Division 240—Public Service Commission
Chapter 2—Practice and Procedure**

ORDER OF RULEMAKING

By the authority vested in the Missouri Public Service Commission under section 386.410, RSMo Supp. 1998, the commission adopts a rule as follows:

4 CSR 240-2.015 Waiver of Rules is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on Oct. 1, 1999 (24 MoReg 2319). No changes were made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Commission received one comment regarding the proposed rule.

COMMENT: One comment indicated opposition to this revision, stating that the rule is too broad and does not provide adequate due process safeguards, including notice and opportunity to be heard on the proposed waiver. At a minimum, the rule should provide that the Commission may waive or modify a rule upon application of a party, with proper notice and an opportunity to intervene, and with adequate and reasonable opportunity to be heard, for good cause shown. It is error for the Commission not to follow its own rules. The broad, open-ended waiver provision leaves the rules and their application solely at the Commission's discretion and whim and does not provide the predictability and protection that the rules of procedure are designed to provide.

RESPONSE: The Commission has reviewed the comment and finds that it is in the public interest to include a waiver provision in the rules. No changes were made to the rule as a result of this comment.
