

ARISTOTLE UNIFIED COMMUNICATIONS EXECUTIVE BIOS

Elizabeth Bowles, President and Board Chair

Elizabeth Bowles is President and Chair of the Board of Aristotle Inc., Elizabeth guides the strategic direction and vision of Aristotle Unified Communications, a fixed-wireless broadband provider and of Aristotle Labs, Aristotle's software development division. Elizabeth is integral to the development of Aristotle's business relationships including partnerships, investment strategies, and joint ventures.

A passionate advocate for the expansion of affordable broadband services in underserved rural America, Elizabeth has testified before Congress and the FCC and is currently serving as Chair of the FCC's Broadband Deployment Advisory Committee. A past President of the Wireless Internet Service Providers Association (WISPA), Elizabeth currently serves as WISPA's Legislative Committee Co-Chair and Arkansas State Coordinator. She also serves as Chair of the Arkansas Broadband Council, Forum Officer for the Arkansas Chapter of the Young Presidents Association, and Chair for WISP PAC.

Elizabeth is licensed to practice law in Washington, D.C. and Arkansas, as well as before the Supreme Court of the United States and a number of U.S. Courts of Appeals. Prior to joining Aristotle's leadership team, Elizabeth was an attorney with the Washington, D.C. law firm of Arnold & Porter from 1994-2000 where she practiced in the fields of intellectual property and commercial litigation with an emphasis on international and technology law.

Elizabeth graduated summa cum laude from the University of Arkansas at Little Rock with a B.A. in International Studies and obtained her Doctorate of Jurisprudence from the Vanderbilt University School of Law in 1993, where she graduated first in her class, Order of the Coif, and was awarded the Founder's Medal for the Class of 1993.

Elizabeth has served on numerous boards and committees, including the Arkansas State Bank Board, Better Business Bureau of Arkansas (past President), Rotary Club 99 (Communications Chair), Central Arkansas Executives Association, City Year Little Rock/North Little Rock (Founding Board Member), Arkansas' Quality Digital Learning Study Committee and Arkansas' FASTER committee.

Elizabeth enjoys playing Game of War, as well as other online and board strategy games, writing fiction, and traveling for fun with her husband, Rafael Bravo and daughter, Victoria.

Terry D. Norris, Chief Operations Officer

Terry Norris has served as Chief Operating Officer and Office Manager for Aristotle, Inc. since May of 1998. Terry is responsible for managing accounting department procedures and processing of A/R and A/P, performing financial reporting and tracking duties, and preparing annual reports. Terry provides contract reviews, purchasing agreements analysis and vendor reviews for most of the Aristotle, Inc. departments.

Prior to joining Aristotle, Terry worked as a construction engineer and operations manager for Doyle Rogers Realty and as an Owner/Architect representative while working for Cromwell Architecture firm during the construction of numerous buildings throughout Arkansas. Terry's work history includes co-ownership of a residential construction company and a number of years work as a project estimator for several commercial contractors.

Terry studied Civil Engineering and Mathematics at Odessa College in Texas, studied Mathematics at the University of California in Northridge, and received his degree in Business Administration with emphasis on Finance and Real Estate from the University of Arkansas at Little Rock. Terry also holds a license as a Private Pilot since 1983.

Luis Campos, Director of Wireless Operations

As Director of Wireless Operations for Aristotle Unified Communications (AUC), Luis Campos oversees the design, expansion and maintenance of AUC's fixed wireless broadband network. Luis joined AUC as a technical sales consultant in 2015 and served as a wireless engineer before being appointed to the Director's position in May of 2017.

Before joining the AUC team, Luis held Technical Support Supervisory positions with Verizon Wireless and UPS. Proficient in Spanish and English, Luis works with AUC's customer support and sales teams to deliver the highest quality of service to AUC's broad customer base.

With certifications in Tower climbing and A+, Luis has extensive experience and proficiencies in VOIP, HTML, IP addresses, LAN/WAN and Cisco Network Design and Protocols. His unique combination of skills make Luis a key figure in the growth of AUC.

Luis received an Associate of Applied Science in Computer Information Systems from Pulaski Technical College in June 2008, and a BS in Computer Network Engineering from the University of Phoenix in 2012. When he is not consulting with AUC staff, mapping a network, or in the field with his teams, Luis enjoys art, music and ballroom dancing.

Jill Schumacher, Chief Business Strategist

As AUC's Chief Business Strategist, Jill Schumacher is responsible for managing all state and federal compliance requirements, as well as for writing and managing grant and bid applications

Jill works closely with Aristotle President, Elizabeth Bowles and Chief Operations Officer, Terry Norris in network planning to ensure that AUC is taking full advantage of emerging opportunities and is deploying the highest quality of industry-leading technologies. Jill leads key strategic initiatives with the Aristotle team and consults with state and community leaders to create mutually beneficial relationships that enable AUC to deliver high-speed broadband to underserved rural communities.

Jill also develops and manages AUC's relationships with vendors, AUC partners, ISP's and key figures in the fixed wireless and telecommunications industries. Prior to her appointment as Chief Business Strategist in 2013, Jill served as Aristotle Interactive's Process and Training Coordinator from May 2011 to June 2013.

Prior to joining the Aristotle team, Jill served as a Sales Analyst for Glazer's Distributors of North Little Rock, Arkansas, and as Associate Product Operations Manager for Expedia, Inc. in Bellevue, Washington.

Jill received a Master of Public Administration (MPA) from Seattle University in Seattle, Washington, and a Bachelor of Arts (BA) in Politics from Hendrix College, Conway, Arkansas.

As senior tax accountant, Rob prepared, reviewed and signed individual, corporate, partnership, fiduciary, tax exempt and tax returns. He worked with the firm's partners to develop a "Tax Committee" for the monitoring of the quality of the firm's tax services and education requirements. Prior to joining Aristotle,, Rob served as Senior Tax Accountant for Moore Stephens Frost, PLC, in Little Rock, Arkansas, where he prepared tax projections and other tax planning strategies for both individual and corporate clients, and provided evaluations and training on new software to staff members.

Tina Van Horn, VP Marketing

With extensive professional and award-winning experience in technical, creative and media writing and consulting, Tina Van Horn is an integral part of Aristotle's creative and marketing teams. As Aristotle's Vice President of Marketing, Tina oversees the marketing and creative development of Aristotle online and offline advertising and marketing initiatives.

Tina joined Aristotle in 1993 as Marketing and Customer Service Director. Under her leadership, Aristotle developed an award-winning ISP customer service department. Tina was responsible for the initiation of Aristotle's successful ISP customer appreciation program and advertising outreach campaign. In 1995, Tina became the VP of Marketing for Aristotle overseeing both internal and external promotions, advertising and marketing.

Prior to joining Aristotle's executive team in 1993, Tina worked as a communication coach in Nashville, Tennessee, where she consulted with corporate executives, professional speakers and performers to write and develop corporate presentations, public service platforms, promotional and performance packages and professional speakers' presentations.

Tina also co-founded and served as Marketing Director for VS Software, a designer of the revolutionary *FontGen*, a custom font design software. Under her leadership, the company established a distribution network in the U.S., Europe, Canada and Australia. She is also the co-author of VS Software's *The VideoSoft Series*, a 14-hour interactive, multi-media computer programming instructional series that was utilized by the U.S. Army Corps of Engineers and many other corporations.

Tina received an Associate of Arts Degree in Communications from Odessa College and a Business Communications Degree from the Permian Basin College of Business. In her off hours, Tina enjoys writing music and playing the piano.
