IMPORTANT NOTICE REGARDING A CHANGE IN YOUR TELECOMMUNICATIONS SERVICES

Dear _____

Birch Communications (Birch) and Cleartel Communications, Inc. (CCI) are pleased to announce that Birch will acquire the business, residential and payphone customers of CCI and its subsidiaries, including **[State-Specific Entities:]** Cleartel Telecommunications, Inc. (CTI), IDS Telcom Corp. (IDS), nii communications, ltd. (nii), Now Communications, Inc. (NOW), Supra Telecommunications and Information Systems, Inc. (Supra), and Telecon Communications Corporation (Telecon). Subject to approval by the Federal Communications Commission and state regulators, Birch will replace CCI, CTI, IDS, nii, NOW, Supra, or Telecon (collectively, Cleartel) as your current telecommunications service provider on or after **[30-45 DAYS]** (the Transfer Date). As a result of this transaction, Birch will assume responsibility for all services previously provided to you by Cleartel. Birch is excited about the opportunity to provide your phone service and looks forward to a long and successful business relationship.

Please rest assured, the transition will have little or no impact on your current services, nor will there be any interruption of your service. The agreement between Birch and CCI has been structured so that the transfer of service will be an almost seamless transition with only a minor change to voicemail services. You will retain all service rates, features, terms and conditions of service and your telephone phone number. You will not incur any charges for the transfer of services to Birch and **no action is required from you to continue your telecommunication service(s) with Birch**. You will receive your first billing statement from Birch starting with your _____ or _____ bill.

You do have the right to select a different carrier for the telecommunication service(s) at issue. A listing of other carriers providing service in the area is located on the Missouri Public Service Commission's website. If you choose to switch to an alternate carrier for services, you may incur a fee for the transfer of services to that alternate carrier. In addition, should you have a term commitment with Cleartel and you disconnect services or transfer to another carrier prior to the end of that term, you will be liable for early termination charges. Please note that if you are a customer of Cleartel on the Transfer Date, your account will automatically be transferred to Birch.

Please note that any preferred carrier "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer of your services to another carrier will be over-ridden for purposes of this transaction and will need to be reinstated by you by contacting your local exchange carrier after the transfer is complete.

If you have any questions about this transaction or your service or billing prior to the actual Transfer Date, you should contact the appropriate Cleartel entity at: **[STATE SPECIFIC ENTITIES]**

| Cleartel: | 888-389-1400 | Supra: | 800-412-1234 | IDS: | 888-389-1400 |
| nii: | 866-388-6500 | NOW: | 888-565-1011 | Payphone Customers: 866-660-5994 | |

If you have any questions regarding this transaction or your service or billing after the actual Transfer Date, you should contact Birch at **888-275-0777 or 888-772-4724. (will be state specific)**

About Birch Communications

Headquartered in Atlanta GA, Birch Communications is one of the largest competitive local exchange carriers in its 31-state southeast, southwest, midwest and northeast regions serving residential and business customers. Birch was the first in its class to deploy its own private IP network utilizing soft switch technology to deliver innovative, high quality, affordable voice and broadband communications services to small and medium business customers.

Cleartel thanks you for your business and Birch looks forward to continuing to provide you with quality service for many years to come.

Sincerely,

Cleartel Communications and
Birch Communications
