RESPONSE TO COMPLAINANT'S
APPLICATION FOR REHEARING

COMES NOW Respondent, Spire Missouri Inc. ("Spire" or "the Company"), by and through undersigned counsel, and submits this *Response to Complainant's Application for Rehearing,* requesting the Missouri Public Service Commission deny Complainant's application, and stating the following:

1. On October 19, 2026, Brett Felber ("Complainant"), filed a Formal Complaint ("Complaint") with the Missouri Public Service Commission ("Commission"). On October 20, 2026, the Complainant filed his *Motion for Immediate Restoration of Gas Service and for Production of Documents.* On October 23, 2026, the Company filed its *Response to Complainant's Motion for Immediate Restoration of Gas Service and For Production of Documents and Motion to Dismiss*. On October 26, 2026, the Commission issued its *Order Denying Motion for Restoration of Gas Service.* On October 30, 2026, Staff of the Commission ("Staff") filed their *Motion in Support of Dismissal* ("Motion in Support"). On November 5, 2026, the Commission issued its *Order Dismissing Complaint*. On November 5, 2026, Complainant filed his *Application for Rehearing* ("Application").

2. §386.500.1 RSMo., allows for parties to apply for rehearing after an order or decision has been made by the Commission, providing that the Commission grant and hold a rehearing, "if in its judgment sufficient reason therefore be made to appear[.]"

3. It remains Spire's position that the disconnection was proper. However, the Company acknowledges that Complainant has notified the parties to this case as well as the Commission that an agreement has been reached in this matter. Therefore, rehearing is no longer necessary, and, as such, should be denied by the Commission, and this docket should be closed.

WHEREFORE, Respondent respectfully requests that the Commission deny the Application for Rehearing and close this docket.

Respectfully submitted,

/s/ Brendan J. Kloeppel
