**APPLICATION OF GTE MIDWEST INCORPORATED D/B/A VERIZON MIDWEST
FOR APPROVAL OF A COMPREHENSIVE INTERCONNECTION AGREEMENT**

COMES NOW, GTE Midwest Incorporated d/b/a Verizon Midwest ("Verizon") files this Application for Approval of an Interconnection Agreement (the "Agreement") between Verizon and DMJ Communications, Inc., ("DMJ"), pursuant to Section 252(e) of the Telecommunications Act of 1996 ("the Federal Act") and would respectfully show the Missouri Public Service Commission (the "Commission") the following:

I. THE APPLICANTS

Verizon is engaged in the business of providing local, access, toll and other telecommunications services. The principal office of Verizon is 601 Monroe Street, Suite 304, Jefferson City, Missouri 65101. Applicant is a Delaware Corporation whose Certificate of Good Standing is enclosed as Attachment 1 and incorporated herein by reference.

II. **INTERCONNECTION AGREEMENT REACHED**

Verizon presents to this Commission for approval an agreement negotiated and executed pursuant to the terms of the Federal Act (Agreement, Attachment 2). After weeks of intensive good faith negotiations to address all of the complex issues involved in such an agreement, the parties have executed the Interconnection Agreement between Verizon and DMJ on May 1, 2002, and filed herewith, together with the one (1) appendix incorporated therein.

III. **DESIGNATED CONTACTS**

The designated contact for purposes of this Application is:

Dave Evans
Director - Regulatory Affairs
Verizon

Telephone: 573-636-7196

[e-mail: dave.evans@verizon.com](mailto:dave.evans@verizon.com)

IV. **REQUEST FOR APPROVAL**

Verizon seeks the Commission's approval of the Agreement, consistent with the provisions of the Federal Act. Verizon believes that the implementation of this Agreement complies fully with Section 252(e) of the Federal Act because the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. The Agreement promotes

diversity in providers, provides interconnectivity, and increases customer choices for telecommunications services.

Verizon respectfully requests that the Commission grant approval of this Agreement, without change, suspension or other delay in its implementation. This is a bilateral agreement, reached as a result of negotiations and compromise between competitors, and the parties do not believe a case or intervention by other parties is necessary or appropriate.

V. STANDARD FOR REVIEW

The statutory standards of review are set forth in Section 252(e) of the Federal Act, which provides as follows:

Section 252(e) of the Federal Act:

(e) APPROVAL BY STATE COMMISSION

- (1) APPROVAL REQUIRED.** Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the state commission. A state commission to which an agreement is submitted to shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) GROUNDS FOR REJECTION.** The State Commission may only reject -
 - (A)** an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that -
 - (i)** the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
 - (ii)** the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; or

VI. MISSOURI LEGISLATION

The negotiated and executed Agreement is consistent with the Missouri Legislation, Senate Bill No. 507, which became effective on August 28, 1996.

VII. PENDING ACTIONS, ANNUAL REPORTS, AND ASSESSMENTS

The Applicants have no final unsatisfied judgments or decisions against them in any state or federal agency or court involving customer service or rates which have occurred within three years of the date of this application. As incumbent local exchange carriers, and as a routine part of their business, the Applicants do receive some complaints about service -- primarily at the state utility commissions -- but in some cases also in state or federal courts. Applicants are typically able to resolve all of these matters in a satisfactory manner, and currently have no such actions that they believe will not be so resolved. No annual reports or assessments are overdue in Missouri.

VIII. CONCLUSION

For the reasons set forth above, Verizon respectfully prays that the Commission approve the Agreement.

Respectfully submitted,

GTE MIDWEST INCORPORATED
d/b/a Verizon Midwest
