BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Amendment to Interconnection Agreement between Southwestern Bell Telephone Company, LLC d/b/a AT&T Missouri, and Missouri Network Alliance, L.L.C. d/b/a Bluebird Network, Adopting Previously Approved Amendments	))))))	**Case No. IK-2027-0088**

ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND ADDING A PARTY

Issue Date: September 15, 2026 Effective Date: September 15, 2026

This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the interconnection agreement, Missouri Network Alliance, L.L.C. d/b/a Bluebird Network, as a party to this proceeding.

On September 15, 2026, Southwestern Bell Telephone Company, LLC d/b/a AT&T Missouri (AT&T) filed an application with the Commission for approval of an Amendment (Amendment) to a negotiated Interconnection Agreement (Agreement) with Bluebird Network under the provisions of the Federal Telecommunications Act of 1996. AT&T Missouri has also requested a waiver of the 60-day notice requirement.[1]

Although Bluebird Network is a party to the agreement, it did not join in the application. Because Bluebird Network is a necessary party to a full and fair adjudication of

this matter, the Commission will add Bluebird Network as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.[2] Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. That date is December 14, 2026.

The Commission will provide notice of the application to all interexchange and local exchange telecommunications companies and set a deadline for intervention requests. The Commission finds that proper persons shall be allowed 15 days to file a motion for hearing. The Staff of the Commission (Staff) will be directed to provide recommendation.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.

2. Missouri Network Alliance, L.L.C. d/b/a Bluebird Network is made a party to this case.

3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than September 30, 2026.

4. Staff shall file a recommendation advising either approval or rejection of the amendment and giving its reasons thereof no later than October 15, 2026.

[2] 47 U.S.C. § 252(e).

5. This order shall be effective when issued.
