

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of a Working Case Regarding)
Electric Vehicle Charging Facilities) **File No. EW-2016-0123**

STAFF’S MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for its *Motion for Extension of Time* in this matter hereby states:

1. On December 2, 2015, the Missouri Public Service Commission (Commission) opened a working case docket to address unresolved legal and long-term policy issues related to electric vehicle charging stations. This order arose from the Commission’s Report and Order over a disputed issue in Kansas City Power & Light Company’s last rate case, File No. ER-2014-0370.

2. The *Order Opening a Working Case Regarding Electric Vehicle Charging Facilities* ordered Staff to investigate and report on the legal and policy regulatory issues related to both the installation and operation of electric charging facilities and the associated sale of electricity to electric vehicle owners, and file a report of its findings and recommendations no later than June 1, 2016. Any other person or entity wishing to respond was granted until August 1, 2016 to do so.

3. Staff initially planned to hold a workshop on February 11, 2016 but due to scheduling conflicts and room availability, the finalized date for the workshop has been moved to May 25, 2016.

4. Because Staff's investigation and recommendation will necessarily include findings and information discovered from the workshop and parties' responses to questionnaires, a filing date of June 1, 2016 will leave Staff with insufficient time to develop a robust recommendation.

5. Staff requests a new filing date of July 1, 2016 for its recommendation, and a date of September 1, 2016 for responses of any person or entity wishing to file.

WHEREFORE, Staff prays that the Commission will grant this request for an extension to July 1, 2016 for Staff to file its recommendation and September 1, 2016 for all other parties to file responsive comments, and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,

/s/ Nicole Mers
