5 **CASE NO. SR-2013-0016**

6 Q. Please state your name and business address.

7 A. Lisa K. Hanneken, 111 N. 7th Street, Suite 105, St. Louis, MO 63101.

8 Q. By whom are you employed and in what capacity?

9 A. I am employed by the Missouri Public Service Commission ("Commission") as a
10 Utility Regulatory Auditor V in the Auditing Unit of the Utility Services Department, Regulatory
11 Review Division.

12 **BACKGROUND OF WITNESS**

13 Q. Please describe your educational background, work experience and any cases in
14 which you have previously filed testimony before this Commission.

15 A. My credentials and listing of cases in which I have filed testimony previously
16 before this Commission are attached to this direct testimony as Schedule 1.

17 **EXECUTIVE SUMMARY**

18 Q. What is the purpose of your direct testimony in this proceeding?

19 A. My direct testimony will address an update made to the Commission Staff's
20 ("Staff's") accounting schedules that were originally filed as part of the Company/Staff Partial
21 Agreement Regarding Disposition. The update includes fees paid by Emerald Pointe Utility
22 Company ("Emerald Pointe") to the City of Hollister for sewage treatment, as reflected in

1 Staff's concurrently filed accounting schedules. As well, additional updates were made for items
2 discussed in Staff Witness Leslie Rose's direct testimony.

3 **CITY OF HOLLISTER FEES**

4 Q. Please explain the fees incurred by Emerald Pointe related to the City of Hollister.

5 A. As a result of its recent capital project, Emerald Pointe has entered into an
6 agreement with the City of Hollister to treat its sewage at a contracted rate. Emerald Pointe's
7 sewage is now flowing to the City of Hollister for treatment; therefore, the fees related to this
8 expense have now been included in Staff's cost of service.

9 Q. What amount of expense for sewage treatment has Staff included in its updated
10 cost of service?

11 A. Based on information provided to Staff, an amount of \$75,939 has been included
12 for the ongoing expense level related to the fees charged by the City of Hollister. Staff's
13 calculation was based upon information received regarding customer numbers, equivalent
14 factors, average gallons per customer per day, and the contracted fee amount. Recently, Staff
15 was given new information regarding the average gallons usage per customer per day from
16 Staff's Water and Sewer Unit; therefore, the sewage treatment expense level was updated based
17 on the new data.

18 Q. Does this conclude your direct testimony?

19 A. Yes, it does.

UTILITY REGULATORY AUDITOR V
UTILITY SERVICES DEPARTMENT
AUDITING UNIT

Beginning in 2001, I have been employed by the Missouri Public Service Commission for 12 years. In that time, the scale of my duties have ranged from the direct examinations of accounting books, spreadsheets, records, and general operations up to full audit engagement directing and scheduling for utility companies operating within the State of Missouri. I have also conducted numerous audits of small water and sewer companies as defined under the Commission's informal rate case proceedings. Prior to working at the Commission, between 1989 and 2001, I held other positions that magnified my accounting and auditing experience: an auditing internship with the Internal Revenue Service, accounting manager for Bucklick Creek, Inc., and bookkeeper at Rinderer's Union Drug.

In July 2001, I earned a Bachelor of Science degree in Accounting, graduating with Honors, from Webster University. I also earned a Masters in Business Administration with an emphasis in Accounting from Maryville University in December of 2006.
