Re: Case No. ER-2012-0174; Tracking No. YE-2013-0325—Substitute Tariff Sheets

Dear Ms. Brueggemann:

Enclosed please find Kansas City Power & Light Company's substitute tariff sheets for a portion of those filed on January 16th in the above case. Commission Staff and the Company have been in discussion concerning the compliance tariffs and have agreed on the need for minor changes. These substitute sheets will correct inadvertent mistakes in the version tracking located in the tariff headers. All changes offered within this filing have been reviewed with Commission Staff and none of the changes impact the rate elements or revenues approved in this case. Because these changes do not materially affect the original compliance filing, the Company is asking that these sheets be substituted and retain the dates associated with the compliance filing.

A copy of the attached revised tariffs has been e-mailed, hand-delivered or mailed this date to each party of record.

Please contact me directly at (816) 654-1689 if you require any additional information.

Sincerely,

A handwritten signature in black ink that reads "Brad Lutz". The signature is written in a cursive, flowing style.

Re: *Case No. ER-2012-0175; Tracking No. YE-2013-0326—Substitute Tariff Sheets*

Dear Ms. Brueggemann:

Enclosed please find KCP&L Greater Missouri Operations Company's substitute tariff sheets for a portion of those filed on January 16th in the above case. Commission Staff and the Company have been in discussion concerning the compliance tariffs and have agreed on the need for minor changes and clarifications. These substitute sheets will correct inadvertent mistakes in the version tracking located in the tariff headers. Additionally, changes were made to clarify the pre-MEEIA language contained in the tariffs. All changes offered within this filing have been reviewed with Commission Staff and none of the changes impact the rate elements or revenues approved in this case. Because these changes do not materially affect the original compliance filing, the Company is asking that these sheets be substituted and retain the dates associated with the compliance filing.

A copy of the attached revised tariffs has been e-mailed, hand-delivered or mailed this date to each party of record.

Please contact me directly at (816) 654-1689 if you require any additional information.

Sincerely,
