**DIRECT TESTIMONY OF
DAVID CASALETTO
OZARKS CLEAN WATER COMPANY**

WITNESS INTRODUCTION

1
2 **Q. PLEASE STATE YOUR NAME AND BUSINESS ADDRESS.**

3 A. My name is David Casaletto. My business address is 11 Oak Dr. P.O. Box 973,
4 Kimberling City, Missouri, 65686.

5 **Q. WHAT IS YOUR POSITION WITH OZARKS CLEAN WATER COMPANY**
6 **(“OCWC”)?**

7 A. I hold the office of President of the OCWC Board of Directors.

8 **Q. PLEASE PROVIDE SOME BACKGROUND INFORMATION ABOUT OCWC.**

9 A. OCWC is a Missouri not-for-profit 501(c)(3) corporation, active and in good
10 standing with the Missouri Secretary of State. OCWC’s principal office and place
11 of business is located at 11 Oak Dr. Kimberling City, Missouri 65686.

12 From 2002 to 2007, I was Program Coordinator for the National Decentralized
13 Onsite Wastewater Demonstration Project at Table Rock Lake, a \$2 Million
14 cooperative agreement with EPA to find technical and management solutions for
15 failing wastewater treatments systems at Table Rock Lake. OCWC was formed
16 during the demonstration project to develop solutions to ensure wastewater
17 treatment systems are operated properly and efficiently to the benefit of the
18 environment and the OCWC members.

19 Neither I, nor any board members, have ever received any compensation from
20 OCWC.

1 **Q. ARE YOU INVOLVED WITH ANY OTHER ORGANIZATIONS DESIGNED TO**
2 **HELP PROTECT AND IMPROVE THE WATERS OF MISSOURI?**

3 A. Yes. I am also the President of H2Ozarks, a nonprofit water quality organization
4 formed in 2002. The H2Ozarks mission is to protect and improve the waters of the
5 Upper White River Basin focusing on Beaver, Table Rock, Taneycomo and Bull
6 Shoals lakes and their watersheds.

7 **Q. PLEASE DESCRIBE YOUR EDUCATIONAL AND PROFESSIONAL**
8 **EXPERIENCE.**

9 A. I received a B.S. in Accounting from Pittsburg State University in Pittsburg,
10 Kansas. I have worked in the areas of business, accounting, advertising, and grant
11 administration for many years. A more detailed description of my background is
12 attached as Appendix A.

13 **PURPOSE**

14 **Q. WHAT IS THE PURPOSE OF YOUR DIRECT TESTIMONY?**

15 A. The purpose of my testimony is to support Foxfire Utility Company's Application to
16 sell its water and sewer assets to OCWC and, in doing so, I will: (1) discuss
17 OCWC's qualifications to own and operate the water and sewer systems it seeks
18 to acquire; (2) explain OCWC's position as to the conditions and actions proposed
19 by the Commission Staff in its *Staff Recommendation and Memorandum*; and, (3)
20 explain why OCWC's acquisition of substantially all the water and sewer system
21 assets of Foxfire Utility Company (Foxfire) is not detrimental to the public interest.

1 **OZARKS CLEAN WATER COMPANY'S QUALIFICATIONS**

2 **Q. PLEASE DESCRIBE OCWC AND ITS MISSION.**

3 A. OCWC's mission is to protect water quality and promote public health by owning
4 and responsibly managing wastewater and drinking water facilities throughout the
5 Ozarks. OCWC was established from an Environmental Protection Agency grant
6 to help with the protection of water quality in Table Rock Lake. OCWC is a Missouri
7 501(c)(3) water and sewer corporation that was formed in March of 2004 for the
8 specific purpose of owning and operating individual and clustered wastewater
9 systems. OCWC was formed in accordance with sections 393.825 to 393.861,
10 RSMO, and is a not-for-profit corporation with voluntary membership. Membership
11 is gained by applying for and receiving services from OCWC. The Missouri
12 Department of Natural Resources has approved OCWC as an acceptable entity to
13 receive funding from the State Revolving Fund, which is a low interest program.

14 **Q. WHAT IS OCWC'S EXPERIENCE WITH OWNING AND OPERATING WATER**
15 **AND SEWER SYSTEMS?**

16 A. OCWC currently provides water and sewer service to 2,380 locations, consisting
17 of 1,860 sewer connections, 300 water only and 220 water and sewer connections
18 at the same property, all provided through 9 permitted and 4 non-permitted water
19 systems, 19 permitted sewer systems, 1 sewer treatment system, 2 sewer
20 collection systems, and 1 interceptor sewer that does not require permits.

1 **Q. WOULD OCWC HAVE PERSONNEL QUALIFIED TO PROVIDE SAFE AND**
2 **ADEQUATE SERVICE IN THE SERVICE AREAS YOU PROPOSE TO ACQUIRE**
3 **AND OPERATE IN THIS CASE?**

4 A. Yes, they would. OCWC is already providing those and other similar services for
5 water and wastewater systems in southwest Missouri.

6 OCWC enjoys a positive working relationship with the Missouri Department of
7 Natural Resources, which has relayed to Staff that there are “no outstanding
8 concerns with service issues” with any OCWC system.¹

9 **Q. DOES OCWC HAVE THE CAPACITY TO OPERATE THE ASSETS IT**
10 **PROPOSES TO PURCHASE?**

11 A. Yes. OCWC has economies of scale, experience, technical ability, and financial
12 wherewithal that will enable it to provide water and sewer service to the Foxfire
13 customers and is in all ways qualified to own and operate the Foxfire water and
14 sewer assets.

15 OCWC’s financial structure is layered to address multiple improvement and
16 maintenance plans for all its properties. OCWC rates include operation,
17 maintenance, administration, overhead, and reserve for repair. Currently, OCWC’s
18 Board of Directors has established a reserve account funded at 75% of its annual
19 operation and maintenance budget.

20 **SYSTEMS TO BE ACQUIRED**

21 **Q. WHAT DOES OCWC PROPOSE IN THIS MATTER?**

¹ Staff’s *Memorandum*, p.2.

1 A. OCWC proposes to acquire substantially all the water and sewer system assets of
2 Foxfire Utility Company.

3 **Q. HAS OCWC AND FOXFIRE EXECUTED AN ASSET PURCHASE**
4 **AGREEMENT?**

5 A. Yes. The *Agreement for Sale and Purchase of Assets* dated December 10, 2019
6 (“Asset Purchase Agreement”) is attached as **Schedule DC-1**. Pursuant to the
7 Asset Purchase Agreement, OCWC proposes to purchase substantially all the
8 water and sewer assets of Foxfire as specifically described in the agreement and
9 under the terms and provisions further described in the agreement.

10 **Q. DO YOU HAVE ANY OBSERVATIONS AS TO THE PURCHASE PRICE?**

11 A. Yes. Given my approximately 20 years of experience in the water and sewer
12 industry, I believe that it represents a fair market value for the assets to be
13 acquired. This is especially true given that the owner has agreed to finance the
14 purchase over a twenty (20) year period at an annual interest rate of 2.5%. As a
15 result, OCWC needs no separate financing associated with this acquisition.
16 OCWC is confident that the cash flows from the existing rates will be adequate for
17 OCWC to cover the obligation associated with the purchase price and to continue
18 to provide quality service to the customers. This is especially true with the expected
19 growth in the Foxfire service area and that the Foxfire water and sewer facilities
20 currently have the capacity to serve approximately an additional 150 units.

1 **RATES**

2 **Q. IF THE APPLICATION IS APPROVED, WHAT RATES DOES OCWC PROPOSE**
3 **TO UTILIZE FOR THE PROVISION OF SERVICE?**

4 A. OCWC proposes to use the existing rates for Foxfire customers for at least one
5 year following the acquisition. Future potential rate increases would be based on
6 increased operating and maintenance expenses as approved by the Board of
7 Directors.

8 **Q. WHAT ARE THE CURRENT RATES?**

9 The current water rates for Foxfire are as follows:

10 Monthly Minimum: (Includes 2,000 gallons of water)

11 For Service through a 5/8" meter	\$ 20.10
12 For Service through a 3/4" meter	\$ 28.78
13 For Service through a 1" meter	\$ 46.16
14 For Service through a 1 1/2" meter	\$ 89.59
15	
16 All usage over 2,000 gallons	
17 (per 1,000 gallons)	\$ 1.36

18 Any applicable federal, state, or local taxes computed on a billing basis would be
19 added as a separate item in each bill.

20

21 The current sewer rates for Foxfire are as follows:

22 Monthly Minimum Sewer Service Charge + - The following minimum monthly
23 service charge based on meter size must be paid regardless of the quantity of
24 metered water usage.

25

26 Meter Size:	Monthly Charge:+
27 5/8" Includes 2,000 gallons	\$40.22
28 3/4" Includes 2,000 gallons	\$57.12
29 1" Includes 2,000 gallons	\$90.91
30 1-1/2" Includes 2,000 gallons	\$175.39

31

32 Sewer Service Commodity Charge +
33 \$3.21 per 1,000 gallons over metered water usage of 2,000 gallons per month.

1
2 Any applicable federal, state, or local taxes computed on a billing basis would be
3 added as a separate item in each bill.
4

5 **STAFF'S PROPOSED CONDITIONS**

6 **Q. STAFF FILED A RECOMMENDATION IN REGARD TO THE APPLICATION.**
7 **HAVE YOU REVIEWED THE STAFF'S RECOMMENDATION?**

8 A. Yes. The Staff recommends approval of the transfer of assets of Foxfire with the
9 5 conditions or actions contained on pages 8 and 9 of Staff's Memorandum.

10 **Q. ARE STAFF'S RECOMMENDED CONDITIONS OR ACTIONS ACCEPTABLE**
11 **TO OCWC?**

12 A. Yes.

13 **PUBLIC INTEREST**

14 **Q. HOW DO YOU BELIEVE THE PROPOSED TRANSACTIONS RELATE TO THE**
15 **PUBLIC INTEREST?**

16 A. As my testimony explains, the proposed acquisition of the specified assets of
17 Foxfire and the related transactions are not detrimental to the public interest of the
18 State of Missouri. The assets would be acquired by OCWC, a not-for-profit
19 corporation. Moreover, OCWC is answerable to its members, who comprise the
20 board of OCWC. OCWC is fully qualified, in all respects, to own and operate the
21 systems to be acquired and to otherwise continue providing safe and adequate
22 service. In addition, OCWC, as a charitable non-profit corporation, has as its
23 mission, to own and responsibly manage wastewater and drinking water facilities
24 throughout the Ozarks protecting water quality and public health.

25 **Q. DOES THIS CONCLUDE YOUR DIRECT TESTIMONY?**

1 A. Yes, it does.

3.05 Seller's Specific Representations and Warranties. Seller specifically represents and warrants to Buyer that:

A. Seller shall not transfer, convey, encumber, lease or otherwise assign or dispose of any Asset, nor any interest therein, outside of the ordinary course of business, without the express written consent of Buyer, nor shall Seller cause, create or allow any additional lien, claim or encumbrance, of any kind or character, to be placed upon any Asset or any interest therein;

B. Except as specifically disclosed to Buyer in writing, Seller has no liabilities or obligations with respect to the Business or the Assets, either direct or indirect, matured or unmatured or absolute, contingent or otherwise, which have resulted in or will result in a lien on any of the Assets or which will interfere with Buyer's use of the Assets following the Closing;

C. Other than those liabilities or obligations disclosed by Seller to Buyer, Seller has not entered into, nor has any obligation or liability with respect to, any employment or consulting agreement, employee leasing agreement, executive compensation plan, collective bargaining agreement, deferred compensation agreement, supplemental retirement income agreement, split dollar insurance plan, bonus plan, employee pension plan or retirement plan, employee profit sharing plan, employee stock purchase or stock option plan, severance agreement or any other agreement or arrangement providing for remuneration or benefits to current or former employees of Seller or their dependents. Except as disclosed to Buyer in writing, Seller does not have any liability to any person presently or formerly employed by it in connection with the operations of its business for any arrears in wages, salaries, deferred compensation, supplemental retirement income, overtime pay, vacation, time off, or pay in lieu of vacation or time off (other than for normal wage accruals with respect to the Seller's current pay period) or for any other payments or penalties for failure to comply with any statute, law, rule, regulation or agreement relating to or affecting the Business, nor is there any basis known to Seller for any such liability.

D. **"Exhibit F"** attached hereto contains all leases and/or contracts that affect the Business or Assets which are being assigned to Buyer, and there exists no event of default and no event, occurrence, condition or act has occurred which, with the giving of notice or the lapse of time or both would become a default under any of the leases or contracts identified. Seller has not violated any of the terms or conditions under any of the leases or contracts, and all of the terms, conditions and covenants to be performed by any other party under any such lease or sublease have been fully performed. Seller agrees to assign the leases and/or contracts disclosed on **"Exhibit F"** to Buyer at Closing. Buyer shall assume no liability and shall not assume any contract or lease of Seller unless such is listed in **"Exhibit F"**.

E. No civil, criminal, administrative or other suit, action, decree, arbitration or legal, administrative or other proceeding, controversy or investigation ("Litigation") is pending or, to the best of seller's knowledge, threatened against the Seller or any of its property, assets or rights which might adversely affect the Business or the financial or other condition of the Seller or any of the Assets or which would prevent the execution and delivery of this Agreement by the Seller or prevent consummation of the transactions contemplated by this Agreement. For the purposes of this Agreement, any individual shall be deemed to have knowledge of a particular fact or other matter if (a) such individual is actually aware of such fact or other matter or (b) a prudent individual would reasonably be expected to discover or otherwise become aware of such fact or other matter after reasonable investigation. Seller is not subject to nor in default with respect to any order, writ, injunction, judgment or decree of any federal, state, local or foreign court, department, agency or instrumentality, or any settlement of any Litigation, nor has the time period of the Seller's compliance with respect to any of the same been extended or stayed. Seller is not presently a party to any legal action to recover moneys due to, or damages sustained by, the Seller in respect of the Business or the Assets of the Seller except as disclosed above.

F. Seller has withheld all amounts required by law or agreement to be withheld from the wages or salaries of its employees, and is not liable for any arrears of wages or any Tax or penalties for failure to comply with the foregoing. The Seller has paid over, and will pay over, to the appropriate governmental agencies or depositories, at the time or times required by law (without any extensions or stays), all "employment taxes" and "withholding taxes" relating to its employees.

G. Seller has conducted its business in compliance with, and to the best of Seller's Knowledge, Seller is not in violation of, applicable laws, ordinances, rules, regulations and orders of federal, state, local and foreign jurisdictions, governments, regulatory bodies and courts (including, without limitation, any and all applicable building, zoning and licensing laws, ordinances, regulations or orders affecting the location, size and function of the Seller's assets, all environmental laws and regulations and any and all applicable laws, regulations, orders, decrees or requirements relating to securities, properties, business, products, advertising, sales or employment practices, terms and conditions of employment, occupational safety, health and welfare, conditions of occupied premises, product safety, liability for civil rights and rights of disabled persons). Seller has not received any claim or notice that the Seller has not complied in all respects in the operation of its business and related properties with such laws, rules, regulations and orders. Seller has all authorizations, licenses, permits and

consents required to be obtained from federal, state, local or foreign authorities with respect to the ownership or use of its assets or the operation of its Business.

H. To the best of Seller's Knowledge, Seller is complying and has complied with all environmental laws and regulations, and no action, suit, proceeding, hearing, investigation, charge, complaint, claim, demand, or notice has been filed or commenced or threatened against it alleging any failure so to comply. Notwithstanding anything contained herein to the contrary, in no event shall interest accrue under this Note or any other agreement now or hereafter given in connection with or as security for this Note at a rate in excess of the highest applicable rate permitted by law and if interest (including any charge or fee held to be interest by a court of competent jurisdiction) in excess thereof shall be due or paid, any such excess shall constitute a payment and be applied to the principal hereof.

Successor Interests. The terms of this Note shall be binding upon Borrower, and upon Borrower's successors and assigns, and shall inure to the benefit of the Lender and its personal representatives, trustees, successors and assigns.

Integration. This Note and the other Loan Documents constitute the sole agreement of the parties with respect to the transaction contemplated hereby and supersede all oral negotiations and prior writings with respect thereto.

No Implied Waiver. Lender shall not be deemed to have modified or waived any of its rights or remedies hereunder unless such modifications or waiver is in writing and signed by Lender, and then only to the extent specifically set forth therein. A waiver in one event shall not be construed as continuing or as a waiver of or bar to such right or remedy in a subsequent event. After any acceleration of, or the entry of any judgment on, this Note, the acceptance by Lender of any payments by or on behalf of Borrower on account of the indebtedness evidenced by this Note shall not cure or be deemed to cure any Default or reinstate or be deemed to reinstate the terms of this Note absent an express written agreement duly executed by Lender and Borrower.

The liability of Borrower shall be absolute and unconditional and without regard to the liability of any other party hereto.

Partial Invalidity. The invalidity or unenforceability of any one or more provisions of this Note shall not render any other provisions invalid or unenforceable. In lieu of any invalid or unenforceable provision, there shall be added automatically a valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible.

Binding Effect. The covenants, conditions, waivers, releases, and agreements contained in this

Modifications. This Note may not be supplemented, extended, modified or terminated except by an agreement in writing signed by the party against whom enforcement of any such waiver, change, modification or discharge is sought.

Severability. If any provision of this Note or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Note and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

SECURITY AGREEMENT

Exhibit I

THIS SECURITY AGREEMENT (this “Agreement”), is made and entered into as of this ____ day of January, 2023, by and between **Ozarks Clean Water Company**, a Missouri non-profit Corporation, (“OCWC”), and **Garah F. Helms, Co-Trustee of the Rick and Janet Helms Revocable Trust dated 8/29/2014** (“Helms”).

RECITALS:

WHEREAS, OCWC and Helms are parties to that certain Promissory Note dated of even date herewith (as amended, restated, supplemented or modified from time to time, the “Note;” unless otherwise defined herein, capitalized terms are used herein as defined in the Note); and

WHEREAS, in consideration of the extension of credit and other financial accommodations provided by Helms to OCWC as set forth in the Note, OCWC has agreed to secure its obligations under the Note as set forth herein.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Pledge.** As security for the payment and performance by OCWC of the Obligations (as defined herein), OCWC hereby grants, pledges and collaterally assigns to Helms a first priority security interest in all of OCWC’s right, title and interest in, to and under the following property, whether now owned by or owing to, or hereafter acquired by or arising in favor of OCWC, wherever located (collectively, the “Collateral”) that was purchased by OCWC from Foxfire Utility Company, Inc.:

(a) The Accounts Receivable of OCWC relating to the former customers of Foxfire Utility Company, Inc. (the “Pledged Interests”), and all distributions, cash, instruments and other property or proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Pledged Interests, including, but not limited to, any subscription rights, new certificates (if any), new membership interest, additions, renewals, replacements, amendments or other rights that are now or hereafter declared, issued, paid or distributed or that are now or hereafter payable or distributable with respect to the Pledged Interests;

(b) Any subscription or other rights or options issued in connection with the Pledged Interests, and, if exercised by OCWC, all new membership interests or other securities so acquired by OCWC in connection with the Pledged Interests, which shall immediately be assigned and delivered to Helms and held under the terms of this Agreement in the same manner as the

Pledged Interests originally pledged hereunder; and

(c) Any and all proceeds and products, whether tangible or intangible, direct or indirect, of any of the foregoing.

2. **Security for Obligation.** This Agreement and the Collateral secure the prompt payment, in full when due, whether at stated maturity, or by acceleration or otherwise, and performance of the Note and the obligations thereunder (the “Obligation”).

3. **Delivery of Collateral.** If the Collateral is ever certificated, all certificates representing or evidencing the Collateral shall be delivered to and held by or on behalf of Helms pursuant hereto, and shall be accompanied by duly executed, undated instruments of transfer or assignment endorsed in blank, all in form and substance satisfactory to Helms. In addition, if applicable, Helms shall have the right at any time to exchange certificates or instruments representing or evidencing the Collateral for certificates or instruments of smaller or larger denominations.

4. **Representations and Warranties of OCWC.** OCWC hereby represents and warrants to Helms (which representations and warranties shall survive the execution and delivery of this Agreement and the making of the loans under the Note) as follows:

(a) OCWC has good and valid title to all of the Collateral, free and clear of all liens and other encumbrances (except for statutory liens and except as expressly contemplated by this Agreement), and OCWC hereby represents and warrants that she has the requisite authority to pledge, assign and transfer the Collateral to Helms as provided herein, and shall have such authority with respect to any substituted or replacement collateral. As of the date hereof, there are no existing options, warrants, calls or commitments of any character whatsoever relating to the Collateral presently owned by OCWC.

(b) The execution, delivery and performance by OCWC of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized. This Agreement has been duly executed and delivered by OCWC and constitutes the legal, valid and binding obligation of OCWC, enforceable against OCWC in accordance with its terms, subject to the effect of any applicable bankruptcy, moratorium, insolvency, reorganization or other similar law affecting the enforceability of creditors' rights generally and to the effect of general principles of equity which may limit the availability of equitable remedies (whether in a proceeding at law or in equity).

5. **Covenants of OCWC.** OCWC hereby covenants that, until such time as the obligations have been satisfied and paid in full, OCWC, at its own expense, shall perform and observe each and all of the following covenants:

(a) OCWC shall maintain and defend the title to the Collateral and the liens of Helms thereon and shall not create, incur or assume any pledge, security interest, encumbrance, lien or charge of any kind against the Collateral (including on any unpaid dividends or other distributions or payments with respect to the Collateral) or OCWC's rights as holder thereof (other than pursuant to this Agreement and the Note).

(b) OCWC, at its expense, shall promptly execute, acknowledge and deliver all such instruments and take all such action as Helms from time to time may reasonably request to perfect and protect the lien granted or purported to be granted hereby or to enable Helms to exercise and enforce his rights and remedies hereunder with respect to the Collateral.

6. **Remedies.** Upon the occurrence of an Event of Default, Helms may exercise any and all rights of a secured party under the Uniform Commercial Code, as adopted and in effect in the State of Missouri (the "UCC") (whether or not the UCC applies to the affected collateral), under applicable law, or as otherwise herein provided. Without limiting the foregoing, upon the occurrence of an Event of Default, Helms is authorized and empowered (a) to transfer and register in his name or in the name of his nominee the whole or any part of the Collateral; (b) to collect and receive all cash dividends and other distributions made thereon; and (c) exercise as to such Collateral all the rights, powers and remedies of an owner. All cash proceeds received by Helms in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of Helms, be held by Helms as collateral for, and/or then or at any time thereafter (after payment of any amounts payable to Helms) be applied in whole or in part by Helms against all or any part of the Obligations in accordance with the terms of the Note. Any surplus of such cash or cash proceeds held by Helms and remaining after payment in full of all the Obligations shall be paid over to OCWC or to whomsoever may be lawfully entitled to receive such surplus. OCWC agrees that she shall not interfere with any right, power and remedy of Helms provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise, or the exercise or beginning of the exercise by Helms of any one or more of such rights, powers, or remedies hereunder.

7. **Expenses.** OCWC shall pay all reasonable and actual out-of-pocket costs and expenses (including reasonable attorneys' fees and allocated fees of in-house counsel) incurred by Helms in connection with the enforcement or protection of his rights in connection with this Agreement and the Note, including all out-of-pocket expenses and attorneys' fees incurred during any workout, restructuring or related negotiations. All amounts due under this Section shall be payable immediately after written demand therefor.

8. **Hold Harmless.** OCWC will hold harmless Helms, and his agents and representatives, from and against any and all claims, liabilities, investigations, losses, damages, actions, and demands by any party against Helms or any of them resulting from any breach or alleged breach by OCWC of any representation or warranty made hereunder, or otherwise arising

out of this Agreement, unless, with respect to any of the above, Helms is judicially determined to have acted with willful misconduct. This **Section 10** shall survive termination of this Agreement.

9. **Limitation on Helms's Duty in Respect of Collateral.** Helms shall use commercially reasonable care with respect to the Collateral in his possession or under his control. The powers conferred on Helms hereunder are solely to protect his interest in the Collateral and shall not impose any duty upon him to exercise any such powers. Except for the safe custody of any Collateral in his possession and the accounting for monies actually received by him hereunder, Helms shall have no duty as to any Collateral or any income thereon, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not Helms has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral.

10. **Security Interest Absolute.** All rights of Helms and security interests hereunder, and all obligations of OCWC hereunder, shall be absolute and unconditional irrespective of: (a) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from this Agreement or the Note, including any increase in the Obligations; (b) any taking, exchange, release or non-perfection of any other collateral, or any taking, release or amendment or waiver of or consent to departure from any guaranty, for the Obligations; or (c) any manner of application of collateral, or proceeds thereof, to all or any of the Obligations, or any manner of sale or other disposition of any collateral for all or any part of the Obligations or any other assets of OCWC.

11. **Termination.** This Agreement shall continue in full force and effect until full performance and indefeasible payment in full in cash or good federal funds of all Obligations. Notwithstanding any other provision of this Agreement or the Note, no termination of this Agreement shall affect Helms's rights or any of the Obligations existing as of the effective date of such termination until the Obligations have been fully performed and indefeasibly paid in cash or good federal funds in full. The liens granted to Helms hereunder and any financing statements filed pursuant hereto and the rights and powers of Helms hereunder shall continue in full force and effect until all of the Obligations (other than contingent indemnification obligations to the extent no claim giving rise thereto has been asserted) have been fully performed and indefeasibly paid in full in cash.

12. **Severability.** If any provision or any part of any provision of this Agreement shall be determined to be invalid, unenforceable or illegal for any reason, such provision shall be entirely severable from, and shall have no effect upon, the remainder of this Agreement. Any such invalid, unenforceable or illegal provision shall be subject to partial enforcement to the extent necessary to protect the intent of the parties hereto. The parties further agree to alter the balance of this Agreement in order to render the same valid and enforceable.

13. **No Waiver; Cumulative Remedies.** Neither OCWC nor Helms shall by any act, delay, omission or otherwise be deemed to have waived any of their rights or remedies hereunder, and no waiver shall be valid unless in writing, signed by such waiving party, and then only to the extent therein set forth. A waiver by OCWC or Helms, as the case may be, of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which OCWC or Helms would otherwise have on any future occasion. No failure to exercise, or any delay in exercising on the part of any OCWC or Helms, any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights or remedies provided under any agreement, including the Note, or by operation of law or otherwise.

14. **Waivers.** None of the terms or provisions of this Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by the parties hereto. OCWC hereby waives: (a) notice of acceptance of this Agreement by Helms; (b) notice of presentment, protest and notice of dishonor or non-payment as to the Note or any other instrument that evidences the indebtedness, except to the extent provided herein or in the Note; and (c) notice of any acceleration of the Note, except as provided herein or in the Note. OCWC further waives any right OCWC may have, by statute or otherwise, to require that Helms seek recourse first against any other person, or to realize upon any collateral for the Obligations other than the Collateral, as a condition precedent to enforcing Helms's lien, security interest and security title under this Agreement in the Collateral.

15. **Notices.** All notices and other communications under this Agreement must be in writing. Such notices shall be deemed to have been given if delivered personally, sent by facsimile (with confirmation), mailed by certified mail, or delivered by an overnight delivery service (with confirmation) to the parties at the addresses or facsimile numbers (or at such other address or facsimile number as the Party may designate by like notice to the other Party) shown on the signature page hereof. Any notice or other communication shall be deemed given (a) on the date of personal delivery, (b) at the expiration of the third day after the date of deposit in the U.S. mail, or (c) on the date of confirmed delivery by facsimile or overnight delivery service.

16. **Entire Agreement; Amendment.** This Agreement, the Note, and the other documents and instruments referred to herein and therein and to be delivered pursuant hereto and thereto constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof. No amendment, modification or alteration of the terms or provisions of this Agreement shall be binding unless the same shall be in writing and duly executed by the parties hereto.

17. **Successors and Assigns.** This Agreement shall bind OCWC and its successors and assigns and shall inure to the benefit of and be enforceable by Helms and Helms’s heirs, executors, successors and assigns, provided that OCWC shall not have the right to assign its rights or obligations hereunder or any interest herein without the prior written consent of Helms. Any such purported assignment by OCWC without Helms's written consent shall be void.

18. **Governing Law and Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Missouri, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any other jurisdiction and jurisdiction for any disputes hereunder shall lie with the Circuit Court of Greene County, Missouri.

IN WITNESS WHEREOF, this Agreement has been executed by each of the undersigned under seal as of the date and year first above written.

DEED OF TRUST

1. **THE PARTIES.** This Deed of Trust is entered into and effective this ____ day of _____, 2023, by and among OZARKS CLEAN WATER COMPANY a Missouri non-profit corporation, (hereinafter “Grantor”), with a mailing address of _____, Christiaan D. Horton (hereinafter “Trustee”), with a mailing address of 2805 S. Ingram Mill Road, Springfield, Missouri 65804, and Garah F. Helms, Co-Trustee of the Rick and Janet Helms Revocable Trust dated 8/29/2014 (hereinafter collectively “Lender” or “Grantee”), with a mailing address of: _____.

2. **CONVEYANCE.** For good and valuable consideration, the receipt and sufficiency of which is acknowledged, and to secure the Secured Debt (defined below) and Grantor's performance under this Deed of Trust, Grantor irrevocably grants, bargains, sells and conveys to Trustee, in trust for the benefit of Lender, with power of sale, all his interest in the property described below, generally consisting of approximately ____ acres, more or less, located in Stone County, Missouri and as more particularly described as:

[See Exhibit A Legal Description]

Together with all rights, easements, appurtenances, and all existing and future improvements, structures, fixtures, and replacements that may now, or at any time in the future, be part of the real estate described above (all referred to as “Property”).

3. **MAXIMUM OBLIGATION LIMIT.** The total principal amount secured by this Deed of Trust at any one time shall not exceed One Million Two Hundred Five Thousand Dollars U.S. (\$1,205,000.00). This limitation of amount does not include interest and other fees and charges validly made pursuant to this Deed of Trust. Also, this limitation does not apply to advances made under the terms of this Deed of Trust to protect Lender's security and to perform any of the covenants contained in this Deed of Trust.

4. **DEBT SECURED.** The term “Secured Debt” as used herein shall mean:
 - A. Debt incurred under the terms of that certain Promissory Note of even date herewith in the principal amount of One Million Two Hundred Forty-Five Thousand Dollars U.S. (\$1,245,400.00) (the terms of the Promissory Note being expressly incorporated by reference herein).

 - B. All additional sums advanced and expenses incurred by Lender for insuring, preserving or otherwise, protecting the Property and its value and any other sums advanced and expenses incurred by Lender under the terms of this Deed of Trust.

5. **ASSURANCE OF PAYMENT.** Grantor agrees that all payments under the Secured Debt will be paid when due and in accordance with the terms of the Secured Debt and this Deed of Trust. Once full payment is made of all Secured Debt, this Deed of Trust shall be immediately released.

6. **WARRANTY OF TITLE and NO MERGER.** Grantor warrants that Grantor is or will be lawfully seized of the estate conveyed by this Deed of Trust to the extent that Foxfire Utility Company, Inc., conveyed marketable title to Grantor, and has the right to irrevocably grant, convey and sell the Property to Trustee, in trust, with power of sale. Grantor also warrants that the Property is unencumbered, except for encumbrances of record as of the date of this instrument.

7. **PRIOR SECURITY INTERESTS.** Grantor warrants and affirms that there is no other mortgage, deed of trust, security agreement or other lien document that created a prior security interest or encumbrance on the Property prior to this Deed of Trust.
8. **DEFENSE OF TITLE.** Grantor will pay all taxes, assessments, liens, encumbrances, lease payments, ground rents, utilities, and other charges relating to the Property when due. Lender may require Grantor to provide to Lender copies of all notices that such amounts are due and the receipts evidencing Grantor's payment. Grantor will defend title to the Property against any claims that would impair the lien of this Deed of Trust. Grantor agrees to assign to lender, as requested by Lender, any rights, claims or defenses Grantor may have against parties who supply labor or materials to maintain or improve the Property.
9. **DUE ON SALE OR ENCUMBRANCE.** Lender, may, at its option, declare the entire balance of the Secured Debt to be immediately due and payable upon the creation of, or contract for the creation of, any lien or encumbrance, or the transfer or sale of the Property. This right is subject to the restrictions imposed by federal law (12 C.F.R. 591), as applicable. This covenant shall run with the Property and shall remain in effect until the Secured Debt is paid in full and this Deed of Trust is released.
10. **TRANSFER OF AN INTEREST IN THE GRANTOR.** If the Grantor is an entity other than a natural person (such as a corporation or other organization), Lender may demand immediate payment if:
- A. A beneficial interest in Grantor is sold or transferred,
 - B. There is a change in either the identity or number of members of a partnership or similar entity,
 - C. There is a change in ownership of more than 25 percent of the voting stock of a corporation or similar entity.
- However, Lender may not demand payment in the above situations if it is prohibited by law as of the date of this Security Instrument.
11. **ENTITY WARRANTIES AND REPRESENTATIONS.** If Grantor is an entity other than a natural person (such as a corporation or other organization), Grantor makes to Lender the following warranties and representations which shall continue as long as the Secured Debt remains outstanding:
- A. Grantor is duly organized and validly existing in the Grantor's state of incorporation or organization. Grantor is in good standing in all states in which Grantor transacts business. Grantor has the power and authority to own the Property and to carry on its business as now being conducted and, as applicable, is qualified to do so in each state in which Grantor operates.
 - B. The execution, delivery and performance of this Security Instrument by Grantor and the obligation evidenced by the Secured Debt are within the power of Grantor, have been duly authorized, have received all necessary governmental approval, and will not violate any provision of law, or order of court or governmental agency.
 - C. Other than previously disclosed in writing to Lender, Grantor has not changed its name within the last ten (10) years and has not used any other trade or fictitious name. Without Lender's prior written consent, Grantor does not and will not use any other name and will preserve its existing name, trade names and franchises until the Secured Debt is satisfied.
12. **PROPERTY CONDITION.** Grantor will keep the Property in good condition and make all repairs that are reasonably necessary. Grantor shall not commit or allow any waste, impairment, or deterioration of the Property. Grantor will keep the Property free of noxious weeds and grasses. Grantor agrees that the nature of the occupancy and use will not substantially change without Lender's prior written consent. Grantor will not permit any change in any license, restrictive covenant or easement without Lender's prior written consent. Grantor will notify Lender of all demands, proceedings, claims, and actions against Grantor, and of any loss or damage to the Property.

No portion of the Property will be removed, demolished or materially altered without Lender's prior written consent except that Grantor has the right to remove items of personal property comprising a part of the Property that become worn or obsolete, provided that such personal property is replaced with other personal property at least equal in value to the replaced personal property, free from, any title retention device, security agreement or other encumbrance. Such replacement of personal property will be deemed subject to the security interest created by this Deed of Trust and Grantor shall not partition or subdivide the Property without Lender's prior written consent.

Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property. Lender shall give Grantor notice at the time of or before an inspection specifying a reasonable purpose for the inspection. Any inspection of the Property shall be entirely for Lender's benefit and Grantor will in no way rely on Lender's inspection.

13. **AUTHORITY TO PERFORM.** If Grantor fails to perform any duty or any of the covenants contained in this Deed of Trust, Lender may, without notice, perform or cause them to be performed. Grantor appoints Lender as attorney in fact to sign Grantor's name or pay any amount necessary for performance. Lender's right to perform for Grantor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Deed of Trust. If any construction on the Property is discontinued or not carried on in a reasonable manner, Lender may take all steps necessary to protect Lender's security interest in the Property, including completion of the construction.
14. **ASSIGNMENT OF LEASES AND RENTS.** Grantor irrevocably assigns, grants, bargains and conveys to Lender as additional security all the right, title and interest in the following:
- A. Existing or future leases, subleases, licenses, guaranties and any other written or verbal agreements for the use and occupancy of the Property, including but not limited to, any extensions, renewals, modifications or replacements (Leases).
 - B. Rents, issues and profits, including but not limited to, security deposits, minimum rents, percentage rents, additional rents, common area maintenance charges, parking charges, real estate taxes, other applicable taxes, insurance premium contributions, liquidated damages following default, cancellation premiums, "loss of rents" insurance, guest receipts, revenues, royalties, proceeds, bonuses, accounts, contract rights, general intangibles, and all rights and claims which Grantor may have that in any way pertain to or are on account of the use or occupancy of the whole or any part of the Property (Rents).

In the event any item listed as Leases or Rents is determined to be personal property, this Assignment will also be regarded as a security agreement.

Grantor will promptly provide Lender with copies of the Leases and will certify these Leases are true and correct copies. The existing Leases will be provided on execution of the Assignment, and all future Leases and any other information with respect to these Leases will be provided immediately after they are executed. Grantor may collect, receive, enjoy and use the Rents so long as Grantor is not in default. Grantor will not collect in advance any Rents due in future lease periods, unless Grantor first obtains Lender's written consent. Upon default, Grantor will receive any Rents in trust for Lender and Grantor will not commingle the Rents with any other funds. When Lender so directs, Grantor will endorse and deliver any payments of Rents from the Property to Lender. Amounts collected will be applied at Lender's discretion to the Secured Debts, the costs of managing, protecting and preserving the Property, and other necessary expenses. Grantor agrees that this Deed of Trust is immediately effective between Grantor and Lender. This Deed of Trust will remain effective during any statutory redemption period until the Secured Debts are satisfied. Unless otherwise prohibited or prescribed by state law, Grantor agrees that Lender may take actual possession of the Property without the necessity of commencing any legal action or proceeding. Grantor agrees that actual possession of the Property is deemed to occur when Lender notifies Grantor of Grantor's default and demands that Grantor and Grantor's tenants pay all Rents due or to become due directly to Lender. Immediately after Lender gives Grantor the notice of default, Grantor agrees that either Lender or Grantor may immediately notify the tenants and demand that all future Rents be paid directly to Lender.

As long as this Assignment is in effect, Grantor warrants and represents that no default exists under the Leases, and the parties subject to the Leases have not violated any applicable law on leases, licenses and landlords and tenants. Grantor, at its sole cost and expense, will keep, observe and perform, and require all other parties to the Leases to comply with the Leases and any applicable law. If Grantor or any party to the Lease defaults or fails to observe any applicable law, Grantor will promptly notify Lender. If Grantor neglects or refuses to enforce compliance with the terms of the Leases, then Lender may, at Lender's option, enforce compliance.

Grantor will not sublet, modify, extend, cancel, or otherwise alter the Leases, or accept the surrender of the Property covered by the Leases (unless the Leases so require) without Lender's consent. Grantor will not assign, compromise, subordinate or encumber the Leases and Rents without Lender's prior written consent. Lender does not assume or become liable for the Property's maintenance, depreciation, or other losses or damages when Lender acts to manage, protect, or preserve the Property, except for

losses and damages due to Lender's gross negligence or intentional torts. Otherwise, Grantor will indemnify Lender and hold Lender harmless for all liability, loss or damage that Lender may incur when Lender opts to exercise any of its remedies against any party obligated under the Leases.

15. **DEFAULT.** Grantor will be in default if any of the following occur:
- A. Any party obligated on the Secured Debt fails to make payment when due;
 - B. A breach, of any term or covenant in this Deed of Trust or any other document executed for the purpose of creating, securing or guarantying the Secured Debt;
 - C. The making or furnishing of any verbal or written representation, statement or warranty to Lender that, is false or incorrect in any material respect by Grantor or any person or entity obligated on the Secured Debt;
 - D. The death, dissolution, or insolvency of, appointment of a receiver for, or application of any debtor relief law to Grantor or any other person or entity obligated on the Secured Debt;
 - E. A good faith belief by Lender at any time that Lender is insecure with respect to any person or entity obligated on the Secured Debt or that the prospect of any payment is impaired or the value of the Property is impaired; or
 - F. A material adverse change in Grantor's business including ownership, management, and financial conditions, which Lender in its opinion believes impairs the value of the Property or repayment of the Secured Debt.

16. **REMEDIES ON DEFAULT.** In some instances, federal and state law will require Lender to provide Grantor with notice of the right to cure, or other notices and may establish time schedules for foreclosure actions. Subject to these limitations, if any, Lender may accelerate the Secured Debt and foreclose this Deed of Trust in a manner provided by law if Grantor is in default.

At the option of Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. In addition, Lender shall be entitled to all the remedies provided by law, the terms of the Secured Debt, this Deed of Trust and any related documents, including without limitation, the power to sell the Property. If there is a default, Trustee shall, in addition to any other permitted remedy, at the request of the Lender, advertise and sell the Property as a whole or in separate parcels at public auction to the highest bidder for cash and convey absolute title free and clear of all right, title and interest of Grantor at such time and place as Trustee designates. Trustee shall give notice of sale including the time, terms and place of sale and a description of the Property to be sold, as required by the applicable law in effect at the time of the proposed sale. Upon sale of the Property and to the extent not prohibited by law, Trustee shall make and deliver a deed to the Property sold which conveys absolute title to the purchaser, and after first paying all fees, charges and costs, shall pay to Lender all moneys advanced for repairs, taxes, insurance, liens, assessments and prior encumbrances and interest thereon, and the principal and interest on the Secured Debt, paying the surplus, if any, to Grantor. Lender may purchase the Property. The recitals in any deed of conveyance shall be prima facie evidence of the facts set forth therein.

All remedies are distinct, cumulative and not exclusive, and the Lender is entitled to all remedies provided at law or equity, whether or not expressly set forth. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require full and complete cure of any existing default. By not exercising any remedy on Grantor's default, Lender does not waive Lender's right to later consider the event a default if it continues or happens again.

17. **EXPENSES AND COLLECTION COSTS.** Except when prohibited by law, Grantor agrees to pay all of Lender's expenses if Grantor breaches any covenant in this Deed of Trust. Grantor will also pay on demand any amount incurred by Lender for insuring, inspecting, preserving or otherwise protecting the Property and Lender's security interest. These expenses will bear interest from the date of the payment until paid in full at the highest interest rate in effect as provided in the terms of the Secured Debt. Grantor agrees to pay all costs and expenses incurred by Lender in collecting, enforcing or protecting Lender's rights and remedies under this Deed of Trust. This amount may include, but is not limited to, attorneys' fees, court costs, and other legal expenses. This Deed of Trust shall remain in effect until released. Grantor agrees to pay for any recordation costs of such release.
18. **CONDEMNATION.** Grantor will give Lender prompt notice of any pending or threatened action, by private or public entities to purchase or take any or all of the Property through condemnation, eminent domain, or any other means. Grantor authorizes Lender to intervene in Grantor's name in any of the above described actions or claims. Grantor assigns to Lender the proceeds of any award or claim for damages

connected with a condemnation or other taking of all or any part of the Property. Such proceeds shall be considered payments and will be applied as provided in this Deed of Trust. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

19. **INSURANCE.** Grantor agrees to maintain insurance as follows:
- A. Grantor shall keep the Property insured against loss by fire, flood, theft and other hazards and risks reasonably associated with the Property due to its type and location. This insurance shall be maintained in the amounts and for the periods that Lender requires. What Lender requires pursuant to the preceding two sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Grantor subject to Lender's approval, which shall not be unreasonably withheld. If Grantor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Deed of Trust. All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "loss payee clause." Grantor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals. If Lender requires, Grantor shall immediately give to Lender all receipts of paid premiums and renewal notices. Upon loss, Grantor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Grantor. Unless otherwise agreed in writing, all insurance proceeds shall be applied to restoration or repair of the Property or to the Secured Debt, whether or not then due, at Lender's option. Any application of proceeds to principal shall not extend or postpone the due date of scheduled payment nor change the amount of any payments. Any excess will be paid to the Grantor. If the Property is acquired by Lender, Grantor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt immediately before the acquisition.
- B. Grantor agrees to maintain comprehensive general liability insurance naming Lender as an additional insured in an amount acceptable to Lender, insuring against claims arising from any accident or occurrence in or on the Property.
20. **ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Grantor will not be required to pay to Lender funds for taxes and insurance in escrow.
21. **APPLICABLE LAW; SEVERABILITY; INTERPRETATION.** This Security Instrument is governed by §443.055 of the Revised Statutes of Missouri and the laws of the State of Missouri, except to the extent otherwise required by the laws of the jurisdiction where the Property is located. This Security Instrument is complete and fully integrated. This Security Instrument may not be amended or modified by oral agreement. Any section in this Security Instrument, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section of this Security Instrument cannot be enforced according to its terms, that section will be severed and will not affect the enforceability of the remainder of this Security Instrument. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Security Instrument are for convenience only and are not to be used to interpret or define the terms of this Security Instrument. Time is of the essence in this Security Instrument.
22. **SUCCESSOR TRUSTEE.** Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee without any other formality than the designation in writing. The successor trustee, without conveyance of the Property, shall succeed to all the title, power and duties conferred upon Trustee by this Deed of Trust, and applicable law.
23. **LEASE OF THE PROPERTY.** Trustee hereby leases the Property to Grantor until this Security Instrument is either satisfied and released or until there is a default under the provisions of this Security Instrument. This Property is leased upon the following terms and conditions: Grantor, and every person claiming an interest in or possessing the property or any part of it, shall pay rent during the term of the lease of one cent per month, payable on demand, and without notice or demand shall and will surrender peaceable possession of the Property to Trustee upon default or to the purchaser of the Property at the foreclosure sale.
24. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Deed of Trust, or to any other address designated in writing. Notice to one grantor will be deemed to be notice to all grantors.
