Dear Mr. Woodruff:

Original Sheet No. 164.1

This tariff sheet is being issued August 23, 2022 to become effective on and after September 22, 2022.

The purpose of the proposed tariff revision is to implement the "Renewal Period" to extend Ameren Missouri's Charge Ahead – Electric Vehicles Program ("Program") through December 31, 2024 as contemplated in paragraph 10 of the Stipulation and Agreement ("Stipulation") filed in Docket No. ET-2018-0132 on August 8, 2019 and approved by the Commission on October 17, 2019. As the reports submitted by the Company per the Stipulation show, Program results support the granting of the Renewal Period extension.

Program results and this proposed tariff sheet have been shared with Commission Staff and OPC prior to this filing.

Sincerely,

Jermaine Grubbs
