ORDER MOVING MOTION INTO A NEW FILE

Issue Date: January 28, 2013

Effective Date: January 28, 2013

On January 25, 2013, Union Electric Company d/b/a Ameren Missouri, filed a motion asking the Commission to extend the date by which the company is to provide information and file a tariff regarding LED street lighting pursuant to a stipulation and agreement approved as part of the company's recent rate case, ER-2012-0166. Ameren Missouri filed that motion in ER-2012-0166, but as that case is currently under appeal, the Commission will move Ameren Missouri's motion into a new case file. In that way, the Commission will avoid confusing the record on appeal by issuing a substantive order in a case that is under appeal.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall remove Ameren Missouri's Request to Extend Date by which it is Required to Provide LED Street Lighting Information from File Number ER-2012-0166 and place it in File Number EO-2013-0367.
2. This order shall become effective upon issuance.
