## ORDER GRANTING EXTENSION OF TIME

Issue Date: August 29, 2017

Effective Date: August 29, 2017

On August 18, 2017, the Staff of the Missouri Public Service Commission (Staff) filed a motion for an extension of time in which to file its prudence review report for Kansas City Power and Light Company's (KCPL) Fuel Adjustment Clause (FAC). Staff requested an additional 60 days in which to file the report.

Commission Rule 4 CSR 240-20.090(7)(B)1 provides that the Commission may "suspend" the timeline set out in the rule "[f]or good cause shown." Staff argues that good cause exists in this case because this is the first review of KCPL's FAC, discovery requests are pending and are not due to be answered until after the current deadline for filing, and that Staff's Energy Resources Department has a heavy caseload with numerous filing deadlines near the end of August. Further, Staff states that no party will be harmed by this extension. There was no response or objection to Staff's request.

The Commission determines that good cause exists to extend the filing deadline by 60 days for Staff's prudence review. Thus, Staff's request for extension is granted.

**THE COMMISSION ORDERS THAT:**

1. The Staff of the Missouri Public Service Commission is granted an extension of time until October 27, 2017, in which to file its recommendation or to participate in a unanimous stipulation and agreement in lieu of such recommendation.
2. This order shall be effective when issued.
