Issue Date: September 18, 2026

Effective Date: September 18, 2026

On March 31, 2026, Union Electric Company d/b/a Ameren Missouri filed a 60-day notice of intended case filing regarding an expected application for a certificate of convenience and necessity (CCN) for a new distribution substation to serve an existing Ameren Missouri customer in a neighboring utility's service territory and request for waiver of certain tariff provisions.

THE COMMISSION ORDERS THAT:

1. Ameren Missouri's motion for a 30-day extension of time in which to file its application is granted.
2. If Ameren Missouri does not file its application by October 27, 2026, this case will close on that date, unless otherwise ordered by the Commission.
3. This order is effective when issued.
