ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: September 8, 2026

Effective Date: September 8, 2026

On July 1, 2026, Missouri-American Water Company (Missouri-American) filed tariff sheets designed to initiate a general rate case. Bayer CropScience LP and The Boeing Company filed an application to intervene. Ten days have elapsed and no party has objected to the application to intervene.¹

Commission Rule 20 CSR 4240 2.075(3) provides that the Commission may grant an application to intervene if it finds that the proposed intervenor has an interest that differs from that of the general public and that may be adversely affected by the final order arising from the case, or if granting the proposed intervention would serve the public interest. The application satisfies the requirements of Commission Rule 20 CSR 4240-2.075 and serves the public interest. The Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene filed by Bayer CropScience LP and The Boeing Company are granted.
2. This order is effective when issued.

¹ Commission rule 20 CSR 4240-2.080(13) provides that parties shall be allowed ten days from the date of filing in which to respond to any pleading unless otherwise ordered by the Commission.
