## **NOTICE CONCERNING COMMENTS**

Issue Date: March 23, 2009

On February 3, 2009, the proposed rules that are the subject of this matter were published in the Missouri Register. The comment period was closed on March 4, and a hearing was held that same day. It was subsequently discovered that the comment period was a day short, and the hearing was held a day sooner than allowed by statute. The rules have been republished, with a second comment period of March 16 through April 15, and another hearing will be held on April 15, 2009.

As the procedures set forth in Chapter 536 RSMo 2000 are designed to encourage and facilitate comments and participation in the rulemaking process rather than to impair the process or to burden commenters, this Notice is issued to clarify that all comments made in either of the two comment periods and hearings in this rulemaking will be considered fully. Those commenters who have already made all the comments they

wish to make need not reiterate those comments in the second comment period and hearing.
