NOTICE THAT TARIFFS WERE ALLOWED TO GO INTO EFFECT AND ORDER DIRECTING STAFF REVIEW AND RECOMMENDATION

Issue Date: November 18, 2026 Effective Date: November 18, 2026

On October 29, 2026,[1] Summit Natural Gas of Missouri, Inc. (SNGMO or the Company) filed tariff sheets to reflect changes in the company's Purchased Gas Adjustment (PGA) clause. The tariff sheets were assigned Tracking No. JG-2027-0057 and bore an effective date of November 13.

SNGMO proposed changes in PGA rates for all customer classes by division as follows:

- For the Gallatin Division, the change will decrease the firm sales customers' total PGA rate from $0.50597 per Ccf[2] to $0.4745 per Ccf. The proposed change will decrease an average winter month residential gas bill by approximately $3.67, representing a 2.5% decrease for the average residential customer's monthly bill, according to the Company's transmittal letter.

[1] Unless otherwise noted, all dates refer to the year 2026.
[2] Ccf is a volume measurement of natural gas and equals 100 cubic feet of natural gas.

- For the Warsaw and Lake of the Ozarks Divisions, the change will decrease the firm sales customers' total PGA rate from $1.0125 per Ccf to $0.8633 per Ccf. The proposed change will decrease an average winter month residential gas bill by approximately $8.12, representing a 6.16% decrease for the average residential Warsaw Division customer's monthly bill and a 6.67% decrease for the average residential Lake of the Ozarks customer's monthly bill during the heating season, according to the Company's transmittal letter.
- For the Rogersville and Branson Divisions, the change will decrease the firm sales customers' total PGA rate from $1.0737 per Ccf to $0.9272 per Ccf. The proposed change will decrease an average winter month residential gas bill by approximately $12.66, representing a 7.62% decrease for the average residential Rogersville Division customer's monthly bill and a 6.63% decrease for the average residential Branson Division customer's monthly bill during the heating season, according to the Company's transmittal letter.

The Commission directed its Staff to file a recommendation regarding SNGMO's request and proposed tariff sheets. Staff filed its recommendation on November 6.

Staff stated that Case No. GR-2027-0128, the present case, was established to track SNGMO's PGA factors to be reviewed in its 2025-2026 Actual Cost Adjustment (ACA) filing. Case No. GR-2026-0120 was established to track SNGMO's PGA factors to be reviewed in its 2024-2025 ACA filing. Staff recommended the rate changes proposed in the present case

should be approved on an interim basis, subject to refund, and pending final Commission decisions in ACA Case Nos. GR-2026-0120 and GR-2026-0128. Staff also requested to file the results and recommendations regarding the information included in this ACA filing no later than December 15, 2027.

The Commission reviewed the proposed tariff sheets and Staff's recommendation. The Commission finds that the proposed tariff sheets conform to SNGMO's Commission-approved PGA tariff. In addition, because SNGMO's PGA clause allows for PGA change filings to take effect after ten business days, good cause has been shown pursuant to Section 393.140(11), RSMo (2016), to allow the tariff to become effective on less than 30-days' notice. The Commission has allowed the proposed tariff sheets to go into effect by operation of law on November 13, on an interim basis, subject to refund, and pending final Commission decision in this case and Case No. GR-2026-0120.

THE COMMISSION ORDERS THAT:

1. The tariff sheets assigned Tracking No. JG-2027-0057 have been allowed to go into effect by operation of law, on an interim basis, and subject to refund, pending final Commission decisions in this case and in Case No. GR-2026-0120. The tariff sheets, which went into effect on November 13, 2026, are as follows:

14th Revised Sheet No. 57, Canceling 13th Revised Sheet No. 57
