RE: The Empire District Gas Company d/b/a Liberty ("EDG" or the "Company")
Case No. GR-2027-0099

Dear Judge Dippell:

Enclosed for filing please find, in electronic form, the Company's 23rd and 24th Revised Sheet Nos. 62, 63, and 65.

The revised tariff sheets represent EDG's Winter Purchased Gas Adjustment ("PGA") filing for its three PGA service areas and reflects changes in the PGA factors and the Actual Cost Adjustment ("ACA") factors. The Company's PGA tariff at Sheet No. 54 provides that "[a]ny proposed PGA factor change made pursuant to this clause shall become effective only after being on file with the Commission for a period of ten business days." The Company's PGA tariff at Sheet No. 55 further states: "Each PGA filing shall become effective ten business days after the date of the filing, unless the Company has elected a longer notice period, not to exceed thirty days." The enclosed tariff sheets accordingly bear an issue date of November 4, 2026 and a proposed effective date of December 1, 2026, which is longer than ten business days but less than thirty days.

As a result of this filing, for the South service area, the effect of these changes will decrease the firm PGA rate from the current $0.80827 per Ccf (100 cubic feet) to $0.68991 per Ccf. For the North service area, the effect of these changes will increase the firm PGA rate from the current $0.34318 per Ccf to $0.36908 per Ccf. For the Northwest service area, the effect of these changes will increase the firm PGA rate from the current $0.42032 per Ccf to $0.45792 per Ccf.

Please bring this PGA/ACA filing to the attention of the Commissioners and the appropriate Commission personnel, and please contact me with any questions. Thank you for your assistance with this matter.

Respectfully submitted,
