ORDER APPROVING RESRAM TARIFF FILING

Issue Date: November 20, 2026 Effective Date: December 1, 2026

On September 30, 2026, Evergy Missouri West, Inc. d/b/a Evergy Missouri West filed a tariff revision to modify rates under its Renewable Energy Standard Rate Adjustment Mechanism (RESRAM) to recover costs for the 12-month period of December 2024 through November 2025.[1] Evergy Missouri West's RESRAM Rider requires it to make periodic filings to adjust for changes in its Actual Renewable Energy Standard costs for each accumulation period. The revised tariff sheet bears an effective date of December 1, 2026, and has been assigned Tracking No. JE-2027-0044.

The Commission issued notice of the filing, set a deadline for intervention, and directed its Staff to review the filing and submit a recommendation on the tariff revision. No persons or entities intervened.

On November 9, 2026, Staff filed a recommendation that the Commission issue an order approving the tariff sheet as filed. Evergy Missouri West's total RESRAM expense balance as of August 31, 2026, was negative $680,280, including a reconciliation adjustment of $130,234. The annual Allowable RESRAM Revenue Requirement is

[1] 20 CSR 4240-20.100(6).

$8,397,172, which is 1% of retail billed revenues from Case No. ER-2024-0189 in the amount of $839,717,205.

Using Evergy Missouri West's projected energy level of 10,272,749,386 kWh and the revenue requirement mentioned above, the RESRAM rate is negative $0.00007. Customers using 1,000 kWh per month will see a $0.11 decrease per month and get a refund of $0.07 per month.

On the basis of Staff's examination of Evergy Missouri West's tariff sheet, the Commission finds the tariff sheet conforms to Commission Rule 20 CSR 4240-20.100. The Commission concludes that the proposed RESRAM adjustment tariff should be approved to become effective on December 1, 2026. The Commission finds it reasonable to make this order effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The following tariff sheet, filed by Evergy Missouri West and assigned Tracking No. JE-2027-0044, is approved and shall be effective on December 1, 2026:

P.S.C. MO. No. 1

14th Revised Sheet No. 137.3, Canceling 13th Revised Sheet No. 137.3

2. This order shall be effective on December 1, 2026.

3. This file shall close on December 2, 2026.
