ORDER CONSOLIDATING CASES AND SETTING A WEBEX PROCEDURAL CONFERENCE

Issue Date: October 16, 2026

Effective Date: October 16, 2026

On August 7, 2026, Complainants, Mark A. Hill and Bethann C. Hill (Hills), filed a motion to consolidate this complaint with several closed and finally appealed complaints. Evergy Missouri West, Inc. d/b/a Evergy Missouri West (Evergy West) filed a response opposing consolidation with prior closed complaints because the subject project of the complaint has changed and the prior complaints have been fully appealed. Evergy West is correct and those prior complaints will not be resurrected for the purpose of consolidating them with the Hill's complaint. However, after the Hills' complaint was filed, several similar

complaints¹ were also filed alleging that Evergy West's current Fayetteville Transmission Project (Fayetteville Project) violates the same Commission rule and order alleged in the Hills' complaint.

Commission Rule 20 CSR 4240-2.110(3) permits the Commission to consolidate cases that involve related questions of law or fact. These cases involve the same Respondent, alleged violations, and the Fayetteville Project. Accordingly, the Commission will consolidate these cases.

The Commission will hold a procedural conference to address who should remain a party to this complaint, and whether parties should be dismissed from this complaint. There are pending discovery motions that are better addressed after determining the appropriate parties to this complaint.

The Commission will also discuss the filing of a proposed procedural schedule.

THE COMMISSION ORDERS THAT:

1. The Hills' motion to consolidate this complaint with prior closed complaints is denied.
2. Case Nos. EC-2027-0056, EC-2027-0058, EC-2027-0065, EC-2027-0067, EC-2027-0068, EC-2027-0069, and EC-2027-0070 are consolidated into Case No. EC-2026-0350, with Case No. EC-2026-0350 being the lead case.

¹ Case Nos. EC-2027-0056, EC-2027-0058, EC-2027-0065, EC-2027-0067, EC-2027-0068, EC-2027-0069, and EC-2027-0070.

3. The parties shall appear at a WebEx procedural conference on October 21, 2026, at 3:00 p.m. The WebEx meeting number is 2869 910 1031. The telephone number to participate is 1-650-479-3207, and the password to attend is 0350.

4. This order shall be effective when issued.
