

May 21, 2018

Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "the Company") were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on May 21, 2018:

<u>Filed</u>	<u>Canceling</u>
4th Revised Sheet No. 54.1	3rd Revised Sheet No. 54.1
3rd Revised Sheet No. 55.1	2nd Revised Sheet No. 55.1
3rd Revised Sheet No. 56.1	2nd Revised Sheet No. 56.1
3rd Revised Sheet No. 57.1	2nd Revised Sheet No. 57.1
3rd Revised Sheet No. 58.3	2nd Revised Sheet No. 58.3
4th Revised Sheet No. 59	3rd Revised Sheet No. 59
3rd Revised Sheet No. 59.1	2nd Revised Sheet No. 59.1
3rd Revised Sheet No. 61.1	2nd Revised Sheet No. 61.1
4th Revised Sheet No. 62	3rd Revised Sheet No. 62
3rd Revised Sheet No. 70	2 nd Revised Sheet No. 70
Original Sheet No. 93	None
Original Sheet No. 93.1	None
Original Sheet No. 93.2	None
Original Sheet No. 93.3	None
Original Sheet No. 93.4	None
Original Sheet No. 93.5	None
Original Sheet No. 93.6	None

These tariff sheets are being issued May 21, 2018 to become effective on and after January 1, 2019.

The new original sheets implement a Renewable Energy Standard Rate Adjustment Mechanism ("RESRAM") and the revised sheets incorporate language referencing the RESRAM where applicable on all of the rate schedules, and add a reference to the Rider itself to the Table of Contents. The significant regulatory lag the Company would face in adding wind generation to meet the requirements of Missouri's Renewable Energy Standard necessitates the implementation of a RESRAM.

The proposed tariff sheets were communicated to the Missouri Public Service Commission Staff prior to filing, and an initial discussion was held to bring to light any possible issues.

Sincerely,

Wendy K. Tatro

Wendy K. Tatro
Director and Assistant General Counsel
