NOTICE REGARDING STAFF DIRECT FILING

COMES NOW the Staff ("Staff") of the Missouri Public Service Commission ("Commission"), and relating to its direct filing states as follows:

1. On Thursday, August 9, 2012, Staff filed the Highly Confidential version of its Cost of Service Report. That report contained certain errors, described below. A version of Staff's Cost of Service Report with these errors corrected is being filed concurrently with this pleading. The only modifications to the version of the Report that was filed on August 9 are as follows:

- Page 169 contains Highly Confidential information. Although the information that is Highly Confidential is designated with underscores and asterisks, the bottom corner of the page was not designated with a stamp of "HC."
- Page 230, lines 11-12 are inaccurate and should not have been included in Staff's Report. In the attached Report these lines are deleted in their entirety.

2. Undersigned counsel initially misfiled testimony from Case No. ER-2012-0174 in this docket. Per request, the data center removed these misfiled documents from the EFIS docket for Case No. ER-2012-0175. Those documents were the Direct Testimony of Cary Featherstone in Case No. ER-2012-0174, and the Direct Testimony of Dan Beck in Case No. ER-2012-0174.

3. Due to network-related problems, Staff's redaction of its Cost of Service Report was delayed. The Non-Proprietary (NP) version of Staff's Cost of Service

Report is being filed concurrently with this pleading. The items described in paragraph 1, above, are corrected in this NP version. Staff apologizes for any inconvenience occasioned by the delay of its NP Report filing.

WHEREFORE, Staff submits this Notice related to its direct filing.

Respectfully Submitted,

/s/ Sarah Kliethermes
