**ORDER DIRECTING FILING**

Issue Date: March 16, 2016

Effective Date: March 16, 2016

On February 1, 2016<sup>1</sup>, Gerald Fuemmeler filed an application with the Missouri Public Service Commission requesting that his electric supplier be changed from Kansas City Power & Light Company (“KCP&L”) to The City of Salisbury (“Salisbury”). The Staff of the Commission filed a recommendation on March 16. Staff recommends the Commission deny the application because no electric utility provides service to the property in question, and because Salisbury cannot legally serve the property because it is outside Salisbury’s city limits.

The Commission will allow time for responses to Staff’s Recommendation.

**THE COMMISSION ORDERS THAT:**

1. Any party who wishes to respond to the Staff Recommendation shall do so no later than March 30, 2016.

<sup>1</sup> Calendar references are to 2016.
