BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

Brett Felber,

Complainant,

v. Case No. GC-2027-0114

Spire Missouri Inc. d/b/a Spire,

Respondent.

AFFIDAVIT OF BRETT FELBER

IN SUPPORT OF MOTION FOR SUMMARY DETERMINATION

I, Brett Felber, being of lawful age and duly sworn upon my oath, state as follows:

1. I am the Complainant in the above-captioned matter and am familiar with the facts set forth herein.

2. I have personal knowledge of the contents of Spire's October 23, 2026 Response to Complainant's Motion for Immediate Restoration of Gas Service and for Production of Documents and Motions to Dismiss filed in this case.

3. In Paragraph 9 of that Response, Spire states: "The technician did not leave a door tag due to already having spoken with an individual at the home about the disconnection and concerns regarding safety if he approached the door to leave a door tag."

4. In Paragraph 12 of that Response, Spire states: "while no door tag was left, the technician made the reasonable decision to not approach the front door to leave a door tag, considering his conversation with the individual about the disconnection and safety concerns."

5. These statements by Spire establish that no door tag/notice was left on the premises when service was discontinued on October 6, 2026, in violation of 20 CSR 4240-13.050(9).

6. I make this affidavit in support of Complainant's Motion for Summary Determination and Memorandum in Support.

Further affiant sayeth not.
