## ORDER OPENING A WORKING CASE TO STUDY POSSIBLE CHANGES TO THE COMMISSION'S RENEWABLE ENERGY STANDARDS RULES

Issue Date: January 25, 2012

Effective Date: January 25, 2012

The Commission's renewable energy standards rules (4 CSR 240-20.100 and 4 CSR 240-3.156) have been in effect for approximately 6 months. The Commission wishes to draw on the experience gained regarding the operation of those rules to consider ways in which the rules might be improved.

To further its examination of the rules, the Commission will seek input from the utilities, consumer organizations, and other individuals and entities affected by the rules. To start the process, the Commission will direct its Staff to schedule a workshop meeting at a time and location to be determined by Staff. The Commission invites all interested persons to attend.
