Effective Date: July 10, 2011

On June 10, 2011<sup>1</sup>, the Commission granted Southern Union Company, d/b/a Missouri Gas Energy ("MGE"), a certificate of public convenience and necessity. In that order, the Commission directed MGE to file tariff sheets describing the new service area that the Commission authorized in the order.

MGE filed those tariff sheets later that same day. The tariff sheets had an effective date of July 10, and they described the new service area the Commission's order granted to MGE.

On June 15, the Commission's Staff filed a memorandum recommending that the Commission approve the submitted tariff filing. The Commission has reviewed the tariff sheets and Staff's recommendation and finds that the tariff sheets conform to the Commission's order. The Commission will approve the tariff sheets.
