ORDER REGARDING FEA EXHIBITS

Issue Date: December 17, 2012

Effective Date: December 17, 2012

The Missouri Public Service Commission is addressing certain pre-filed testimony of the Federal Executive Agencies ("FEA"). Those exhibits were the subject of a stipulation for entry into the record without objection. But, because the Commission FEA excused counsel and witnesses from appearing, some exhibits received no number and others received a designation that the Commission will now change for clarity. The Commission will also clarify that all the exhibits are entered into the record.
