

FISCAL NOTE

PRIVATE COST

I. RULE NUMBER

| Rule Number and Name | Type of Rulemaking |
|--|---------------------------|
| 4 CSR 240-3.050 Small Utility Rate Case Procedure | Proposed Rule |

II. SUMMARY OF FISCAL IMPACT

| Estimated number of entities that will likely be affected by adoption of the rule. | Types of entities that will likely be affected by adoption of the rule. | Estimated aggregate cost of compliance with the rule by the affected entities. |
|---|--|---|
| Eighty-Five (85) | Small Investor-Owned Gas, Sewer, Steam Heating and Water Utilities, as those entities are defined in the rule. | Less than \$500. |

III. WORKSHEET

Not Applicable

IV. ASSUMPTIONS

If adopted, this proposed rule will replace existing rules applicable to the processing of small gas, sewer, steam heating and water utilities' rate increase requests, but will not change the manner in which such requests are processed in a way that will result in additional costs to the affected entities.
