

4. After filing the notice of agreement, the Company alerted Staff that an amount of \$2,500 had been omitted inadvertently from the Company's cost of service. The amount reflects the Company's costs for permit fees required by the Missouri Department of Natural Resources (DNR), and therefore that cost should have been included in the calculation of the Company's rates.

5. To correct the error, the Company and Staff have executed an *Amended Company/Staff Agreement Regarding Disposition of Small Sewer Company Revenue Increase Request*, which is attached here as Appendix A and incorporated by reference. The amended agreement includes a revised cost of service calculation reflecting the addition of \$2,500, and the amended agreement includes revised rates based on the new cost of service calculation.

6. Appendix A also includes a revised tariff sheet No. 5 that reflects the corrected rate calculation.

7. Besides making the above-described corrections necessary to add the DNR permit fees to the Company's rates, no other changes were made to the Company/Staff agreement filed on August 28.

8. As a courtesy, Staff notified counsel for the Office of the Public Counsel of the error and the subsequent correction on September 4, 2012.

**WHEREFORE**, Staff respectfully submits this Amended Agreement Notice and the attached Amended Disposition Agreement for the Commission's consideration, and requests the Commission enter an order adopting the terms of the Amended Disposition Agreement, and any other relief the Commission deems appropriate.

Respectfully Submitted,

**STAFF OF THE MISSOURI  
PUBLIC SERVICE COMMISSION**
