First Choice Technology, Inc. and	)	Case No. XM-2009-0263
NetLojix Telecom, Inc. for	)	
Approval of an Asset Purchase Agreement	)	

**SUPPLEMENT TO JOINT APPLICATION**

COME NOW First Choice Technology, Inc. ("First Choice") and NetLojix Telecom, Inc. ("NetLojix") (together "Applicants"), by and through undersigned counsel, and hereby file this Supplement to the Joint Application filed in this matter on January 13, 2009.

The Joint Application emphasized that the Acquisition will not change the rates, terms and conditions under which NetLojix's customers presently receive service. Paragraph 9 of the Joint Application states that: "*If necessary*, First Choice will incorporate such rates, terms and conditions into its tariffs by separate filing." (Emphasis added.)

Applicants have confirmed that NetLojix no longer has any customers in Missouri. NetLojix will not secure new customers nor provide any services in Missouri prior to resolution of the instant Joint Application. As a result, First Choice does not plan to file revised tariffs incorporating NetLojix's rates, terms and conditions, since there are no Missouri customers of NetLojix to which such revised tariffs would apply.

Respectfully submitted,
