COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Notice of Agenda* in this matter hereby states:

1. The Commission opened this docket and scheduled a workshop to gather information and facilitate discussions of emerging issues in utility regulation. Interested stakeholders filed comments, and a workshop was held on November 20, 2017. Panelists presented information on a variety of emerging issues.

2. As a result of the November 20, 2017 workshop, Staff identified additional topics to explore in a second workshop. This additional workshop will be held January 9, 2018, from 10 a.m. to 3 p.m., in the Ballroom of the Governor’s Office Building. This workshop will be conducted as a roundtable discussion to facilitate discussion. Entities identified on the agenda will have a representative at the table to participate in discussion related to the respective issue. Others attending the workshop will have an opportunity to provide input or ask questions based on the discussion.

3. Staff has prepared an agenda for this workshop that it now files to give notice to all interested stakeholders of the topics to be discussed and their scheduled times.

4. Staff has also scheduled a third workshop for February 5, 2018, from 10 a.m. to 3 p.m. with an agenda to be finalized after the January 9, 2018 workshop.

5. Currently, Staff has a report deadline of March 8, 2018. With the scheduling of an additional workshop and the need to review any resulting comments from interested stakeholders, Staff respectfully requests an extension of time to file its report. Staff requests its report be due no later than April 5, 2018.
