File No. ER-2022-0337
Tracking No. YE-2023-0222

ORDER DIRECTING ADDITIONAL INFORMATION

Issue Date: June 20, 2023

Effective Date: June 20, 2023

Union Electric Company d/b/a Ameren Missouri filed tariff sheets on June 19, 2023, to comply with the Commission's June 14, 2023, Report and Order. Ordered paragraph four authorized Ameren Missouri to file those compliance tariff sheets. Footnote 209 to ordered paragraph four states that Ameren Missouri must file a redline version of any compliance tariff sheets. The redline version is so that the Commission may quickly evaluate any changes from previously filed tariff sheets.

Ameren Missouri also stated that the combination of changes to the Riders FAC and RESRAM combined with the agreed upon revenue requirement in its April 7, 2023 Stipulation and Agreement triggered the provisions of Section 393.1655.6, RSMo, providing that any rate increase for the LPS class in excess of two percent shall be applied to all other customer classes by a uniform percentage adjustment. Ameren Missouri has not provided sufficient information in its compliance filing to allow the Commission to see the calculations supporting that the PISA cap has been exceeded, such as the annual compound growth rate as of July 1, 2023, changes to each of the FAC and RESRAM

Riders, the impact of the revenue requirement on rates and the amount in excess of the LPS class cap for the Commission to evaluate that statement.

The Commission will direct Ameren Missouri to provide redline versions of any filed compliance tariff sheets and the Commission will direct Ameren Missouri provide sufficient information to evaluate the applicability of Section 393.1655.6, RSMo.

THE COMMISSION ORDERS THAT:

1. Ameren Missouri shall provide redline versions of any compliance tariff sheets filed in this case no later than June 22, 2023.
2. Ameren Missouri shall provide sufficient information to evaluate the applicability of Section 393.1655.6 RSMo to the LPS class no later than June 22, 2023.
5. This order is effective when issued.
