Callaway Counties, Missouri.	)	

MOTION TO ACCEPT CORRECTION TO PREFILED TESTIMONY

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "Company") and hereby files its *Motion to Accept Correction to Prefiled Testimony* regarding the prefiled testimony of Ameren Missouri witness John Dunham. In support of said Motion, Ameren Missouri states:

1. Witness Dunham's prefiled testimony included Schedule JD-D1 titled Burns McDonnell Ameren Missouri Montgomery-Callaway Connector Project Routing Study Project No.171065, dated June 10, 2025. Appendix D, titled Public Involvement Report, begins on page 81 of Schedule JD-D1 as filed on November 10, 2025.

2. Appendix D was inadvertently included in witness Dunham's schedule. Community engagement is discussed in the prefiled testimony of Ameren Missouri witness Leah Dettmers. Additionally, Appendix D as originally filed contains confidential information under 20 CSR 4240-2.135(2)(A)5.

3. Ameren Missouri has corrected this error in the attached Schedule JD-D1 and with this Motion seeks leave to file the corrected version of Schedule JD-D1.

4. While not a pleading, 20 CSR 4240-2.080 (18) suggests that corrections to prefiled testimony may be made by leave of the Commission.

5. The corrected schedule in no way alters the conclusions made in witness Dunham's

testimony.

WHEREFORE, Ameren Missouri requests the Commission grant its Motion to Accept Correction to Prefiled Testimony and allow the attached corrected Schedule JD-D1.

Respectfully submitted,

/s/ Jennifer L. Hernandez
