

INFORMATION REQUEST

Company Name: Kansas City Power & Light-Greater Missouri Operations

Case: EC-2019-0200

Requested By: Rob Hack
Requested From: Nathan Williams

Date Requested: 4/26/2019
Date Response Needed: 5/16/2019

Question No. : KCPL-4

1. a. Is Mr. Schallenberg aware of any order or decision by any federal or state utility regulatory body in the United States finding that the retirement of a generating facility was an extraordinary event under the Uniform System of Accounts?
b. If so, please identify and provide all such orders.

RESPONSE:

No. Mr. Schallenberg is not aware of any order or decision by any federal or state utility regulatory body in the United States that found and rejected consideration of the retirement of a generating facility as an extraordinary event under the Uniform System of Accounts.
