ORDER ESTABLISHING PROTECTIVE ORDER

Issue Date: May 25, 2021

Effective Date: May 25, 2021

On March 26, 2021, The Empire District Electric Company d/b/a Liberty filed a *Notice of Intended Case Filing*, indicating that it intended to file a general rate case. On May 24, 2021, Liberty filed a *Motion for Protective Order*, asking that the Commission issue an order to protect certain sensitive information from unnecessary disclosure. Liberty states that due to the nature of certain material regarding commodity prices, fuel procurement, generation costs, planned purchases, and confidential information regarding wholesale electric market participants, the Commission's confidential designation may not provide adequate protection. Liberty requests a protective order for the purpose of preventing harm to Liberty and avoiding the creation of an unfair competitive advantage for parties to this proceeding and non-party competitors.

Liberty requests a protective order as follows:

- a. Materials and information divulged by Liberty or other parties shall be considered to be "Highly Confidential" if so designated at the time of disclosure.
- b. With regard to entities and individuals other than the Staff of the Commission, the Office of the Public Counsel, and the Missouri Division of Energy:
 - i. Disclosure of materials or information so designated shall be made only to attorneys and/or to such outside consultants who have executed a Commission Nondisclosure Agreement. No Highly

Confidential information shall be provided directly or indirectly to any non-attorney individual or employee.

- ii. Persons afforded access to materials or information designated “Highly Confidential” shall neither use nor disclose such materials or information for purposes of business or competition or any other purpose other than in regard to the case referenced above and shall keep the materials and information secure and confidential and in accordance with the purposes and intent of the protective order.
 - iii. All material and information designated as “Highly Confidential” in the possession of any entity or person, as well as any notes pertaining to such information, shall be returned to Empire or destroyed upon the conclusion of the referenced case.
- c. If a party disagrees with the “Highly Confidential” designation of any information, the party shall follow the informal discovery dispute resolution procedures set forth in Commission Rule 20 CSR 4240-2.090(8). If the party exhausts these dispute resolution procedures, the party may file a motion challenging the designation.

Upon review of the motion, the Commission finds that there is a need to protect sensitive information and the request for a protective order is reasonable. Therefore, the Commission concludes that a protective order should be granted. The specific extra protections afforded to the information designated as highly confidential are described in the body of this order.

THE COMMISSION ORDERS THAT:

1. Competitively sensitive information designated by Liberty as highly confidential shall be disclosed only to attorneys of record for all parties, to state agency parties and their employees covered by statutory confidentiality requirements, and to designated outside experts of any non-state agency party.

2. Except for attorneys of record for all parties, and employees of state agencies covered by statutory confidentiality requirements, all persons authorized to access “confidential” information in this case shall complete the nondisclosure agreement attached to this order as Exhibit A.

3. Except for attorneys of record for all parties, and employees of state agencies covered by statutory confidentiality requirements, all persons authorized to access “highly confidential” information in this case shall complete the nondisclosure agreement attached to this order as Exhibit B.

4. This order shall be effective when issued.
