

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of an Investigation of Missouri)
Jurisdictional Generator Self-Commitments into) **File No. EW-2019-0370**
SPP and MISO Day-Ahead Energy Markets)

MOTION TO DESIGNATE CERTAIN INFORMATION PUBLIC

COMES NOW Staff of the Missouri Public Service Commission (“Staff”), by and through Counsel, and files its *Motion To Designate Certain Information Public*. In support thereof, Staff states as follows:

1. On August 23, 2019, Staff filed its *Report* in response to the Commission’s *Order Opening An Investigation Of Missouri Jurisdictional Generator Self-Commitments And Self-Scheduling* (“*Order*”) establishing this working file and ordering an investigation into the self-commit and self-scheduling practices of Missouri’s investor-owned electric utilities in their respective Regional Transmission Organization (“RTO”) energy markets.

2. Staff’s *Report* contained a statement on page 12, which was designated as highly confidential and therefore, was not visible in the public version of the *Report*. Staff has determined since the filing date of the *Report* that this information was unnecessarily marked as highly confidential and now files this corrected version of its *Report* with the information correctly marked as public.

WHEREFORE Staff prays that the Commission will accept this amended *Staff Report*, and grant such other and further relief as the Commission finds just.

Respectfully submitted,

/s/ Whitney Payne
