1. We will have a monthly fee for the waste water system ,of \$10.00 per month..This fee will be deposited to the Homeowners interest bearing account..
 2. It is anticipated with the number of users to this system, that we will have an excess of funds in the interest bearing escrow account.
 3. The schedule to oversee this system will be on a as needed basis. We have been advised that to oversee this particular system, to clean filters, check equipment and take samples will require 2 to 3 visits a week. Whoever is chosen, is to be state licensed and accountable to the state of Missouri.
The cost to maintain and operate the system will depend entirely on the units and flow to the waste water system.
 4. If a homeowner hooks up to the system , the fee is \$10.00 a month. If they elect to pay their \$4800.00, and a waste water stub is installed at their property, they will not be charged a monthly fee until they hook up.
 5. We intend to accommodate each homeowner with the location of the stub out, most convenient to their needs.
 6. The funding for the new asphalt road has been funded and is the sole responsibility of the Folsom Ridge LLC. The monies for this project are in escrow at Central bank , Camdenton, Mo.
 7. There will be 5 board members which will consist of the 3 developers , one new property owner and one existing property owner.
 8. It is your option to hook up to this system. You are under no obligation to do so. If you have any concerns about the developers financial capabilities as stated, feel free to call Jeff Welsh at Central Bank of Camdenton, Mo. Telephone # 573 346 2203 and satisfy yourself as to the LLC's financial capabilities..
