROPOSED AMENDMENT

20 CSR 4240-23.010 Electric Utility System Reliability Monitoring and Reporting

Submission Requirements. The Public Service Commission is amending sections (2), (3), (6), and (9).

PURPOSE: This amendment updates references to IEEE Standard 1366-2003 to 1366-2022 and updates how reports are to be submitted.

(2) Filing of Report. The information required by section (1) shall be filed annually by the last business day of April of the calendar year following the calendar year for which the information was accumulated *[to the manager of the commission's energy department, or the manager's designee]* to the commission **as a non-case submission in the Electronic Filing and Information System (EFIS)**, electronically in tabular and graphical formats.

(3) Adjustment of Data. The information required by section (1) shall be filed both unadjusted and adjusted to exclude major storm events per IEEE Standard *[1366-2003]* **1366-2022**, Guide for Electric Power Distribution Reliability Indices.

(6) Worst Performing Circuits. Each electrical corporation shall establish and maintain a program for identifying and analyzing its worst performing circuits during the course of each calendar year. The program shall include, but should not be limited to, an analysis of the top five percent (5%) worst performing circuits used to serve the electrical corporation's Missouri retail electric customers. The worst performing circuits shall be identified and ranked using SAIFI values computed for each circuit, adjusted to exclude major storm events per IEEE Standard *[1366-2003]* **1366-2022**, Guide for Electric Power Distribution Reliability Indices and in any other manner chosen by the electrical corporation. The SAIDI value for each circuit shall also be listed.

(9) Reliability Improvement Programs. Each electrical corporation shall transmit to the *[manager of the energy department of the commission, or the manager's designee,]* **commission as a non-case submission in EFIS** no later than the last business day of December each year: A summary report detailing all programs scheduled for the upcoming calendar year designed to maintain or improve service reliability. The information shall be reported by regional/district/division operating areas, if the electrical corporation's operations are divided into regions/districts/divisions. This report shall include funding levels and the status of each of these programs. The first such report shall be transmitted no later than December 31, 2008.
