**STAFF’S MOTION TO VACATE OR SUSPEND
SEPTEMBER 14 FILING REQUIREMENT**

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and respectfully requests that the Commission vacate, or alternatively suspend, the requirement that Staff file its recommendation on September 14, 2026.

1. On July 27, 2026, the Commission entered an order directing Staff to file a recommendation on September 14. The case subsequently proceeded to a prehearing conference, after which the Commission directed the parties to develop a proposed procedural schedule.

2. The deadline for that proposed procedural schedule or status report was ultimately extended to September 18, 2026. Thus, the September 14 Staff filing requirement has effectively been superseded by the subsequent procedural orders and no longer fits the present procedural posture of the case.

3. Staff therefore requests that the Commission vacate the September 14 filing requirement or, alternatively, suspend it until the Commission establishes the procedural schedule in this case.

WHEREFORE, Staff respectfully requests that the Commission grant the relief requested herein.

Respectfully Submitted,
