

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of the Application of Evergy Missouri Metro and Evergy Missouri West, Inc.
for Certificates of Convenience and Necessity
File No. EA-2026- 0343

APPLICATION TO INTERVENE OF ERIN BURNHAM

COME NOW ERIN BURNHAM, “Applicant”), appearing pro se and in the individual capacity, and pursuant to 20 CSR 4240-2.075 respectfully apply for intervention in this proceeding. In support, Applicants state:

1. Applicant is a Missouri resident, homeowner, landowner, and consumers who reside approximately four miles from the proposed natural-gas generating facility and associated development contemplated in this case. The residence is located at 10309 Malden Creek Rd SE Agency MO 64401
2. Applicant own and occupy this property as their family home. Applicant also owns a farm within the same 4 miles of the proposed site. Applicant seeks intervention personally, not on behalf of the limited liability company.
3. Applicant interests are direct, local, substantial, and different from those of the general public because their home, farm, property, family, daily travel, and enjoyment of the property are located in the immediate vicinity of the proposed facility.
4. The proposed facility may adversely affect Applicant through construction and operational traffic; noise and lighting; air emissions and related health concerns; safety and emergency-response risks; effects on wildlife and rural habitat; effects on rural character and quiet enjoyment; potential effects on property use and value; and disruptions to access, equipment movement, customers, and operations of their home-based business.
5. Applicant’s home and property are a Century farm that was originally homesteaded. The proposed project threatens the livelihood of the farm, property and community.
6. Applicants oppose issuance of the requested certificates for the proposed facility at this location.
7. Applicants' interests are not adequately represented by the existing parties. Their participation will assist the Commission by providing the perspective and evidence of nearby homeowners, consumers, and operators of a home-based small business who may personally experience the project's localized effects.
8. Granting intervention will serve the public interest and will not unduly delay or prejudice the determination of this proceeding. Applicants agree to comply with the Commission's rules, orders, and procedural schedule.

WHEREFORE, Applicant Erin Burnham respectfully requests that the Missouri Public Service Commission grant this Application to Intervene, make party to File No. EA-2026-0343, include on all notices and service lists, and grant such further relief as the Commission deems just and proper.

Respectfully submitted,

Erin Burnham
