Commission Staff Director

Missouri Public
Service Commission

I received a Bachelor's of Arts Degree in English from the University of Missouri, St. Louis and a Master's of Business Administration from William Woods University. During my tenure with the Commission, I have worked in many areas of telecommunications regulation. In October, 2007, I became the Director of Utility Operations. The division was renamed the Tariff, Safety, Economic and Engineering Analysis Department in August 2011. In October 2015, I was named Commission Staff Director. In this position, I oversee all aspects of the Commission technical staff, and am responsible for determining Staff's position and policy on issues before the Commission.

My responsibilities have included involvement in several activities related to implementing sound utility regulatory policy in Missouri and have been the lead director for most of the Commission's rulemakings.

I was a member of the Missouri Delegation to the Missouri/Moldova Partnership through NARUC and the US Agency for International Development. I am a member of the National Association of Regulatory Utility Commissioners Staff Subcommittee on Rate Design and the Staff Subcommittee on Telecommunications. I serve on the Staff of the Federal/State Joint Board on Universal Service, serve as Lead Staff for the Missouri Universal Service Board and was a member of the Governor's MoBroadbandNow taskforce.
