EXHIBIT 10.01**PURCHASE AGREEMENT**

PURCHASE AGREEMENT (the “**Agreement**”), dated as of August 22, 2006, by and among DSL.net, Inc., a Delaware corporation (the “**Company**”), MegaPath Inc., a Delaware corporation (“**Parent**”), and MDS Acquisition, Inc., a wholly-owned subsidiary of Parent (the “**Buyer**”).

WHEREAS:

A. The Company, Parent and Buyer are executing and delivering this Agreement in reliance upon the exemption from securities registration afforded by Section 4(2) of the Securities Act of 1933, as amended (the “**1933 Act**”), and Rule 506 of Regulation D (“**Regulation D**”) as promulgated by the United States Securities and Exchange Commission (the “**SEC**”) under the 1933 Act.

B. The Buyer wishes to purchase, and the Company wishes to sell, upon the terms and conditions stated in this Agreement, Subordinated Secured Convertible Notes, in the forms attached hereto as Exhibit B-1, Exhibit B-2, Exhibit B-3 and Exhibit B-4 (each, a “**Convertible Note**” and together, the “**Convertible Notes**”) and a Subordinated Secured Note, in the form attached hereto as Exhibit C (the “**Nonconvertible Note**”), each in the principal amounts as set forth on Exhibit A hereto. In addition, the Company and the Buyer wish to provide for the possible future sale of subordinated secured notes in substantially the form as the form of the Nonconvertible Note (each a “**Subsequent Closing Note**” and together with the Convertible Notes and the Nonconvertible Note, the “**Notes**”). The Subsequent Closing Notes, if issued, may be used, among other purposes, to fund working capital shortfalls of the Company that may occur prior to the Merger (as defined below), including, without limitation, shortfalls that may occur as a result of the maturity of the Company’s indebtedness to Laurus Master Fund, Ltd. (“**Laurus**”).

C. The Notes (i) will rank senior to all outstanding and future indebtedness of the Company, other than as set forth in the Subordination Agreement in the form attached hereto as Exhibit D (as amended or modified from time to time, the “**Subordination Agreement**”), and (ii) will be secured by a perfected security interest in all of the assets of the Company, as evidenced by the Security Agreement in the form attached hereto as Exhibit E (the “**Security Agreement**” and together with the Subordination Agreement, the “**Security Documents**”).

D. Following the satisfaction of the conditions to the convertibility of all the Convertible Notes, Buyer intends to have converted all such Convertible Notes into Company Common Stock such that Buyer will hold more than 90% of the outstanding shares of Company Common Stock. At such time, Buyer, pursuant to a resolution of its board of directors authorized by Section 253 of the Delaware General Corporations Law, intends to effect a merger of the Company into Buyer, with the Buyer as the surviving corporation (the “**Merger**”) and pursuant to which the stockholders of the Company other than the Buyer will be entitled to receive a cash payment for their shares of Company Common Stock.

NOW, THEREFORE, the Company, the Buyer and the Parent hereby agree as follows:

1. PURCHASE AND SALE OF NOTES.

(a) Purchase of Notes.

(i) On or prior to the Closing (as defined below), the Company shall have authorized (A) the sale and issuance to the Buyer of the Notes and (B) the issuance of the shares of Common Stock issuable upon conversion of the Convertible Notes in the forms attached hereto as Exhibit B-1, Exhibit B-2 and Exhibit B-3 as provided therein and shall have authorized, conditional upon securing any requisite stockholder consent, the issuance of the shares of Common Stock issuable upon conversion of the Convertible Note in the form attached hereto as Exhibit B-4 as provided therein. The shares of Common Stock issuable upon conversion of the Convertible Notes are referred to herein collectively as the “**Conversion Shares**.” The Convertible Notes and the Conversion Shares are collectively referred to herein as the “**Securities**.”

(ii) Subject to the satisfaction (or waiver) of the conditions set forth in Sections 5 and 6 below, the Company shall issue and sell to the Buyer, and the Buyer agrees to purchase from the Company on the Closing Date (as defined below), the Notes (the “**Closing**”).

(iii) The date and time of the Closing (the “**Closing Date**”) shall occur after notification of satisfaction (or waiver) of the conditions to the Closing set forth in Sections 5 and 6 below and at the offices of Gunderson Dettmer Stough Villeneuve Franklin & Hachigian, LLP, 155 Constitution Drive, Menlo Park, California, 94025.

(iv) The aggregate purchase price for the Notes to be purchased by the Buyer at the Closing shall be \$1.00 of consideration for each \$1.00 of principal amount under the Convertible Notes and \$1.00 of consideration for each \$1.182 of principal amount under the Nonconvertible Note purchased by the Buyer at the Closing, for an aggregate purchase price of \$13,000,000 (the “**Purchase Price**”) as set forth on Exhibit A hereto.

(b) Form of Payment. On the Closing Date, (i) the Buyer shall pay its Purchase Price to the Company for the Notes to be issued and sold to the Buyer at the Closing, by wire transfer of immediately available funds and (ii) the Company shall deliver to the Buyer the Notes the Buyer is purchasing.

(c) Subsequent Closing. Following the Closing, the Company may sell Subsequent Closing Notes subject to the terms of this Agreement to the Buyer for \$1.00 of consideration for each \$1.182 of principal amount under the Subsequent Closing Note, provided that such sale shall not take place later than one year from the Closing and the aggregate amount of consideration does not exceed \$6,000,000. Each closing of the sale of Subsequent Closing Notes shall take place at such locations and at such times as shall be mutually agreed upon orally or in writing by the Company and the Buyer.

2. BUYER'S AND PARENT'S REPRESENTATIONS AND WARRANTIES.

The Buyer and the Parent, jointly and severally, represent and warrant to the Company, as of the date hereof and as of the Closing Date, that:

(a) No Public Sale or Distribution. The Buyer is (i) acquiring the Convertible Note and (ii) upon conversion of the Convertible Note, Buyer will acquire the Conversion Shares, for its own account and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted under the 1933 Act; provided, however, that by making the representations herein, the Buyer does not agree to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time in accordance with or pursuant to a registration statement or an exemption under the 1933 Act. The Buyer is acquiring the Securities hereunder in the ordinary course of its business. The Buyer does not presently have any agreement or understanding, directly or indirectly, with any Person to distribute any of the Securities. "Person" means an individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof.

(b) Accredited Investor Status. The Buyer is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D, because it is an entity whose sole equity owner is a corporation not formed for the specific purpose of acquiring the securities offered, with total assets in excess of \$5,000,000. The Buyer's principal place of business is at the address provided in Section 8(f) hereof.

(c) Reliance on Exemptions. The Buyer understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and the Buyer's compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Buyer set forth herein to determine the availability of such exemptions and the eligibility of the Buyer to acquire the Securities.

(d) Transfer or Resale. The Buyer understands that: (i) the Securities have not been and are not being registered under the 1933 Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder, (B) the Buyer shall have delivered to the Company, if it is reasonably requested by the Company, an opinion of counsel selected by the Buyer, in a form reasonably acceptable to the Company, to the effect that such Securities to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration, or (C) the Buyer provides the Company with reasonable assurance that such Securities can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A promulgated under the 1933 Act, as amended, (or a successor rule thereto) (collectively, "**Rule 144**"); (ii) any sale of the Securities made in reliance on Rule 144 may be made only in accordance with the terms of Rule 144 and further, if Rule 144 is not applicable, any resale of the Securities under circumstances in which the seller (or the Person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the 1933 Act) may require compliance with some other exemption under the 1933 Act or the rules and regulations of the SEC thereunder; and (iii) neither the Company nor any other Person

is under any obligation to register the Securities under the 1933 Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder.

(e) No Conflicts. The execution, delivery and performance of each Transaction Document by the Buyer and the Parent and the consummation by the Buyer and the Parent of the transactions contemplated thereby will not (i) result in a violation of any certificate of incorporation, any certificate of designations or other constituent documents of the Buyer or the Parent or bylaws of the Buyer or the Parent or (ii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) and the rules applicable to the Buyer or the Parent or by which any property or asset of the Buyer or the Parent is bound or affected.

(f) Organization. The Buyer and the Parent are each corporations duly organized, validly existing and in good standing under the laws of the State of Delaware.

(g) Legends. The Buyer understands that the Notes and the stock certificates representing the Conversion Shares shall bear any legend as required by the "blue sky" laws of any state and a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such certificates or other instruments):

THE ISSUANCE AND SALE OF THE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) IF REASONABLY REQUESTED BY THE COMPANY, AN OPINION OF COUNSEL (WHICH COUNSEL SHALL BE SELECTED BY THE HOLDER), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT.

(h) Validity; Enforcement. This Agreement and the Security Documents to which the Buyer or the Parent is a party have been duly and validly authorized, executed and delivered on behalf of the Buyer and the Parent, as applicable, and shall constitute the legal, valid and binding obligations of the Buyer and the Parent enforceable against the Buyer and the Parent in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company hereby represents and warrants to Buyer and Parent that the statements contained in this Section 3 are true and correct as of the date hereof and as of the

Closing Date except as set forth in the disclosure schedule delivered by the Company to Buyer and Parent concurrently with the execution of this Agreement, as may be amended or supplemented at Closing by the Company solely for the purposes of the Closing (together, the “**Disclosure Schedule**”); provided, however, that any amendments or supplements to the Disclosure Schedule after the date hereof shall only modify the Company’s representations and warranties as of the Closing Date. The Disclosure Schedule shall be arranged according to specific sections in this Section 3 and shall provide exceptions to, or otherwise qualify in reasonable detail, only the corresponding section in this Section 3 and any other section in this Section 3 where it is reasonably clear, upon a reading of such disclosure without any independent knowledge on the part of the reader regarding the matter disclosed, that the disclosure is intended to apply to such other section.

(a) Organization and Qualification. Schedule 3(a) of the Disclosure Schedule sets forth the jurisdiction of incorporation or organization of each of the Company and each subsidiary of the Company (each a “**Subsidiary**” and collectively, the “**Subsidiaries**”). Each of the Company and the Subsidiaries is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of such incorporation and has all requisite corporate power and authority and all necessary governmental approvals to own, lease and operate its properties and to carry on its business as it is now being conducted, except where the failure to have such governmental approvals have not had, and could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect (as defined below). Each of the Company and the Subsidiaries is duly qualified or licensed as a foreign corporation or organization to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except for such failures to be so qualified or licensed and in good standing that have not had, and could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Schedule 3(a) of the Disclosure Schedule sets forth each jurisdiction in which the Company or a Company Subsidiary is qualified or licensed to do business as a foreign corporation or organization. As used in this Agreement, the term “**Material Adverse Effect**” means any change in or effect on the business of the Company or any Subsidiary that, individually or in the aggregate is, or could reasonably be expected to be, materially adverse to the business, condition (financial or otherwise), assets (tangible or intangible), liabilities (including contingent liabilities) or results of operations of the Company and the Subsidiaries taken as a whole.

(b) Authorization; Enforcement; Validity. The Company has the requisite power and authority to enter into and perform its obligations under this Agreement, the Notes, the Security Documents, and each of the other agreements entered into by the parties hereto in connection with the transactions contemplated by this Agreement (collectively, the “**Transaction Documents**”) and to issue the Securities and the Nonconvertible Note in accordance with the terms hereof and thereof. The execution and delivery of each Transaction Documents by the Company and the consummation by the Company of the transactions contemplated thereby, including, without limitation, the issuance of the Notes, the reservation for issuance and the issuance of the Conversion Shares, and the granting of a security interest in the Collateral (as defined in the Security Agreement), have been duly authorized by the Company’s board of directors (the “**Board of Directors**”) and (other than the filing of appropriate UCC financing statements with the appropriate states and other authorities pursuant to the Security

Agreement and other than majority stockholder approval of the Charter Amendment (as defined below) to be sought pursuant to the terms of Section 4(d) below) no further filing, consent, or authorization is required by the Company, its Board of Directors, or its stockholders. Each Transaction Document has been duly executed and delivered by the Company and constitutes the legal, valid and binding obligation of Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(c) Valid Issuance. The issuance of the Notes are duly authorized and are free from all taxes, liens and charges with respect to the issue thereof. As of the Closing, a sufficient number of shares of Common Stock shall have been duly authorized and reserved for issuance upon conversion of the Convertible Notes in the forms attached hereto as Exhibit B-1, Exhibit B-2 and Exhibit B-3 and, conditional upon requisite stockholder approval authorizing a sufficient number of shares of Common Stock for issuance upon conversion of the Convertible Note in the form attached hereto as Exhibit B-4 and the filing with the Delaware Secretary of State of the Charter Amendment (as defined below), such number of shares of Common Stock shall have been duly reserved for issuance upon conversion of such Convertible Note. Upon issuance or conversion in accordance with the Convertible Notes, as the case may be, the Conversion Shares, will be validly issued, fully paid and nonassessable and free from all preemptive or similar rights, taxes, liens and charges with respect to the issue thereof, with the holders being entitled to all rights accorded to a holder of Common Stock. Subject in part to the truth and accuracy of the Buyer's and Parent's representations set forth in Section 2, the offer and issuance by the Company of the Securities is exempt from registration under the 1933 Act.

(d) No Conflicts. The execution, delivery and performance of each Transaction Document by the Company and the consummation by the Company of the transactions contemplated thereby (including, without limitation, the issuance of the Notes, the granting of a security interest in the Collateral (as defined in the Security Documents) and reservation for issuance and issuance of the Conversion Shares) will not (i) result in a violation of any certificate of incorporation, any certificate of designations or other constituent documents of the Company, any capital stock of the Company or bylaws of the Company or (ii) conflict with, or constitute a default (or an event which, with notice or lapse of time, or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, indenture or instrument to which the Company is a party, (iii) subject in part to the truth and accuracy of the Buyer's and Parent's representations set forth in Section 2, result in a violation of any law, rule or regulation (including federal and state securities laws and regulations) or (iv) result in the violation of any order, judgment or decree and the rules applicable to the Company or by which any property or asset of the Company is bound or affected.

(e) Consents. The Company is not required to obtain any consent, authorization or order of, or make any filing (other than the filing of appropriate UCC financing statements with the appropriate states and other authorities pursuant to the Security Agreement) or registration with, any court, governmental agency or any regulatory or self-regulatory agency or any other Person (as defined below) in order for it to execute, deliver or perform any of its obligations under or contemplated by the Transaction Documents to which it is a party, in each

case in accordance with the terms thereof. All consents, authorizations, orders, filings and registrations which the Company is required to obtain pursuant to the preceding sentence will have been obtained or effected on or prior to the Closing Date, and the Company is unaware of any facts or circumstances which might prevent the Company from obtaining or effecting any of the registration, application or filings pursuant to the preceding sentence.

(f) Acknowledgment Regarding Buyer's Purchase of Securities. The Company acknowledges and agrees that the Buyer is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated hereby and thereby and that the Buyer is not (i) an officer or director of the Company, (ii) an "affiliate" of the Company (as defined in Rule 144) or (iii) to the knowledge of the Company, a "beneficial owner" of more than 10% of the shares of Common Stock (as defined for purposes of Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the "1934 Act")).

(g) No General Solicitation; Placement Agent's Fees. Neither the Company, nor any of its Subsidiaries and affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Securities. The Company has not engaged any placement agent or other agent in connection with the sale of the Securities.

(h) No Integrated Offering. None of the Company, any of its Subsidiaries and affiliates, and any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of any of the Securities under the 1933 Act or cause this offering of the Securities to be integrated with prior offerings by the Company for purposes of the 1933 Act or any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of any exchange or automated quotation system on which any of the securities of the Company are listed or designated.

(i) Application of Takeover Protections; Rights Agreement. The Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's certificate of incorporation, as amended and as in effect on the date hereof (the "**Certificate of Incorporation**"), or the laws of the jurisdiction of its formation or otherwise which is or could become applicable to the Buyer and the Parent as a result of the transactions contemplated by this Agreement, including, without limitation, the Company's issuance of the Securities and the Buyer's ownership of the Securities. The Company has not adopted a stockholder rights plan or similar arrangement relating to accumulations of beneficial ownership of Common Stock or a change in control of the Company.

(j) SEC Documents; Financial Statements.

(i) During the three (3) years prior to the date hereof, the Company has filed all reports, schedules, forms, statements and other documents required to be filed by a company that is subject to the reporting requirements of the 1934 Act (all of the foregoing filed prior to the date hereof and all exhibits included therein and financial statements, notes and

schedules thereto and documents incorporated by reference therein being hereinafter referred to as the “**SEC Documents**”). The Company has delivered or made available to the Buyer or its respective representatives true, correct and complete copies of the SEC Documents not available on the EDGAR system. As of their respective filing dates or, if amended, as of the date of such amendment, the SEC Documents complied in all material respects with the requirements of the 1934 Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC or, if amended, as of the date of such amendment, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(ii) As of their respective dates, each of the consolidated financial statements (including in each case, any notes thereto) of the Company included in the SEC Documents (the “**Financial Statements**”) complied in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. Such Financial Statements have been prepared in accordance with generally accepted accounting principles, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such Financial Statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Company and the consolidated Subsidiaries as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). The Company does not intend to correct or restate, nor, to the Company’s knowledge, is there any basis for any correction or restatement of, any aspect of any of the Financial Statements contained in the SEC Documents. The Company has not had any material disagreement with any of its auditors regarding accounting matters or policies during any of its past three full years or during the current fiscal year-to-date which disagreements would require disclosure to the Company’s board of directors. The books and records of the Company have been, and are being maintained, in all material respects in accordance with applicable legal and accounting requirements and the Financial Statements contained in the SEC Documents are consistent with such books and records. The most recent audited balance sheet of the Company contained in the Company SEC Documents as of December 31, 2005 is hereinafter referred to as the “**Reference Balance Sheet**.”

For purposes of this Agreement: (i) “**Indebtedness**” of any Person means, without duplication (A) all indebtedness for borrowed money, (B) all obligations (other than trade payables entered into in the ordinary course of business) issued, undertaken or assumed as the deferred purchase price of property or services including, without limitation, “capital leases” in accordance with U.S. generally accepted accounting principals, (C) all reimbursement or payment obligations with respect to letters of credit, surety bonds and other similar instruments, (D) all obligations evidenced by notes, bonds, debentures or similar instruments, including obligations so evidenced incurred in connection with the acquisition of property, assets or businesses, (E) all indebtedness created or arising under any conditional sale or other title retention agreement, or incurred as financing, in either case with respect to any property or assets acquired with the proceeds of such indebtedness (even though the rights and remedies of the seller or bank under such agreement in the event of default are limited to repossession or sale of such property), (F) all monetary obligations under any leasing or similar arrangement which, in connection with generally accepted accounting principles, consistently applied for the periods covered thereby, is classified as a capital lease, (G) all indebtedness referred to in clauses (A) through (F) above secured by (or for which the holder of such Indebtedness has an existing right, contingent or otherwise, to be secured by) any mortgage, lien, pledge, charge, security interest or other encumbrance upon or in any property or assets (including accounts and contract rights) owned by any Person, even though the Person which owns such assets or property has not assumed or become liable for the payment of such indebtedness, and (H) all Contingent Obligations in respect of indebtedness or obligations of others of the kinds referred to in clauses (A) through (G) above; and (ii) “**Contingent Obligation**” means, as to any Person, any direct or indirect liability, contingent or otherwise, of that Person with respect to any indebtedness, lease, dividend or other obligation of another Person if the primary purpose or intent of the Person incurring such liability, or the primary effect thereof, is to provide assurance to the obligee of such liability that such liability will be paid or discharged, or that any agreements relating thereto will be complied with, or that the holders of such liability will be protected (in whole or in part) against loss with respect thereto.

All disclosure provided to the Buyer regarding the Company, its business and the transactions contemplated hereby, including the Schedules to this Agreement, furnished by or on behalf of the Company is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. Each press release issued by the Company during the twelve (12) months preceding the date of this Agreement did not at the time of release contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. No event or circumstance has occurred or information exists with respect to the Company or its business, properties, prospects, operations or financial conditions, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed.

4. COVENANTS.

(a) Efforts to Satisfy Conditions. Upon the terms and subject to the conditions hereof, each party shall use its commercially reasonable efforts to (i) take, or cause to be taken, all appropriate action and do, or cause to be done, all things necessary, proper or advisable under applicable law or otherwise to consummate and make effective the transactions contemplated by this Agreement, (ii) obtain from any governmental entity or any other person all consents, licenses, permits, waivers, approvals, authorizations or orders required to be obtained or made by Buyer or the Company or any of their subsidiaries in connection with the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement, and (iii) make all necessary filings, and thereafter make any other required submission, with respect to this Agreement and the transactions contemplated by this Agreement required under applicable law. The parties hereto shall cooperate with each other in connection with the making of all such filings, including by providing copies of all such documents to the non-filing party and its advisors prior to filing and, if requested, by accepting all reasonable additions, deletions or changes suggested in connection therewith.

(b) Form D and Blue Sky. The Company agrees to file a Form D with respect to the Securities as required under Regulation D and to provide a copy thereof to the Buyer promptly after such filing. The Company shall, on or before the Closing Date, take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Securities for sale to the Buyer at the Closing pursuant to this Agreement under applicable securities or "Blue Sky" laws of the states of the United States (or to obtain an exemption from such qualification), and shall provide evidence of any such action so taken to the Buyer on or prior to the date on which such action must be taken. The Company shall make all filings and reports relating to the offer and sale of the Securities required under applicable securities or "Blue Sky" laws of the states of the United States following the Closing Date.

(c) Financial Information. Unless the following are filed with the SEC through EDGAR and are available to the public through the EDGAR system, the Company agrees to send the following to the Buyer and Parent: (i) within one (1) Business Day after the filing thereof with the SEC, a copy of its Annual Reports on Form 10-K or 10-KSB, any interim reports or any consolidated balance sheets, income statements, stockholders' equity statements and/or cash flow statements for any period other than annual, any Current Reports on Form 8-K and any registration statements (other than on Form S-8) or amendments filed pursuant to the 1933 Act, (ii) within 24 hours of the release thereof, facsimile or electronic copies of all press releases issued by the Company or any of its Subsidiaries, and (iii) copies of any notices and other information made available or given to the stockholders of the Company generally, contemporaneously with the making available or giving thereof to the stockholders.

(d) Disclosure of Transactions and Other Material Information.

(i) On or before the fourth business day following the date hereof, the Company shall file a Current Report on Form 8-K describing the terms of the transactions contemplated by the Transaction Documents in the form required by the 1934 Act and attaching the material Transaction Documents (including, without limitation, this Agreement, the form of

each of the Notes and the Security Documents) as exhibits to such filing (including all attachments, the “**8-K Filing**”). Subject to the foregoing, neither the Company, the Subsidiaries nor the Buyer shall issue any press releases or any other public statements with respect to the transactions contemplated hereby; provided, however, that the Company shall be entitled, without the prior approval of the Buyer and Parent, to make any press release or other public disclosure with respect to such transactions (A) in substantial conformity with the 8-K Filing and contemporaneously therewith and (B) as is required by applicable law and regulations (provided that in the case of clause (A) the Buyer and Parent shall be consulted by the Company in connection with and given an opportunity to review and comment on any such press release or other public disclosure prior to its release). Prior to the Merger, and notwithstanding the foregoing, the Company and each Subsidiary shall not publicly disclose the relationship of the Buyer or Parent to the Company, or include the name of the Buyer or Parent in any filing with the SEC or any regulatory agency, without the prior written consent of the Buyer and Parent, except (x) for disclosure thereof in the 8-K Filing or (y) as required by law, regulation or any order of any court or other governmental agency, in which case the Company shall provide the Buyer and Parent with prior notice of such disclosure.

(ii) As promptly as practicable after the date hereof, Company shall prepare proxy materials (the “**Proxy Statement**”) relating to the approval of the Charter Amendment by the stockholders of the Company and, as promptly as practicable, the Company shall file with the SEC the Proxy Statement and, to the extent required, a Schedule 13E-3, each of which comply in form with applicable SEC requirements and shall use all reasonable efforts to respond to SEC comments regarding such filings and obtain SEC approval to mail the Proxy Statement to the stockholders of the Company. The Proxy Statement shall include a statement that the Board of Directors of the Company has declared the advisability of the Charter Amendment, provided that the Board of Directors may withdraw such statement regarding the advisability of the Charter Amendment if it determines in good faith that failure to do so would be inconsistent with its fiduciary obligations under applicable law; provided, further, however, that such withdrawal shall not affect the Company’s obligations to prepare and mail the Proxy Statement and to call and hold the Stockholder Meeting (as defined below).

(iii) Company shall promptly after the date hereof take all actions necessary to call a meeting of its stockholders to be held for the purpose of voting upon the Charter Amendment (the “**Stockholder Meeting**”) and to hold such Stockholder Meeting; provided, however, that, without the prior written consent of the Buyer, the record date for the Stockholder Meeting (the “**Record Date**”) shall not be set earlier than two (2) business days following nor later than five (5) business days following the date on which the conditions to the conversion of the Convertible Note in the form attached hereto as Exhibit B-3 into Company Common Stock have been satisfied, nor shall the Record Date be set earlier than two (2) business days following the Company’s notice to Buyer of the date of the Record Date.

(e) Conduct of Business. The Company agrees that, between the date of this Agreement and the Closing Date, except as set forth in Schedule 4(e) of the Disclosure Schedule or as specifically contemplated by any other provision of this Agreement, unless Buyer shall otherwise consent in writing:

(i) the businesses of the Company and the Subsidiaries shall be conducted only in, and the Company and the Subsidiaries shall not take any action except in, the ordinary course of business and in a manner consistent with past practice; and

(ii) the Company shall use its reasonable best efforts to preserve substantially intact the business organization of the Company and the Subsidiaries, to keep available the services of the current officers, employees and consultants of the Company and the Subsidiaries and to preserve the current relationships of the Company and the Subsidiaries with customers, suppliers, licensors, licensees, alliance partners and other persons with which the Company or any Subsidiary has business relations.

(iii) By way of amplification and not limitation, except as contemplated by this Agreement or as set forth in Schedule 4(e) of the Disclosure Schedule, the Company shall not, and shall not permit any Subsidiary to, between the date of this Agreement and the Closing Date, directly or indirectly, do, or propose to do, any of the following without the prior written consent of Buyer:

(A) issue, deliver or sell, or authorize or propose the issuance, delivery or sale of, any shares of capital stock of any class or any securities convertible into, or any right, warrants, calls, subscriptions or options to acquire, any such shares or convertible securities, or any other ownership interest other than (1) the issuance of shares of Common Stock upon the exercise of options outstanding on the date of this Agreement under the Plans, (2) the issuance of shares of Common Stock upon the exercise of warrants outstanding on the date of this Agreement and (3) the issuance of Common Stock upon the conversion of that certain Secured Convertible Minimum Borrowing Note issued to Laurus in the principal amount of \$4,250,000 and that certain Secured Revolving Note issued to Laurus in the principal amount of \$750,000;

(B) take any of the actions described in clause (i) or clauses (iii) through (xvii) of Section 3(k) hereof;

(C) take any action (or fail to take any action) to cause the Company's representations and warranties set forth in Section 3 to be untrue in any material respect; or

(D) agree in writing or otherwise to take any of the actions described in Section 4(e)(iii)(A) through (C) above.

(f) Integration. None of the Company, its affiliates and any Person acting on their behalf will take any action or steps that would require registration of any of the Securities under the 1933 Act or cause the offering of the Securities to be integrated with other offerings.

(g) No Solicitation of Transactions.

(i) The Company will not solicit, initiate or knowingly encourage (including by way of furnishing nonpublic information), or take any other action to facilitate, any inquiries or the making of any proposal or offer (including, without limitation, any proposal or offer to its stockholders) that constitutes, or may reasonably be expected to lead to, any

Competing Transaction (as defined below), or enter into or maintain or continue discussions or negotiate with any person in furtherance of such inquiries or to obtain a Competing Transaction, or agree to or endorse any Competing Transaction, or authorize or permit any of the officers, directors or employees of the Company, or any investment banker, financial advisor, attorney, accountant or other representative retained by the Company, to take any such action; provided, however, that nothing contained in this Section 4(g) (i) shall prohibit the Company or its advisors, upon express direction of the Board of Directors, from furnishing information to, or entering into discussions or negotiations with, any person or entity that makes an unsolicited proposal to acquire the Company pursuant to a merger, consolidation, share exchange, business combination, purchase all or substantially all of the Company's assets, tender or exchange offer or other similar transaction, if, the Board of Directors determines in good faith, after consultation with the Company's financial advisor, that such proposal provides or is reasonably likely to provide greater value to and is in the better interests of the stakeholders of the Company than as contemplated by the transactions hereunder (a "**Superior Proposal**"). The Company will notify the Buyer after receipt by the Company (or any of its officers, directors, employees, agents, advisors or other representatives) of any proposal for, or inquiry respecting, any Competing Transaction, or any request for nonpublic information in connection with such proposal or inquiry or for access to the properties, books or records of the Company by any person that informs or has informed the Company that it is considering making or has made such a proposal or inquiry. Such notice to the Buyer shall indicate in reasonable detail the identity of the person making such proposal or inquiry and the terms and conditions of such proposal or inquiry. The Company immediately shall cease and cause to be terminated all existing discussions or negotiations with any parties conducted heretofore with respect to a Competing Transaction. The Company agrees not to release any third party from, or waive any provision of, any confidentiality or standstill agreement to which it is a party.

(ii) "**Competing Transaction**" means any of the following involving the Company (other than the transactions contemplated by this Agreement): (A) a merger, consolidation, share exchange, business combination or other similar transaction; (B) any sale, lease, exchange, transfer or other disposition of a material portion of the assets or debt or equity securities of such party; and (C) a tender offer or exchange offer for a majority of the outstanding voting securities of such party.

(h) Future Events. Buyer and the Parent shall give prompt notice to the Company, and the Company shall give prompt notice to Buyer and Parent, of any failure or inability of Buyer or Parent on the one hand or the Company on the other hand, as the case may be, to comply with or satisfy, any covenant, condition or agreement to be complied with or satisfied by it hereunder on or before the Closing Date; provided, however, that the delivery of any notice pursuant to this Section 4(h) shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice. The parties hereto acknowledge that reliance shall not be an element of any claim or cause of action by any party hereto for misrepresentation or breach of a representation, warranty or covenant under this Agreement.

(i) Threatened Actions. From the date of this Agreement until the earlier of the Closing or the termination of this Agreement, the Company shall promptly notify the Buyer in writing of any pending or, to the knowledge of the Company, threatened action, proceeding or investigation by any governmental entity or any other Person (i) challenging or seeking material

damages in connection with this Agreement or the transactions contemplated hereunder or (ii) seeking to restrain or prohibit the consummation of the transactions contemplated hereunder.

(j) Access to Information. Except as required pursuant to any confidentiality agreement or similar agreement or arrangement to which the Company or any of its Subsidiaries is a party or pursuant to applicable Law, from the date of this Agreement to the Closing Date, the Company shall (and shall cause its Subsidiaries to): (i) provide to the Buyer and Parent (and their respective officers, directors, employees, subsidiaries, accountants, consultants, legal counsel, investment bankers, advisors, agents and other representatives, collectively, “**Representatives**”) access at reasonable times upon prior notice to the officers, employees, agents, properties, offices and other facilities of it and its Subsidiaries and to the books and records thereof and (ii) furnish promptly such information concerning the business, properties, contracts, assets, liabilities, personnel and other aspects of it and its Subsidiaries as the Buyer or the Parent or their Representatives may reasonably request.

(k) Use of Proceeds. The proceeds from the sale of the Notes will be used by the Company for general working capital and to repay current outstanding debt held by DunKnight Telecom Partners LLC and its affiliates.

(l) Parent Obligations. The Parent agrees that it shall cause the Buyer to fulfill the Buyer’s obligations under this Agreement.

(m) Board Composition. The Company covenants and agrees that beginning upon the Record Date and for so long as any of the Notes are outstanding, that the Board of Directors will neither fill nor nominate directors to fill either of the New Director Positions (as defined below in Section 6(a)(xx)), except as provided in this Section 4(m). Following the date that the Buyer holds more than 50% of the outstanding voting stock of the Company and upon the request of Buyer to the Company, the Board of Directors of the Company will appoint persons designated by Buyer to fill the New Director Positions. The Buyer covenants and agrees that should it cease to hold more than 50% of the outstanding voting stock of the Company that it will no longer have the right to designate persons to fill the New Director Positions and it will then use commercially reasonable efforts to cause its designees that have been appointed to the New Director Positions to resign from the Board of Directors of the Company.

(a) Closing Date. The obligation of the Buyer hereunder to purchase the Notes at the Closing is subject to the satisfaction, at or before the Closing Date, of each of the following conditions, provided that these conditions are for the Buyer’s sole benefit and may be waived by the Buyer at any time in its sole discretion by providing the Company with prior written notice thereof; provided, however, that, other than subsection 6(a)(ii), the provisions of this Section 6 need not be fulfilled for any closing of sales of Subsequent Closing Notes pursuant to Section 1(c):

(b) Effect of Termination. (d) Except as otherwise required by Section 7, any payment required to be made pursuant to Section 7(c) shall be made to Buyer not later than two business days after delivery to the Company of notice of demand for payment and an itemization setting forth in reasonable detail all Expenses (as defined below) of Buyer (which itemization may be supplemented and updated from time to time by Buyer until the 60th day after Buyer delivers such notice of demand for payment), and shall be made by wire transfer of immediately available funds to an account designated by Buyer. Payment of the Termination Fee and Expenses described in Section 7(c) shall not be in lieu of damages incurred in the event of willful breach of the representations and warranties set forth in this Agreement or the willful breach of any of the covenants or agreements set forth in this Agreement. "Expenses" as used in this Agreement shall include all reasonable out of pocket expenses (including, without limitation, all fees and expenses of counsel, accountants, investment bankers, experts and consultants to a party hereto and its affiliates) incurred by a party or on its behalf in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement and all other matters related to the closing of the transactions contemplated hereunder. In the event that the Company shall fail to pay the Termination Fee or the Expenses when due, the term "Expenses" shall be deemed to include the costs and expenses actually incurred or accrued by Buyer (including, without limitation, fees and expenses of counsel) in connection with the collection under and enforcement of this Section 7(d), together with interest on such Termination Fee and unpaid Expenses, commencing on the date that such Termination Fee and Expenses became due, at a rate equal to the rate of interest publicly announced by Citibank, N.A., from time to time, in The City of New York, as such bank's Prime Rate plus 1.00%.

8. MISCELLANEOUS.

(a) Governing Law; Jurisdiction; Jury Trial. (b) Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature shall be considered due execution and shall be binding upon

(g) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any purchasers of the Notes. The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of Buyer and Parent. Subject to Sections 2(d) and 2(g), the Buyer may assign some or all of its rights hereunder without the consent of the Company.

(h) No Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

(j) Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as any other party may reasonably request to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(k) No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

(l) Remedies. The Buyer, Parent and each holder of the Securities shall have all rights and remedies set forth in the Transaction Documents and all rights and remedies which such holders have been granted at any time under any other agreement or contract and all of the rights which such holders have under any law. Any Person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. Furthermore, the Company recognizes that in the event that it fails to perform, observe, or discharge any or all of its obligations under the Transaction Documents, any remedy at law may prove to be inadequate relief to the Buyer or Parent. The Company therefore agrees that the Buyer or Parent shall be entitled to seek temporary and permanent injunctive relief in any such case without the necessity of proving actual damages and without posting a bond or other security.

(m) Each of the Company, the Buyer and the Parent shall pay the fees and disbursements of its own counsel in connection with the preparation of this Agreement and the other documents contemplated hereby and the closing of the transactions contemplated hereby.

THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) IF REASONABLY REQUESTED BY THE COMPANY, AN OPINION OF COUNSEL (WHICH COUNSEL SHALL BE SELECTED BY THE HOLDER), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT.

SUBORDINATED SECURED CONVERTIBLE PROMISSORY NOTE

[First Convertible Note]

\$30,000

August __, 2006

FOR VALUE RECEIVED, the undersigned, DSL.net, Inc., a Delaware corporation ("**Borrower**"), hereby promises to pay to MDS Acquisition, Inc., a Delaware corporation ("**Lender**"), or order, the principal sum of Thirty Thousand Dollars (\$30,000), together with accrued interest as provided herein. This Note is being issued pursuant to the Purchase Agreement, dated as of the date hereof, between Borrower, Lender and Lender's parent company, MegaPath Inc. (the "**Purchase Agreement**").

A. Interest. Interest shall accrue with respect to the principal sum hereunder at eight percent (8%) per annum. However, if an Event of Default, as defined herein, occurs and is continuing, then interest shall accrue at ten percent (10%) per annum. Interest payable hereunder shall be calculated on the basis of a three hundred sixty (360) day year for actual days elapsed.

B. Payment.

1. Scheduled Payment. The principal indebtedness, together with all accrued interest, shall be payable in full on December 31, 2007 (the "**Maturity Date**").

2. Prepayment. Borrower shall not have the right to prepay, in whole or in part, the principal of this Note without the prior written consent of Lender, given in its sole discretion.

3. Form of Payment. Principal and interest and all other amounts due hereunder are to be paid in lawful money of the United States of America in federal or other immediately available funds.

C. Security Interest and Subordination.

1. Security Interest. Borrower's obligations hereunder are secured by Borrower's grant of a security interest to Lender in all of Borrower's personal property (the "Collateral") pursuant to the Security Agreement, dated as of the date hereof, between Borrower and Lender (the "Security Agreement").

2. Subordination. Lender's Lien against the Collateral is subordinated to prior existing Liens granted to other lenders to Borrower, to the extent provided in the Subordination Agreement, dated as of the date hereof, by and among Borrower, Lender and Laurus Master Fund, Ltd. (the "Subordination Agreement").

D. Events of Default. During the continuance of an Event of Default, as defined in the Security Agreement, Lender shall have the right to exercise its rights and remedies with respect to Borrower and the Collateral as provided in the Security Agreement.

E. Conversion Right.

1. Conversion Right. Lender shall have the right (the "Conversion Right"), in its sole discretion, at any time to elect to convert the outstanding principal hereunder into such number of fully paid and nonassessable shares of Common Stock (such shares the "Conversion Shares") as determined by dividing the outstanding principal hereunder by the Conversion Price (as defined below); provided, however, that Lender may convert the outstanding principal hereunder into Common Stock only to the extent that the Conversion Shares, when aggregated with the Common Stock owned by Lender immediately prior to the conversion, would equal 9.9% of the Common Stock Outstanding, accounting for all antidilution adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares. The "Conversion Price" shall be the amount determined by dividing the outstanding principal hereunder by the number of shares of Common Stock that Lender needs to acquire in order to own 9.9% of the Common Stock Outstanding, accounting for all antidilution adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares.

2. Exercise of Conversion Right. To convert the outstanding principal hereunder into shares of Common Stock, Lender shall deliver to Borrower a written notice of election to exercise the Conversion Right (the "Conversion Notice"). Borrower shall, as soon as practicable thereafter, issue and deliver to Lender a certificate or certificates, registered in Lender's name, for the number of Conversion Shares to which Lender shall be entitled by virtue of such exercise. The conversion

of the outstanding principal shall be deemed to have been made on the date that Borrower receives the Conversion Notice (the "**Conversion Date**") and Lender shall be treated for all purposes as the record holder of the Conversion Shares as of such date.

3. **Acquisition.** Borrower shall give Lender written notice of an Acquisition no later than the date that notice of such event is given to Borrower's stockholders. Lender may deliver a Conversion Notice that provides that the exercise of the Conversion Right is contingent upon, and shall occur concurrent with, the closing of the Acquisition.

4. **Fractional Shares.** Borrower shall not issue fractional shares of Common Stock or scrip representing fractional shares of Common Stock upon exercise of the Conversion Right. As to any fractional share of Common Stock which Lender would otherwise be entitled to purchase from Borrower upon such exercise, Borrower shall purchase from Lender such fractional share at a price equal to an amount calculated by multiplying such fractional share (calculated to the nearest 1/100th of a share) by the fair market value of a share of Common Stock on the Conversion Date, as determined in good faith by Borrower's Board of Directors. Payment of such amount shall be made in cash or by check payable to the order of Lender at the time of delivery of any certificate or certificates arising upon such exercise.

5. **Dilutive Events.** If any event occurs as to which the other provisions of this Section E are not strictly applicable but the failure to make any adjustment would not fairly protect the Conversion Right in accordance with the essential intent and principles hereof, then, in each such case, Borrower shall appoint a firm of independent public accountants of recognized national standing (which may be Borrower's regular auditors) which shall give their opinion upon the adjustment, if any, on a basis consistent with the essential intent and principles established in this Section E, necessary to preserve, without dilution, the Conversion Right. Upon receipt of such opinion, Borrower shall promptly mail a copy thereof to Lender and shall make the adjustments described therein.

F. **Other Provisions.**

1. **Definitions.** As used herein, the following terms shall have the following meanings:

"**Acquisition**" means (i) the Borrower's merger, consolidation, or reorganization with one or more entities, corporate or otherwise, as a result of which the Borrower's stockholders immediately prior to such merger, consolidation or reorganization do not hold at least a majority of the stock of the surviving entity that is entitled to vote for the election of directors, or (ii) the Borrower sells all or substantially all of its assets.

"**Common Stock Outstanding**" means as of any date (i) all shares of Common Stock that are outstanding as of such date, plus (ii) all shares of Common Stock issuable upon conversion of Convertible Securities outstanding as of such date, whether or not convertible as of such date.

"Convertible Securities" means shares of stock or other securities (other than Options and evidences of indebtedness) which are convertible into or exchangeable for, with or without payment of additional consideration, shares of Common Stock, either immediately or upon the arrival of a specified date or the happening of a specified event or both.

"Option" means any right, warrant or option to subscribe or purchase shares of Common Stock or Convertible Securities.

Capitalized terms used herein without definition shall have the meanings assigned to them in the Security Agreement.

2. **Governing Law; Venue.** This Note shall be governed by the laws of the State of Delaware, without giving effect to conflicts of law principles. All actions or proceedings arising in connection with this Note shall be conducted in accordance with Section 8(a) of the Purchase Agreement.

3. **Notices.** Any notice or communication required or desired to be served, given or delivered hereunder shall be in the form and manner specified below, and shall be addressed to the party to be notified as provided in Section 8(f) of the Purchase Agreement.

4. **Lender's Rights; Borrower Waivers.** Lender's acceptance of partial or delinquent payment from Borrower hereunder, or Lender's failure to exercise any right hereunder, shall not constitute a waiver of any obligation of Borrower hereunder, or any right of Lender hereunder, and shall not affect in any way the right to require full performance at any time thereafter. Borrower waives presentment, diligence, demand of payment, notice, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note. In any action on this Note, Lender need not produce or file the original of this Note, but need only file a photocopy of this Note certified by Lender to be a true and correct copy of this Note in all material respects.

5. **Enforcement Costs.** Borrower shall pay all costs and expenses, including reasonable attorneys' fees and expenses Lender expends or incurs in connection with the enforcement of this Note, the collection of any sums due hereunder, any actions for declaratory relief in any way related to this Note, or the protection or preservation of any rights of the holder hereunder.

6. **Severability.** Whenever possible each provision of this Note shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision is prohibited by or invalid under applicable law, it shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Note.

7. Amendment Provisions. This Note may not be amended or modified, nor may any of its terms be waived, except by written instruments signed by Borrower and Lender.

8. Binding Effect. This Note shall be binding upon, and shall inure to the benefit of, Borrower and Lender and their respective successors and assigns; provided, however, that (i) Borrower's rights and obligations shall not be assigned or delegated without Lender's prior written consent, given in its sole discretion, and any purported assignment or delegation without such consent shall be void ab initio, and (ii) Lender may not assign, transfer or otherwise convey this Note to any Person that is not an Affiliate of Lender.

9. Time of Essence. Time is of the essence of each and every provision of this Note.

10. Headings. Section headings used in this Note have been set forth herein for convenience of reference only. Unless the contrary is compelled by the context, everything contained in each section hereof applies equally to this entire Note.

SUBORDINATED SECURED CONVERTIBLE PROMISSORY NOTE
[Second Convertible Note]

\$300,000

August __, 2006

FOR VALUE RECEIVED, the undersigned, DSL.net, Inc., a Delaware corporation ("**Borrower**"), hereby promises to pay to MDS Acquisition, Inc., a Delaware corporation ("**Lender**"), or order, the principal sum of Three Hundred Thousand Dollars (\$300,000), together with accrued interest as provided herein. This Note is being issued pursuant to the Purchase Agreement, dated as of the date hereof, between Borrower, Lender and Lender's parent company, MegaPath Inc. (the "**Purchase Agreement**").

A. Interest. Interest shall accrue with respect to the principal sum hereunder at eight percent (8%) per annum. However, if an Event of Default, as defined herein, occurs and is continuing, then interest shall accrue at ten percent (10%) per annum. Interest payable hereunder shall be calculated on the basis of a three hundred sixty (360) day year for actual days elapsed.

B. Payment.

1. Scheduled Payment. The principal indebtedness, together with all accrued interest, shall be payable in full on the later of (i) December 31, 2007, and (ii) the earlier of (A) December 31, 2008, and (B) the date that is thirty (30) days following the date on which the condition for exercise of the Conversion Right specified in clause (i) of the first sentence of Section E.1 is satisfied (the "**Maturity Date**").

2. Prepayment. Borrower shall not have the right to prepay, in whole or in part, the principal of this Note without the prior written consent of Lender, given in its sole discretion.

3. Form of Payment. Principal and interest and all other amounts due hereunder are to be paid in lawful money of the United States of America in federal or other immediately available funds.

C. Security Interest and Subordination.

1. Security Interest. Borrower's obligations hereunder are secured by Borrower's grant of a security interest to Lender in all of Borrower's personal property (the "Collateral") pursuant to the Security Agreement, dated as of the date hereof, between Borrower and Lender (the "Security Agreement").

2. Subordination. Lender's Lien against the Collateral is subordinated to prior existing Liens granted to other lenders to Borrower, to the extent provided in the Subordination Agreement, dated as of the date hereof, by and among Borrower, Lender and Laurus Master Fund, Ltd. (the "Subordination Agreement").

D. Events of Default. During the continuance of an Event of Default, as defined in the Security Agreement, Lender shall have the right to exercise its rights and remedies with respect to Borrower and the Collateral as provided in the Security Agreement.

E. Conversion Right.

1. Conversion Right. Subject to (i) Borrower having obtained any required regulatory approvals, the failure of which to obtain prior to Lender owning 49.9% of the Common Stock Outstanding would constitute a Material Adverse Effect (as defined in the Purchase Agreement), and (ii) Lender having exercised the conversion right with respect to the First Convertible Note, Lender shall have the right (the "Conversion Right"), in its sole discretion, at any time to elect to convert the outstanding principal hereunder into such number of fully paid and nonassessable shares of Common Stock (such shares the "Conversion Shares") as determined by dividing the outstanding principal hereunder by the Conversion Price (as defined below); provided, however, that Lender may convert the outstanding principal into Common Stock only to the extent that the Conversion Shares, when aggregated with the Common Stock owned by Lender immediately prior to the conversion, would equal 49.9% of the Common Stock Outstanding, accounting for all antidilution adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares. The "Conversion Price" shall be the amount determined by dividing the outstanding principal hereunder by the number of shares of Common Stock that Lender needs to acquire in order to own 49.9% of the Common Stock Outstanding, accounting for all antidilution adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares.

2. Exercise of Conversion Right. To convert any of the outstanding principal hereunder into shares of Common Stock, Lender shall deliver to Borrower a written notice of election to exercise the Conversion Right (the "**Conversion Notice**"). Borrower shall, as soon as practicable thereafter, issue and deliver to Lender a certificate or certificates, registered in Lender's name, for the number of Conversion Shares to which Lender shall be entitled by virtue of such exercise. The conversion of the outstanding principal shall be deemed to have been made on the date that Borrower receives the Conversion Notice (the "**Conversion Date**") and Lender shall be treated for all purposes as the record holder of the Conversion Shares as of such date.

3. Acquisition. Borrower shall give Lender written notice of an Acquisition no later than the date that notice of such event is given to Borrower's stockholders. Lender may deliver a Conversion Notice that provides that the exercise of the Conversion Right is contingent upon, and shall occur concurrent with, the closing of the Acquisition.

4. Fractional Shares. Borrower shall not issue fractional shares of Common Stock or scrip representing fractional shares of Common Stock upon exercise of the Conversion Right. As to any fractional share of Common Stock which Lender would otherwise be entitled to purchase from Borrower upon such exercise, Borrower shall purchase from Lender such fractional share at a price equal to an amount calculated by multiplying such fractional share (calculated to the nearest 1/100th of a share) by the fair market value of a share of Common Stock on the Conversion Date, as determined in good faith by Borrower's Board of Directors. Payment of such amount shall be made in cash or by check payable to the order of Lender at the time of delivery of any certificate or certificates arising upon such exercise.

5. Other Dilutive Events. If any event occurs as to which the other provisions of this Section E are not strictly applicable but the failure to make any adjustment would not fairly protect the Conversion Right in accordance with the essential intent and principles hereof, then, in each such case, Borrower shall appoint a firm of independent public accountants of recognized national standing (which may be Borrower's regular auditors) which shall give their opinion upon the adjustment, if any, on a basis consistent with the essential intent and principles established in this Section E, necessary to preserve, without dilution, the Conversion Right. Upon receipt of such opinion, Borrower shall promptly mail a copy thereof to Lender and shall make the adjustments described therein.

F. Other Provisions.

1. Definitions. As used herein, the following terms shall have the following meanings:

"**Acquisition**" means (i) the Borrower's merger, consolidation, or reorganization with one or more entities, corporate or otherwise, as a result of which the Borrower's stockholders immediately prior to such merger, consolidation or reorganization do not hold at least a majority of the stock of

the surviving entity that is entitled to vote for the election of directors, or (ii) the Borrower sells all or substantially all of its assets.

"Common Stock Outstanding" means as of any date (i) all shares of Common Stock that are outstanding as of such date, plus (ii) all shares of Common Stock issuable upon conversion of Convertible Securities outstanding as of such date, whether or not convertible as of such date.

"Convertible Securities" means evidence of indebtedness, shares of stock or other securities (other than Options and evidences of indebtedness) which are convertible into or exchangeable for, with or without payment of additional consideration, shares of Common Stock, either immediately or upon the arrival of a specified date or the happening of a specified event or both.

"Option" means any right, warrant or option to subscribe or purchase shares of Common Stock or Convertible Securities.

Capitalized terms used herein without definition shall have the meanings assigned to them in the Security Agreement.

2. **Governing Law; Venue.** This Note shall be governed by the laws of the State of Delaware, without giving effect to conflicts of law principles. All actions or proceedings arising in connection with this Note shall be conducted in accordance with Section 8(a) of the Purchase Agreement.

4. **Lender's Rights; Borrower Waivers.** Lender's acceptance of partial or delinquent payment from Borrower hereunder, or Lender's failure to exercise any right hereunder, shall not constitute a waiver of any obligation of Borrower hereunder, or any right of Lender hereunder, and shall not affect in any way the right to require full performance at any time thereafter. Borrower waives presentment, diligence, demand of payment, notice, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note. In any action on this Note, Lender need not produce or file the original of this Note, but need only file a photocopy of this Note certified by Lender be a true and correct copy of this Note in all material respects.

5. **Enforcement Costs.** Borrower shall pay all costs and expenses, including reasonable attorneys' fees and expenses Lender expends or incurs in connection with the enforcement of this Note, the collection of any sums due hereunder, any actions for declaratory relief in any way related to this Note, or the protection or preservation of any rights of the holder hereunder.

6. Severability. SUBORDINATED SECURED CONVERTIBLE PROMISSORY NOTE

[Third Convertible Note]

\$150,000

August __, 2006

FOR VALUE RECEIVED, the undersigned, DSL.net, Inc., a Delaware corporation ("**Borrower**"), hereby promises to pay to MDS Acquisition, Inc., a Delaware corporation ("**Lender**"), or order, the principal sum of One Hundred Fifty Thousand Dollars (\$150,000), together with accrued interest as provided herein. This Note is being issued pursuant to the Purchase Agreement, dated as of the date hereof, between Borrower, Lender and Lender's parent company, MegaPath Inc. (the "**Purchase Agreement**").

A. Interest. Interest shall accrue with respect to the principal sum hereunder at eight percent (8%) per annum. However, if an Event of Default, as defined herein, occurs and is continuing, then interest shall accrue at ten percent (10%) per annum. Interest payable hereunder shall be calculated on the basis of a three hundred sixty (360) day year for actual days elapsed.

B. Payment.

1. Scheduled Payment. The principal indebtedness, together with all accrued interest, shall be payable in full on the later of (i) December 31, 2007, and (ii) the earlier of (A) December 31, 2008, and (B) the date that is thirty (30) days following the date on which the condition for exercise of the Conversion Right specified in clause (i) of the first sentence of Section E.1 is satisfied (the "**Maturity Date**").

2. Prepayment. Borrower shall not have the right to prepay, in whole or in part, the principal of this Note without the prior written consent of Lender, given in its sole discretion.

3. Form of Payment. Principal and interest and all other amounts due hereunder are to be paid in lawful money of the United States of America in federal or other immediately available funds.

C. Security Interest and Subordination.

1. Security Interest. Borrower's obligations hereunder are secured by Borrower's grant of a security interest to Lender in all of Borrower's personal property (the "Collateral") pursuant to the Security Agreement, dated as of the date hereof, between Borrower and Lender (the "Security Agreement").

2. Subordination. Lender's Lien against the Collateral is subordinated to prior existing Liens granted to other lenders to Borrower, to the extent provided in the Subordination Agreement, dated as of the date hereof, by and among Borrower, Lender and Laurus Master Fund, Ltd. (the "Subordination Agreement").

D. Events of Default. During the continuance of an Event of Default, as defined in the Security Agreement, Lender shall have the right to exercise its rights and remedies with respect to Borrower and the Collateral as provided in the Security Agreement.

E. Conversion Right.

1. Conversion Right. Subject to (i) Borrower having obtained any required regulatory approvals, the failure of which to obtain prior to Lender owning 51% of the Common Stock Outstanding would constitute a Material Adverse Effect (as defined in the Purchase Agreement), and (ii) Lender having exercised the conversion right with respect to (A) the First Convertible Note and (B) the Second Convertible Note, Lender shall have the right (the "Conversion Right"), in its sole discretion, at any time to elect to convert the outstanding principal hereunder into such number of fully paid and nonassessable shares of Common Stock (such shares the "Conversion Shares") as determined by dividing the outstanding principal by the Conversion Price (as defined below); provided, however, that Lender may convert the outstanding principal hereunder into Common Stock only to the extent that the Conversion Shares, when aggregated with the Common Stock owned by Lender immediately prior to the conversion, would equal fifty-one percent (51%) of the Common Stock Outstanding, accounting for all antidilution adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares. The "Conversion Price" shall be the amount determined by dividing the outstanding principal hereunder by the number of shares of Common Stock that Lender needs to acquire in order to own 51% of the Common Stock Outstanding, accounting for all antidilution

adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares.

2. Exercise of Conversion Right. To convert any of the outstanding principal hereunder into shares of Common Stock, Lender shall deliver to Borrower a written notice of election to exercise the Conversion Right (the "Conversion Notice"). Borrower shall, as soon as practicable thereafter, issue and deliver to Lender a certificate or certificates, registered in Lender's name, for the number of Conversion Shares to which Lender shall be entitled by virtue of such exercise. The conversion of the outstanding principal shall be deemed to have been made on the date that Borrower receives the Conversion Notice (the "Conversion Date") and Lender shall be treated for all purposes as the record holder of the Conversion Shares as of such date.

3. Acquisition. Borrower shall give Lender written notice of an Acquisition no later than the date that notice of such event is given to Borrower's stockholders. Lender may deliver a Conversion Notice that provides that the exercise of the Conversion Right is contingent upon, and shall occur concurrent with, the closing of the Acquisition.

4. Fractional Shares. Borrower shall not issue fractional shares of Common Stock or scrip representing fractional shares of Common Stock upon exercise of the Conversion Right. As to any fractional share of Common Stock which Lender would otherwise be entitled to purchase from Borrower upon such exercise, Borrower shall purchase from Lender such fractional share at a price equal to an amount calculated by multiplying such fractional share (calculated to the nearest 1/100th of a share) by the fair market value of a share of Common Stock on the Conversion Date, as determined in good faith by Borrower's Board of Directors. Payment of such amount shall be made in cash or by check payable to the order of Lender at the time of delivery of any certificate or certificates arising upon such exercise.

5. Other Dilutive Events. If any event occurs as to which the other provisions of this Section E are not strictly applicable but the failure to make any adjustment would not fairly protect the Conversion Right in accordance with the essential intent and principles hereof, then, in each such case, Borrower shall appoint a firm of independent public accountants of recognized national standing (which may be Borrower's regular auditors) which shall give their opinion upon the adjustment, if any, on a basis consistent with the essential intent and principles established in this Section E, necessary to preserve, without dilution, the Conversion Right. Upon receipt of such opinion, Borrower shall promptly mail a copy thereof to Lender and shall make the adjustments described therein.

F. Other Provisions.1. Definitions. As used herein, the following terms shall have the following meanings:

"**Acquisition**" means (i) the Borrower's merger, consolidation, or reorganization with one or more entities, corporate or otherwise, as a result of which the Borrower's stockholders immediately prior to such merger, consolidation or reorganization do not hold at least a majority of the stock of the surviving entity that is entitled to vote for the election of directors, or (ii) the Borrower sells all or substantially all of its assets.

"**Common Stock Outstanding**" means as of any date (i) all shares of Common Stock that are outstanding as of such date, plus (ii) all shares of Common Stock issuable upon conversion of Convertible Securities outstanding as of such date, whether or not convertible as of such date, plus (iii) all shares of Common Stock issuable upon exercise of Options outstanding as of such date, whether or not such Options are exercisable as of such date (assuming for this purpose that Convertible Securities acquirable upon exercise of any such Options are converted into Common Stock as of such date).

"**Convertible Securities**" means evidence of indebtedness (other than this Note, the First Convertible Note, the Second Convertible Note and the Fourth Convertible Note), shares of stock or other securities (other than Options) which are convertible into or exchangeable for, with or without payment of additional consideration, shares of Common Stock, either immediately or upon the arrival of a specified date or the happening of a specified event or both.

"**Option**" means any right, warrant or option to subscribe or purchase shares of Common Stock or Convertible Securities.

Capitalized terms used herein without definition shall have the meanings assigned to them in the Security Agreement.

2. Governing Law; Venue. This Note shall be governed by the laws of the State of Delaware, without giving effect to conflicts of law principles. All actions or proceedings arising in connection with this Note shall be conducted in accordance with Section 8(a) of the Purchase Agreement.

3. Notices. Any notice or communication required or desired to be served, given or delivered hereunder shall be in the form and manner specified below, and shall be addressed to the party to be notified as provided in Section 8(f) of the Purchase Agreement.

4. Lender's Rights; Borrower Waivers. Lender's acceptance of partial or delinquent payment from Borrower hereunder, or Lender's failure to exercise any right hereunder, shall not

constitute a waiver of any obligation of Borrower hereunder, or any right of Lender hereunder, and shall not affect in any way the right to require full performance at any time thereafter. Borrower waives presentment, diligence, demand of payment, notice, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note. In any action on this Note, Lender need not produce or file the original of this Note, but need only file a photocopy of this Note certified by Lender to be a true and correct copy of this Note in all material respects.

5. Enforcement Costs. Borrower shall pay all costs and expenses, including reasonable and documented attorneys' fees and expenses Lender expends or incurs in connection with the enforcement of this Note, the collection of any sums due hereunder, any actions for declaratory relief in any way related to this Note, or the protection or preservation of any rights of the holder hereunder.

6. Severability. Whenever possible each provision of this Note shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision is prohibited by or invalid under applicable law, it shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Note.

7. Amendment Provisions. This Note may not be amended or modified, nor may any of its terms be waived, except by written instruments signed by Borrower and Lender.

8. Binding Effect. This Note shall be binding upon, and shall inure to the benefit of, Borrower and Lender and their respective successors and assigns; provided, however, that (i) Borrower's rights and obligations shall not be assigned or delegated without Lender's prior written consent, given in its sole discretion, and any purported assignment or delegation without such consent shall be void ab initio, and (ii) Lender may not assign, transfer or otherwise convey this Note to any Person that is not an Affiliate of Lender.

9. Time of Essence. Time is of the essence of each and every provision of this Note.

10. Headings. Section headings used in this Note have been set forth herein for convenience of reference only. Unless the contrary is compelled by the context, everything contained in each section hereof applies equally to this entire Note.

E. Conversion Right.

1. Conversion Right. Subject to (i) the filing with the Secretary of State of the State of Delaware (after approval of Borrower's stockholders) of an amendment to Borrower's Amended and Restated Certificate of Incorporation authorizing a sufficient number of shares of Common Stock, and (ii) Lender having exercised the conversion right with respect to (A) the First Convertible Note, (B) the Second Convertible Note, and (C) the Third Convertible Note, Lender shall have the right (the "Conversion Right"), in its sole discretion, at any time to elect to convert the outstanding principal hereunder into such number of fully paid and nonassessable shares of Common Stock (such shares the "Conversion Shares") as determined by dividing the outstanding principal by the Conversion Price (as defined below); provided, however, that Lender may convert the outstanding principal hereunder into Common Stock only to the extent that the Conversion Shares, when aggregated with the Common Stock owned by Lender immediately prior to the conversion, would equal ninety-one percent (91%) of the Common Stock Outstanding, accounting for all antidilution adjustments to then outstanding Convertible Securities and Options that would result from such issuance of the Conversion Shares. The Second Lien Collateral Agent and each Second Lien Claimholder agrees that it shall not, with respect to the Second Lien Obligations, take or receive from or on behalf of the Borrower, directly or indirectly, in cash or other property or by setoff, counterclaim or in any other manner (whether pursuant to any enforcement, collection, execution, levy, foreclosure action or other proceeding or otherwise) any Common Collateral or any proceeds of Common Collateral, unless and until all First Lien Obligations have been paid in full in accordance with Section 3.2 hereof. Without limiting the generality of the foregoing, unless and until the First Lien Obligations have been paid in full, except as expressly provided herein or in the Laurus Security Agreement, the sole right of the Second Lien Collateral Agent and the Second Lien Claimholders with respect to the Common Collateral is to hold a Lien on the Common Collateral pursuant to the MDS Security Agreement and the MDS Notes for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after payment in full of the First Lien Obligations; *provided however*, that nothing in this paragraph shall be construed to impair the right of the Second Lien Claimholders to receive payments of principal, interest, fees and other amounts in respect of the Second Lien Obligations as provided for in the MDS Security Agreement and

the MDS Notes, and to enforce the making of such payments by bringing suit at law with respect to any unpaid amounts of such payments. Each of the Second Lien Collateral Agent and the Second Lien Claimholders (i) further agrees that the Second Lien Collateral Agent and the other Second Lien Claimholders will not take any action that would hinder, delay, limit, impede or prohibit any exercise of remedies by the First Lien Collateral Agent to the extent related to satisfying the First Lien Obligations, including any collection, sale, lease, exchange, transfer or other Disposition of the Common Collateral, whether by foreclosure or otherwise, or that would limit, invalidate, avoid or set aside any Lien or Collateral Document securing or purporting to secure the First Lien Obligations or subordinate the priority of the First Lien Obligations to the Second Lien Obligations with respect to the Common Collateral or grant the Liens securing the Second Lien Obligations with respect to the Common Collateral equal in ranking to the Liens securing the First Lien Obligations and (ii) hereby waives any and all rights it may have (other than as specified herein) as a junior lien creditor or otherwise (whether arising under the UCC or under any other Law) to object to the manner in which the First Lien Collateral Agent or the First Lien Claimholders seek to enforce or collect the First Lien Obligations or the Liens now or hereafter granted in any Common Collateral to secure the First Lien Obligations, regardless of whether any action or failure to act by or on behalf of the First Lien Collateral Agent or the First Lien Claimholders is adverse to the interest of the Second Lien Claimholders. Notwithstanding the foregoing or anything else contained herein, (i) the Second Lien Collateral Agent and the other Second Lien Claimholders may sue upon any claim they may have with respect to the Non-Common Collateral (whether pursuant to an Insolvency or Liquidation Proceeding or otherwise) or take any action with respect to the Non-Common Collateral (including, without limitation, a Disposition of the Non-Common Collateral), the Borrower or any of its Subsidiaries or enforce their Lien in the Non-Common Collateral, without consent, notice or consultation with the First Lien Collateral Agent or any other First Lien Claimholder and (ii) the Second Lien Collateral Agent and the other Second Lien Claimholders may sue upon any claim they may have with respect to the Common Collateral (whether pursuant to an Insolvency or Liquidation Proceeding or otherwise) or take any action with respect to the Common Collateral (including, without limitation, a Disposition of the Common Collateral), the Borrower or any of its Subsidiaries or enforce their Lien in the Common Collateral, without consent, notice or consultation with the First Lien Collateral Agent or any other First Lien Claimholder if the First Lien Collateral Agent or any other First Lien Claimholders has not taken any of the actions specified in this clause (ii) with respect to the Common Collateral within 120 days after any First Lien Claimholder has knowledge of the occurrence of an Event of Default under the Laurus Security Agreement and such Event of Default shall not have been cured and/or waived within the 120-day period following the date on which such First Lien Claimholder has knowledge of the occurrence of such Event of Default; it being understood and agreed that for purposes of this Section 3.1, the First Lien Claimholders will be deemed to have knowledge of the occurrence of an Event of Default if any Second Lien Claimholder notifies a First Lien Claimholder of such occurrence. Any proceeds of Common Collateral recovered pursuant to the actions of the Second Lien Collateral Agent or the other Second Lien Claimholders pursuant to the foregoing clause (ii) shall be applied in the manner specified in Section 3.2 and shall be subject to the provisions of Section 4.1.

3.2 Application of Proceeds of Common Collateral

Fourth, to payment of that portion of the First Lien Obligations constituting accrued and unpaid interest on the Loans, ratably among the First Lien Lenders in proportion to the respective amounts described in this clause Fourth payable to them;

Fifth, to payment of that portion of the First Lien Obligations constituting unpaid principal of the Loans, ratably under this clause Fifth among the First Lien Lenders in proportion to the aggregate amounts of such Loans owing to First Lien Lenders then due and payable;

Sixth, to payment of that portion of the Second Lien Obligations constituting fees, indemnities, expenses and other amounts (including the reasonable fees and expenses of counsel) payable to the Second Lien Collateral Agent in its capacity as such;

Seventh, to payment of all other Second Lien Obligations of the Borrower and its Subsidiaries owing under or in respect of the MDS Security Agreement and the MDS Notes, including, without limitation, fees, unpaid principal, accrued and unpaid interest, indemnities and other amounts (including the reasonable fees and expenses of counsel) that are due and payable to the Second Lien Collateral Agent and the Second Lien Lenders, ratably based upon the respective aggregate amounts of all such Second Lien Obligations owing to the Second Lien Lenders on such date; and

Last, the balance, if any, after all of the First Lien Obligations and Second Lien Obligations have been paid in full, to the Borrower or as otherwise required by Law.

The First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for the Second Lien

Collateral Agent or any such Second Lien Claimholder. This authorization is coupled with an interest and is irrevocable.

Section 5. Other Agreements

5.1 Amendments to Second Lien Collateral Documents

Without the prior written consent of the First Lien Collateral Agent, no provision of any Second Lien Collateral Document relating to the Common Collateral may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Lien Collateral Document, would contravene the provisions of this Agreement.

5.2 Rights As Unsecured Creditors

Except as otherwise set forth in Section 3.1 of this Agreement but subject to the penultimate sentence of Section 3.1, the Second Lien Collateral Agent and the Second Lien Claimholders may exercise rights and remedies as secured creditors as to the Non-Common Collateral and as unsecured creditors against the Borrower in accordance with the terms of the MDS Security Agreement, the MDS Notes and applicable Law. Except as otherwise set forth in Section 3.1 of this Agreement, the First Lien Collateral Agent and the First Lien Claimholders may exercise rights and remedies as secured creditors as to the Common Collateral and as unsecured creditors against the Borrower in accordance with the terms of the Laurus Security Agreement, the Ancillary Agreements referred to therein and applicable Law. Except as otherwise set forth in Section 3.1 of this Agreement, nothing in this Agreement shall prohibit the receipt by the Second Lien Collateral Agent or any Second Lien Claimholder of the required payments of interest and principal and other amounts due in respect of the Second Lien Obligations so long as such receipt is not the direct or indirect result of the exercise by the Second Lien Collateral Agent or any Second Lien Claimholders of rights or remedies as a secured creditor against the Common Collateral or enforcement in contravention of this Agreement, the MDS Security Agreement or the MDS Notes of any Lien held by any of them in the Common Collateral. Except as otherwise set forth in Section 3.1 of this Agreement, nothing in this Agreement shall prohibit the receipt by the First Lien Collateral Agent or any First Lien Claimholder of the required payments of interest and principal and other amounts due in respect of the First Lien Obligations so long as such receipt is not the direct or indirect result of the exercise by the First Lien Collateral Agent or any First Lien Claimholders of rights or remedies as a secured creditor against the Non-Common Collateral or enforcement in contravention of this Agreement, the Laurus Security Agreement or the Ancillary Agreements referred to therein of any Lien held by any of them in the Non-Common Collateral.

5.3 *First Lien Collateral Agent as Bailee; Representative; Relationship*

(a) The First Lien Collateral Agent agrees to hold the Common Collateral that is in its possession or “control” (as defined in the UCC) (or in the possession or “control” of its agents or bailees) as bailee or as agent, as the case may be, for the Second Lien Collateral Agent and any assignee solely for the purpose of perfecting the security interest granted in such Collateral to the Second Lien Collateral Agent pursuant to other applicable Collateral Documents, subject to the terms and conditions of this Section 5.3. For the avoidance of doubt, solely for purposes of perfecting the Liens in favor of the Second Lien Collateral Agent, the First Lien Collateral Agent agrees that it shall be the agent of the Second Lien Collateral Agent with respect to any Deposit Accounts or other documents or instruments included in the Common Collateral that are controlled or held by the First Lien Collateral Agent.

(b) Except as otherwise expressly provided for herein, until the First Lien Obligations are paid in full, the First Lien Collateral Agent shall be entitled to deal with the Common Collateral in accordance with the terms of this Agreement, the Laurus Security Agreement and the Ancillary Agreements as if the Liens of the Second Lien Claimholders under the MDS Security Agreement and the MDS Notes did not exist. (a) Notwithstanding anything in the Laurus Security Agreement to the contrary, the Borrower agrees that, prior to the payment in full of the First Lien Obligations, no amendment of the Laurus Security Agreement or waiver of the terms of the Laurus Security Agreement shall be effective without the Borrower obtaining the consent to such amendment or waiver by the Required Second Lien

Lenders if such amendment or waiver seeks the consent of any of the Lenders to increase the Capital Availability Amount to an aggregate amount in excess of \$5,000,000.

(b) The First Lien Collateral Agent agrees not to subordinate any Lien on the Common Collateral to the Lien of any other creditor of the Borrower without the consent of the Required Second Lien Lenders.

5.5 Actions in Connection with Certain Refinancings

If, at any time concurrently with or after the First Lien Obligations are deemed for purposes of this Agreement “paid in full”, the Borrower enters into a Refinancing (as defined below) of any First Lien Obligation, then the obligations under such Refinancing shall automatically and immediately be treated as First Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Common Collateral set forth herein, and the first lien collateral agent under the documents and other instruments evidencing such Refinancing (the “*New First Lien Agent*”) shall be deemed to be the First Lien Collateral Agent. Upon receipt of a notice stating that the Borrower has entered into a new loan document in connection with a Refinancing (which notice shall include the identity of the New First Lien Agent), the Second Lien Collateral Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrower or such New First Lien Agent may reasonably request in order to provide to the New First Lien Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement. As used in this Section 5.5, the term “*Refinancing*” means any modification, refinancing, refunding, renewal or extension of any First Lien Obligation, subject to the limitation in Section 5.4(a) hereof.

Section 6. Insolvency or Liquidation Proceedings

6.1 Relief From the Automatic Stay

Subject to the penultimate sentence of Section 3.1, the Second Lien Collateral Agent and each Second Lien Claimholder agrees that it will not seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Common Collateral, without the prior written consent of the First Lien Collateral Agent and the Required First Lien Lenders.

6.2 No Waiver

Nothing contained herein shall prohibit or in any way limit the First Lien Collateral Agent or any First Lien Claimholder from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by the Second Lien Collateral Agent or any Second Lien Claimholder, including, without limitation, the seeking by the Second Lien Collateral Agent or any Second Lien Claimholder of Adequate Protection or the asserting by any Second Lien Claimholder of any of its rights and remedies under the MDS Security Agreement or the MDS Notes or otherwise.

6.3 Preference Issues

If any Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the Borrower any amount received in connection with the Common Collateral (a “*Recovery*”), then the First Lien Obligations or Second Lien Obligations, as the case may be, of such Claimholder shall be reinstated to the extent of such Recovery and such Claimholder shall be entitled to receive payment in full of all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and

such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto.

Section 7. Waivers; etc.

7.1 No Waiver of Provisions

(a) No right of any of the First Lien Claimholders to enforce any provision of this Agreement shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Borrower or any of its Subsidiaries or by any act or failure to act by any First Lien Claimholder or the First Lien Collateral Agent (subject, however, to the penultimate sentence of Section 3.1), or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, the Laurus Security Agreement, the Ancillary Agreements, the MDS Security Agreement or the MDS Notes, regardless of any knowledge thereof which the First Lien Collateral Agent or the First Lien Claimholders, or any of them, may have or be otherwise charged with.

(b) Each of the Second Lien Collateral Agent and each Second Lien Claimholder also agrees that the First Lien Claimholders and the First Lien Collateral Agent shall have no liability to the Second Lien Collateral Agent or any Second Lien Claimholders, and the Second Lien Collateral Agent and each Second Lien Claimholder hereby waives any claim against any First Lien Claimholder or the First Lien Collateral Agent arising out of any and all actions which any of the First Lien Claimholders or the First Lien Collateral Agent may take or permit or omit to take with respect to (i) the Laurus Security Agreement or the Ancillary Agreements, (ii) the collection of the First Lien Obligations or (iii) the foreclosure upon, or sale, liquidation or other Disposition of, the Common Collateral (except only, in the case of Common Collateral, to the extent such foreclosure, sale, liquidation or other disposition is not made in a commercially reasonable manner in accordance with the UCC or contrary to this Agreement or the Laurus Security Agreement, the Ancillary Agreements, the MDS Security Agreement or the MDS Notes). The Second Lien Collateral Agent and each Second Lien Claimholder agrees that the First Lien Collateral Agent and the First Lien Claimholders have no duty to them in respect of the maintenance or preservation of the Common Collateral.

(c) Unless and until the First Lien Obligations are paid in full, the Second Lien Collateral Agent and each Second Lien Claimholder agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshaling, appraisal, valuation or other similar right that may otherwise be available under applicable law or any other similar rights a secured creditor may have under applicable law with respect to the Common Collateral.

7.2 Obligations Unconditional

All rights, interests, agreements and obligations of the First Lien Collateral Agent and the First Lien Claimholders and the Second Lien Collateral Agent and the Second Lien Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of the Laurus Security Agreement, the Ancillary Agreements, the MDS Security Agreement or the MDS Notes;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations, or any amendment or waiver or other modification, including, without limitation, any increase in the amount of Second Lien Obligations, whether by course of conduct or otherwise, of the terms of the Laurus Security Agreement or of the terms

of the Ancillary Agreements, the MDS Security Agreement or the MDS Notes made in accordance with their terms;

(c) any exchange, release or nonperfection of any security interest in any Common Collateral or any other collateral, or any release, amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding; or

Collateral, the proceeds thereof are insufficient to pay all amounts to which Lender is legally entitled, Borrower shall be liable for the deficiency, together with interest thereon at the default rate specified in the Notes, and the reasonable and documented fees of any attorneys Lender employs to collect such deficiency; provided, however, that the foregoing shall not be deemed to require Lender to resort to or initiate proceedings against the Collateral prior to the collection of any such deficiency from Borrower. To the extent permitted by applicable law, Borrower waives all claims, damages and demands against Lender arising out of the retention or sale or lease of the Collateral or other exercise of Lender's rights and remedies with respect thereto.

(d) To the extent permitted by law, Borrower covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take or insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or the decree, judgment or order of any court of competent jurisdiction; or, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to Lender, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

(e) Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all Borrower's right, title, interest, claim and demand whatsoever, either at law or in equity, in and to the Collateral sold, and shall be a perpetual bar, both at law and in equity, against Borrower, its successors and assigns, and against all persons and entities claiming the Collateral sold or any part thereof under, by or through Borrower, its successors or assigns.

(f) Borrower appoints Lender, and any officer, employee or agent of Lender, with full power of substitution, as Borrower's true and lawful attorney-in-fact, effective as of the date hereof, with power, in its own name or in the name of Borrower, during the continuance of an Event of Default, to endorse any notes, checks, drafts, money orders, or other instruments of payment in respect of the Collateral that may come into Lender's possession, to sign and endorse any drafts against debtors, assignments, verifications and notices in connection with accounts, and other documents relating to Collateral; to pay or discharge taxes or Liens at any time levied or placed on or threatened against the Collateral; to demand, collect, issue receipt for, compromise, settle and sue for monies due in respect of the Collateral; to notify parties obligated with respect to the Collateral to make payments directly to Lender; and, generally, to do, at Lender's option and at Borrower's expense, at any time, or from time to time, all acts and things which Lender deems necessary to protect, preserve and realize upon the Collateral and Lender's security interest therein to effect the intent of this Agreement, all as fully and effectually as Borrower might or could do; provided that Lender provides Borrower with prompt notice of such actions having been taken and Borrower hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable as long as any of the Obligations are outstanding.

(g) All of Lender's rights and remedies with respect to the Collateral, whether established hereby or by any other agreements, instruments or documents or by law shall be cumulative and may be exercised singly or concurrently.

6. Term. The term of this Agreement shall begin on the date stated above and shall continue and be binding upon Borrower until all Obligations have been fully paid (other than contingent indemnification obligations).

7. Miscellaneous.

(a) Indemnity. Borrower shall defend, indemnify and hold harmless Lender and its stockholders, directors, officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Agreement and the Notes; and (b) all losses and expenses in any way suffered, incurred, or paid by Lender as a result of or in any way arising out of, following, or consequential to transactions between Lender and Borrower whether under this Agreement or the Notes, or otherwise (including reasonable and documented attorneys' fees and expenses), except for losses caused by Lender's gross negligence or willful misconduct. The indemnity under this Section 7(a) shall survive payment, performance and discharge of the Obligations and the termination of this Agreement until applicable statutes of limitations for actions that may be brought against Lender have run.

(b) Limitation on Lender' Duty in Respect of Collateral. Lender shall not have any obligation or liability under any contract or license by reason of or arising out of this Agreement or the granting of a security interest therein or the receipt of any payment relating to any contract or license pursuant hereto, nor shall Lender be required or obligated in any manner to perform or fulfill any of Borrower's obligations under or pursuant to any contract or license, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any contract or license, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times. Lender shall be deemed to have acted reasonably in the custody, preservation and disposition of any of the Collateral if it takes such action as Borrower requests in writing, but Lender's failure to comply with any such request shall not in itself be deemed a failure to act reasonably, and no failure of Lender to do any act not so requested shall be deemed a failure to act reasonably.

(c) Governing Law. This Agreement is governed by and shall be construed in accordance with the laws of the State of Delaware, without reference to the conflicts of law provisions thereof except as required by mandatory provisions of law and to the extent the validity or perfection of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than Delaware.

(d) Severability of Provisions. If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this

Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

(e) Time of the Essence. Time is of the very essence of this Agreement.

(f) Notices. All notices required or permitted hereunder shall be in writing and shall be given, and be deemed effective, in accordance with Section 8(f) of the Purchase Agreement.

(g) Waiver; Amendment. No failure or delay on Lender's part in the exercise of any right or remedy, power or privilege shall operate as a waiver thereof. No single or partial exercise of a right or remedy, power or privilege shall preclude other or further exercise thereof. No waiver of any right hereunder shall be effective unless in a writing executed by Lender and Borrower. Any such waiver shall be effective only for the specific purpose for which it is given. The rights and remedies under this Agreement are cumulative and not exclusive of any other rights, remedies, powers or privileges that may otherwise be available to Lender. No provision of this Agreement may be amended, waived or modified or rights modified or released, other than by a document signed by Borrower and Lender. This Agreement may be amended, waived or modified upon the written consent of Borrower and Lender.

(h) Binding Effect. This Agreement shall be binding upon, and shall inure to the benefit of, Borrower and Lender and their respective successors and assigns; provided, however, that (i) Borrower's rights and obligations shall not be assigned or delegated without Lender's prior written consent, given in its sole discretion, and any purported assignment or delegation without such consent shall be void ab initio, and (ii) Lender may not assign any of the Obligations, or its rights and obligations hereunder, to any Person that is not an Affiliate of Lender.

(i) Counterparts. This Agreement may be executed by facsimile and in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

"Shares" shall mean any securities of the Company that Stockholder now and hereafter owns beneficially or of record or to which Stockholder otherwise has the power to vote, or directs the vote.

SECTION 1.02 Grant of Irrevocable Proxy. Concurrently with the execution of this Agreement, Stockholder agrees to deliver to Parent a proxy with respect to the Shares in the form attached hereto as Exhibit A, which shall be coupled with an interest and irrevocable to the fullest extent permissible by law.

REPRESENTATIONS, WARRANTIES AND COVENANTS OF STOCKHOLDER

SECTION 2.01 Stockholder hereby represents and warrants to Parent as follows:

(a) Authorization; Binding Agreement. Stockholder has all legal right, power, authority and capacity to execute and deliver this Agreement and to perform Stockholder's obligations hereunder, and to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by or on behalf of Stockholder and, assuming its due authorization, execution and delivery by or on behalf of Parent, constitutes a legal, valid and binding obligation of Stockholder, enforceable against Stockholder in accordance with its terms, subject to (i) the effect of any applicable bankruptcy, insolvency, moratorium or similar law affecting creditors' rights generally and (ii) rules of law governing specific performance, injunctive relief and other equitable remedies.

(b) No Conflict; Required Filings and Consents.

(i) The execution and delivery of this Agreement to Parent by Stockholder does not, and the performance of this Agreement by Parent and Stockholder will not, (A) conflict with or violate, in a manner that would or would be reasonably expected to prevent or materially delay the performance by Stockholder of Stockholder's obligations under this Agreement, any statute, law, rule, regulation, order, judgment or decree applicable to Stockholder or by which Stockholder or the Shares are bound or affected, (B) violate or conflict with the Certificate of Incorporation, Bylaws or other equivalent organizational documents of Stockholder (if any), or (C) result in or constitute (with or without notice or lapse of time or both) any material breach of or default under, or give to another party any right of termination, amendment, acceleration or cancellation of, or result in the creation of any lien or encumbrance or restriction on the Shares pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which Stockholder is a party or by which Stockholder or the Shares are bound or affected, such that Stockholder would not, or would not be reasonably expected to, be able to perform, or would be materially delayed in performing, its obligations under this Agreement. the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not and would not reasonably be expected to prevent or materially delay the performance by Stockholder of Stockholder's obligations under this Agreement. Stockholder does not have any understanding in effect with respect to the voting or transfer of any Shares.

SECTION 2.02 Further Assurances. From time to time and without additional consideration, Stockholder shall execute and deliver, or cause to be executed and delivered, such additional transfers, assignments, endorsements, proxies, consents and other instruments, and shall take such further actions, as Parent may reasonably request for the purpose of carrying out and furthering the intent of this Agreement.

ARTICLE III

GENERAL PROVISIONS

SECTION 3.01 Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the parties, and supersedes all prior agreements and undertakings, both written and oral, between the parties, with respect to the subject matter hereof. This Agreement may not be amended or modified except in an instrument in writing signed by, or on behalf of, the parties hereto.

SECTION 3.02 Assignment. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that any assignment, delegation or attempted transfer of any rights, interests or obligations under this Agreement by Stockholder without the prior written consent of Parent shall be void.

SECTION 3.03 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable law in an acceptable manner.

SECTION 3.04 Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement is not performed in accordance with its specific terms or is otherwise breached. Stockholder agrees that, in the event of any breach or threatened breach by Stockholder of any covenant or obligation contained in this Agreement, Parent may (in addition to any other remedy that may be available to it, including monetary damages) seek and obtain (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, and (b) an injunction restraining such breach or threatened breach. Stockholder further agrees that Parent shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 3.04, and Stockholder irrevocably waives any

right he, she or it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

SECTION 3.05 Governing Law; Forum. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts executed in and to be performed in that state and without regard to any applicable conflicts of law.

SECTION 3.06 No Waiver. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Neither Parent nor Stockholder shall be deemed to have waived any claim available to it arising out of this Agreement, or any right, power or privilege hereunder, unless the waiver is expressly set forth in writing duly executed and delivered on behalf of Parent or such Stockholder, as applicable. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

SECTION 3.07 Counterparts. This Agreement may be executed in two or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, each of Parent and Stockholder has executed or has caused this Voting Agreement to be executed by their respective duly authorized officers as of the date first written above.
