BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Union Electric Company d/b/a Ameren Missouri 2026 Utility Resource Filing Pursuant to 20 CSR 4240-Chapter 22	)))	File No. EO-2027-0098

APPLICATION TO INTERVENE

OF RENEW MISSOURI ADVOCATES AND CLEAN GRID ALLIANCE

COMES NOW, Renew Missouri Advocates d/b/a Renew Missouri ("Renew Missouri") and Clean Grid Alliance ("CGA") (jointly, "Applicants") and pursuant to 20 CSR 4240-2.075, applies to intervene in the above-captioned case, and for its Application Applicant states:

1. Renew Missouri is a non-profit corporation organized under the laws of Missouri with its principal place of business at 501 Fay Street, Suite 206, Columbia, MO 65201. Renew Missouri is a registered fictitious name of Renew Missouri Advocates under § 417.200, RSMo. Renew Missouri is a non-profit policy group whose mission is to transform Missouri into a leading state in renewable energy and energy efficiency.

2. Clean Grid Alliance is a 501(c)(3) nonprofit organization based in St. Paul, Minnesota, whose mission is to advance clean energy in the Midwest. CGA is involved in the Midcontinent Independent System Operator's ("MISO") stakeholder process, engages before public utility regulatory commissions across the MISO North and Central footprint, and is a leading organization working on transforming state energy policy. CGA's membership includes industry representatives working in wind, solar, and storage as well as environmental nonprofit organizations, public interest groups, clean energy advocates, farm groups, data centers, and businesses providing goods and services to the clean energy industry, entities who come together to achieve shared goals of reducing carbon emissions and delivering a clean energy future.

3. As advocates for renewable energy and energy efficiency policy in the Midwest, Applicants' interests are different than those of the general public and may be adversely affected by a final order arising from this case if policies hindering those efforts are adopted.

4. Granting Applicants intervention will serve the public interest by assisting the Commission's record for decision in this case, and no party will be adversely affected by such intervention.

5. Applicants has not yet taken a final position in this specific case based on the application and forthcoming evidence but generally advocates for policies that promote the transition to more reliance on renewable energy, as well as energy efficiency efforts that encourage energy savings, decreased reliance on fossil fuel generation, and increased affordability. Applicants assert they will be able to provide their comments in the docket by the statutory deadline after reviewing the recently filed application, and forthcoming discovery.

6. Pleadings, notices and other correspondence in this case should be directed to the undersigned counsel.

WHEREFORE, Applicants respectfully requests that the Commission grant this *Application to Intervene*, along with any further relief the Commission deems proper.

Respectfully,

/s/ Nicole Mers
