## ORDER DIRECTING THE FILING OF A JOINT ISSUES STATUS PLEADING AND SETTING TIME FOR OBJECTIONS TO COMMISSION EXHIBITS

Issue Date: October 27, 2026 Effective Date: October 27, 2026

Six nonunanimous stipulations and agreements (Agreements) were filed in this general rate case, which attempted to resolve specific disputed issues. At least three of those Agreements were objected to and are position statements that no party is bound by, and the other Agreements have not yet been addressed by the Commission.

Some issues in the Agreements appear to be addressed in multiple Agreements and other issues (Such as PISA and transmission costs) appear interdependent. The Commission seeks clarity on the status of the issues. The Commission will direct the parties to file a joint list noting the status of each issue in this case. The joint issues list must include: The issue, whether the issue is addressed within the Agreements and which stipulation and agreement addresses that issue, how that issue is addressed by a stipulation and agreement, and what parties have objected to how the issue is addressed in the Agreements.

The Commission would also like to take official notice of the transcript from the October 13, 2026, on-the-record presentation. Similarly, the Commission would like to take the Agreements into evidence as exhibits. The Commission will set a time for objections to

the Commission taking official notice of the transcripts or objections to the admission of the Agreements into the hearing record.

**THE COMMISSION ORDERS THAT:**

1. The parties must file a joint list of issues as set forth in the body of this order no later than November 6, 2026.

2. Any objections to the Commission taking official notice of the transcript of the on-the-record presentation, or any objections to the Commission admitting the Agreements into evidence must be filed no later than November 6, 2026.
