Missouri Eastern
Service Corporation

QUESTION:

Concerning Aquila's response to OPC DR No. 609, please verify that the major interstate pipelines providing transportation capacity to Aquila's Missouri territories are ANR, Panhandle, and Southern Star.

RESPONSE:

There are three interstate pipelines that Aquila has contracted for transportation capacity in the State of Missouri, which are ANR for the St. Joseph Light & Power system, Panhandle for the MPS Northern and MPS Eastern systems and Southern Star for the MPS Southern system.
