NOTICE OF REJECTED FILINGS

Issue Date: November 2, 2026

On October 19, 2026, Brett Felber (Complainant) filed a complaint (Complaint) with the Commission against Spire Missouri Inc. d/b/a Spire. On October 30, 2026, Complainant submitted three items for filing. This Notice explains why they were rejected.

Submission 1 - *Response and Memorandum Citing Precise Commission Rules, Regulations, and Tariffs Defining "Customer," and Opposing Mischaracterization in Motion to Dismiss*

Complainant submitted the above-titled document (Response). The Response stated that it is responding to Spire's motions to dismiss and to Staff's *Motion in Support of Dismissal*; however, Complainant already filed responses to those motions.[1] The Response reargues the Complainant's positions as set forth in his previously filed responses to Spire

[1] On October 23, 2026, Complainant responded to Spire's motions to dismiss within a few hours of Spire's filing. Similarly, on October 30, 2026, Complainant filed his response to Staff's *Motion in Support of Dismissal* approximately two hours after Staff's pleading was filed.

and Staff, which was discussed in a prior *Notice of Rejected Filings*.[2] Repetitive filings will be rejected. Additionally, the Response lacks a certificate of service.[3]

For the above reasons and pursuant to 20 CSR 4240-2.080(12), the Complainant's Response was not accepted for filing.

Submission 2 - *Memorandum of Law*

Complainant submitted the above-titled document (Memorandum). Complainant's Memorandum reargues portions of the underlying Complaint and also reargues Complainant's responses to Spire's motions to dismiss and Staff's *Motion in Support of Dismissal*. The Memorandum is not a motion and makes no requests for Commission action.[4] It is better described as additional argument in favor of Complainant's position or evidence that is not yet ripe to be introduced.[5]

For the above reasons and pursuant to 20 CSR 4240-2.080(12), the Complainant's Memorandum was not accepted for filing.

Submission 3 - *Notice Of Filing of Exhibit (Spire Residency / Service Confirmation Letter dated October 23, 2026)*

Complainant submitted the above-titled document (Notice). The Notice repeats arguments made in previous filings of the Complainant, including re-submitting a letter from Spire which was already submitted by Complainant on October 23, 2026, in his filing titled

[2] *Notice of Rejected Filings*, issued October 26, 2026, p. 2, stating that repeated filing of the same pleading violates 20 CSR 4240-2.080(6).
[3] *Notice of Rejected Filings*, issued October 26, 2026, p. 2, stating that a filing is required to include a certificate of service as set forth in 20 CSR 4240-2.080(15), (16), and (17).
[4] *Notice of Rejected Filings*, issued October 22, 2026, p. 2, stating that each pleading is required to include a clear and concise statement of the relief requested, a specific reference to the statutory provision or other authority under which requested, and a concise statement of the facts entitling the party to relief.
[5] *Notice of Rejected Filings*, issued October 22, 2026, p. 2, stating that the Commission cannot consider evidence that Complainant submits which has not been properly admitted during an evidentiary hearing.

Complainant's Reply to Spire's Response and Opposition to Motions to Dismiss. As set forth above and as discussed in prior Commission Notices, repetitive filings will be rejected.

For the above reasons and pursuant to 20 CSR 4240-2.080(12), the Complainant's Notice was not accepted for filing.
