**STATUS REPORT REGARDING
LOCAL PUBLIC HEARINGS**

COMES NOW Union Electric Company d/b/a Ameren Missouri, and for the purposes of updating the Commission on the parties' discussions regarding local public hearings, states as follows:

1. The parties indicated in their Proposed Joint Procedural Schedule that they intended to advise the Commission by September 24, 2026, respecting whether they had agreed on a local public hearing recommendation in this case.

2. The parties generally have reached consensus on the number of local public hearings that they would recommend, and on the form and timing of notice. However, the parties are working through a couple of details and require a few more days to finalize a joint recommendation. Specifically, the parties anticipate being in a position to file such a recommendation in the next few business days, and in any event by no later than October 2, 2026.

3. Ameren Missouri therefore requests an extension of time to file a local public hearing recommendation to October 2, 2026, expecting, however, that such a filing can be made before then.

4. Counsel for the other parties have authorized the undersigned counsel to indicate that they do not oppose this request.

WHEREFORE, the Ameren Missouri requests that the Commission extend the deadline to file a local public hearing recommendation to October 2, 2026.

Respectfully submitted,
